

National Marine Sanctuary Advisory Council Application Form

Before applying for sanctuary advisory council membership, please review:

1. Sanctuary advisory council charter provided in your application kit;
2. Office of National Marine Sanctuaries (ONMS) *National Marine Sanctuary Advisory Council Implementation Handbook* available online at <http://www.sanctuaries.noaa.gov/management/ac/acref.html> (or you may obtain a copy from your local sanctuary); and
3. Importance of Diversity Statement:
“Whether within a natural ecosystem or a human community, diversity creates strength and resilience. NOAA’s Office of National Marine Sanctuaries values the remarkable diversity of knowledge, perspectives, and experience found throughout sanctuary communities, and invites a wide range of individuals to seek membership on our sanctuary advisory councils. With a diverse membership, advisory councils can broaden access to understanding and participation in marine conservation and governance, foster innovation and creative problem solving, and can help advance the mission of the National Marine Sanctuary System.”

Sanctuary advisory councils advise and make recommendations to the Office of National Marine Sanctuaries on issues regarding the designation and management of national marine sanctuaries. The charter outlines the purposes and governs the operation of the sanctuary advisory council. The handbook provides broader operational requirements for sanctuary advisory councils. In applying for sanctuary advisory council membership, you are agreeing to abide by the terms of the charter and the handbook if you are selected as a council member or alternate.

For those applicants who are considered for selection, the Office of National Marine Sanctuaries will conduct a LEXIS/NEXIS check and a departmental bureau check for potential criminal, political exposure, judgment/lien, adverse media, NOAA enforcement action, and conflict of interest issues. Additional information and guidance regarding the use of the information you submit on this form and its availability under federal law can be found at the end of this form. Please review this information.

For the positions listed in this application, sanctuary advisory council members and alternates must be 18 years of age or older.

Please note, under 18 U.S.C. § 205, federal government employees are not allowed to participate on sanctuary advisory councils in their personal capacities. Federal government employees may be appointed or selected by their affiliated agencies to represent their affiliated agencies in their professional capacities when an advisory council charter includes seats for their affiliated agencies. Special restrictions apply to applicants who are military reservists but are not otherwise employed by the federal government; for additional information, please contact (XXX).

State employees and members of a state legislature are allowed to apply to sit on sanctuary advisory councils in a personal capacity. State agency employees must provide a letter of support on official agency letterhead from their state supervisor at the time they submit their applications but members of a state legislature and public university or college employees are not required to provide such letters of support.

State agency employees, members of a state legislature, and local government employees should contact their respective officials to ensure that their state, local government, or employer does not have additional or conflicting laws, regulations, or policies about applying for a position on a federal advisory council.

Please indicate which advertised seat(s) (e.g., Research, Education) you are applying for, provide your contact information, and respond to the questions below. The Office of National Marine Sanctuaries may consider applicants for seats and positions for which they have not applied if the Office of National Marine Sanctuaries believes they are qualified for that seat and are willing to serve in it.

The application deadline is XXX.

The Office of National Marine Sanctuaries wants to remove, or reduce, a barrier to participation in an advisory council for individuals who would otherwise experience financial hardship, due to costs such as time off work, arranging for childcare, or making accommodations due to a disability or impairment. A stipend per meeting attended can help offset the expenses incurred by members to attend meetings and provide their expertise. The stipend is not intended as compensation or payment for services. If you are interested in opting in for a stipend, please fill out the following questions. Your answers to these questions will not affect in any way the Office of National Marine Sanctuaries' consideration of your application and will not result in any disadvantage or impact to your candidacy.

1. Would your place of employment or stakeholder organization compensate you for your participation on this Advisory Council? (Yes or No): _____
 - a. If not, please fill out the follow up questions.

2. It would be a financial challenge for me to actively participate in this Advisory Council without receiving a stipend per meeting. (Yes or No): _____
 - a. If yes, would you like to receive a stipend for participation in each advisory council meeting? (Yes or No): _____

We trust our advisory council applicants will provide an honest assessment of their own financial need for a stipend in order to attend and participate in Advisory Council meetings, understanding that at least some members/alternates may have a more significant financial need for a stipend than others. Your answers to the above questions do not guarantee a stipend. The availability of stipends depends on the Office of National Marine Sanctuaries' budget for the advisory council. Stipends are granted at the discretion of the Office of National Marine Sanctuaries.
