

# Beneficiary Enrollment Survey

## Welcome!

Thank you for taking the time to complete this survey. **The purpose of this information collection is to help the federal program team understand diaper need in communities across the country. If you are new to the program, this is not the right survey for you. Please tell a staff member this is the wrong link.** By completing this survey a second time, you are providing valuable information to help assess changes in diaper need in your community over time. This is a voluntary collection of information. It should take you about 3 - 4 minutes to complete this survey. Your responses will be kept private. The information collected will be shared with both federal program staff and a research team, but **no personal identifying information will be shared.** Thank you for taking the time to complete this short survey.

PAPERWORK REDUCTION ACT OF 1995 (Pub. L. 104-13) STATEMENT OF PUBLIC BURDEN: The purpose of this information collection is to help the federal program team understand diaper need in communities across the country. Public reporting burden for this collection of information is estimated to average 4 minutes per respondent, including the time for reviewing instructions, gathering and maintaining the data needed, and reviewing the collection of information. This is a voluntary collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information subject to the requirements of the Paperwork Reduction Act of 1995, unless it displays a currently valid OMB control number. The OMB # is 0970-0531 and the expiration date is 09/30/2025. If you have any comments on this collection of information, please contact Thom Campbell at [thom.campbell@acf.hhs.gov](mailto:thom.campbell@acf.hhs.gov).
