

Instructions for completing DEA Form 251 CSOS DEA Registrant Certificate Application Instructions

Introduction:

Form DEA-251 is for DEA Registrants requesting a CSOS digital certificate for electronic ordering of controlled substances. A DEA Registrant is the *individual* who signed the most recent application for DEA Registration or the individual *authorized* to sign the most recent application for DEA Registration. Only DEA Registrants may submit a CSOS DEA Registrant Certificate Application. All other individuals requesting the ability to sign electronic orders for controlled substances must enroll in the CSOS program as either a Coordinator (Form DEA-252) or Power of Attorney (Form DEA-253).

Completing the application:

The information must be **TYPED electronically into the PDF form on-line** with the exception of signatures, affirmations and the notary acknowledgement sections, which must be completed in blue or black ink. **All fields must be completed.**

The Registrant applicant must name him/herself as Coordinator or delegate the role to another Principal Coordinator applicant or existing subscriber.

The applicant should review the CSOS DEA Registrant Certificate Application Checklist to ensure all required documents are included with his/her application prior to mailing the application package to the CSOS Registration Authority.

Mail the completed applications and their attachments to one of the following:

What the applicant will receive:

DEA Registrant applicants will receive one CSOS Signing Certificate for each DEA Registration number enrolled. In addition to receiving a CSOS Signing Certificate for each DEA Registration number identified, each Registrant applicant will be issued one CSOS Administrative Certificate if serving the role of Coordinator.

The applicant will receive a pair of activation notices for each certificate issued.

- An E-mail activation notice will be sent for each certificate, which will contain an Access Code unique to that certificate
- A postal mailed activation notice will be sent for each certificate, which will contain an Access Code Password unique to that certificate as well as information for logging in to DEA's secure certificate retrieval Web site

The codes must be entered on the DEA E-Commerce Web site in order to retrieve the digital certificate.
