

Attachment L. Case Study Consent Form

Model Aquatic Health Code (MAHC) Use and Implementation Case Study **Please read and sign this sheet before you attend the interview**

We're pleased you have accepted our invitation to participate in this interview. Your participation will help CDC understand how the MAHC is meeting the needs of recreational water programs across State, Territorial, Local, and Tribal health departments in the United States.

The entire interview will be recorded (audio and video) and the audio will be transcribed anonymously for analysis. These transcripts will be the property of CDC. We will not use your voice or image in any public media without your written consent.

This information will not be linked with your name in any way and will not be used for anything except this project. All information from this discussion will be summarized anonymously.

We value your opinions and reactions and hope you will participate fully and openly. You do not have to respond to all questions.

By signing this page, you acknowledge that you understand, agree to, and consent to the above statements prior to participating in the interview.
