

Request for Non-substantive Change

Information Collection Request, Respiratory Protective Devices--42 CFR 84--Regulation

#0920-0109- Expiration date: 1/31/2027

Justification for Non-substantive change:

NIOSH is requesting a non-substantive change request for 0920-0109. The PRA package was previously approved with our test participants being compensated through Gift Cards or volunteers. NIOSH awarded a contract to a vendor (Napakiak Ventures, LLC) to manage various tasks such as recruiting, prescreening, selecting, scheduling in coordination with NPPTL, and compensating human participants for expenses they may incur due to their participation in respirator evaluations for the NIOSH respirator approval program and other PPE evaluation activities.
