Did you get any body fluids on your skin or clothes? YES NO UNSURE

Comments: _____

FUNERAL OR MORTUARY:

(Complete if attended a funeral or reported contact with dead body)

Please describe presence in a funeral or touching a dead body (touched deceased garments?)

Mortuary/burial worker Traditional rituals

Was the cause of death known?

If a mortuary/burial worker, what PPE did you use?

Disposable fluid-resistant or impermeable gown/coverall

Disposable full-face shield Disposable facemask Disposable apron

N95 respirator Disposable gloves Other: _____

Did you have any problems with your PPE that resulted in skin or clothes becoming contaminated?

YES NO UNSURE

Please describe any other situations/events not listed above that are of concern to the staffer/volunteer/traveler:

Traveler Name: _____ PHARS#: _____ POE: _____

Date of Evaluation: _____ Time: _____ AM/PM

SUMMARY RISK ASSESSMENT:

- Asymptomatic Symptomatic but no suspicion of MVD
 Suspect Marburg virus disease High-risk exposure to Marburg virus

Situation(s) with Additional Exposure Potential:

- Present in patient care area Provided healthcare/interacted with sick person(s)
 Received healthcare Performed clinical lab work/handled specimens
 Conducted mortuary, funerary, burial work
 Present in healthcare facility (not patient care areas such as only administrative spaces)

Presence in Rwanda (no high risk exposure or situations with additional exposure potential identified)

If any high-risk exposures are reported, or if MVD is suspected or confirmed, please do the following:

- Quarantine/isolate the individual.
- If not already done as part of assessment, contact the CDC Viral Special Pathogens Epidemiologist on-call.
- Person may not travel commercially.
- Need to notify and consult with State/Local health department and facility (if applicable) for isolation/quarantine and further public health and clinical (if applicable) management.

Date of Evaluation (mm/dd/yy): _____ Time: _____ AM/PM

Name of person performing the assessment: _____

Title: _____ Signature: _____

Name of CDC SME Consulted (if applicable): _____

ACTIONS TAKEN:

- Isolation Quarantine Federal Public Health Order No onward travel allowed
 Briefed/consulted state/local health department
 Assessment documents shared with state/local health department
 Other: _____
