

Acknowledgment of Receipt of Legal Resource Guide

Care Provider Instructions

Care providers must provide a copy of the Legal Resource Guide to children in their care at admission (including after initial placement and after transfer from another care provider) and upon discharge from ORR custody. Care providers must also explain the contents of the Legal Resource Guide to children in their preferred language and in a manner that is appropriate for the age and culture of the child (see [UC Policy Guide Section 3.2.2 Orientation](#)).

The Legal Resource Guide contains the following documents:

- Notice of Rights and Procedures
- ImportaMi
- Immigration Court Locations

Each time the child is provided a copy of the Legal Resource Guide, the care provider must have the child sign this form confirming receipt of the documents (Page 2 at admission and Page 3 upon discharge). Care provider staff must also sign as a witness. If the child is unable to sign (e.g., child is preliterate), the care provider marks an "X" in the signature line and provides an explanation in the related text field. All fully completed and signed copies of Page 2 and Page 3 of this form must be uploaded under the UC Documents section of the child's case file in UC Portal.
