SUPPLEMENTARY INFORMATION: The NIAC is established under Section 10 of E.O. 13231 issued on October 16, 2001, as amended and continued under the authority of E.O. 14109, dated September 29, 2023. Notice of this meeting is given under 10(a) of the Federal Advisory Committee Act (FACA), Public Law 92–463 (5 U.S.C. Ch. 10). The NIAC provides the President, through the Secretary of Homeland Security, advice on the

security and resilience of the Nation’s critical infrastructure sectors.

This meeting will be partially closed to the public, with the closure time of the meeting yet to be determined. Members of the public who register to participate virtually will be informed what portion of the meeting will be closed.

Agenda: The National Infrastructure Advisory Council will meet on Tuesday, September 10, 2024, from 1:00 p.m. to 5:00 p.m. EDT to discuss NIAC activities. The open session will include: (1) a keynote address on critical infrastructure security and resilience; (2) a period for public comment; (3) subcommittee updates and member discussion.

The council will also meet in a closed session, with the closure time of the meeting yet to be determined. In the closed session, senior White House officials will discuss priorities and potential threats concerning the nation’s critical infrastructure. The premature disclosure of this information could frustrate the successful implementation of protective measures designed to keep our country safe. Therefore, this portion of the meeting is required to be closed pursuant to section 10(d) of FACA and the Government in the Sunshine Act, 5 U.S.C. 552b(c)(9)(B).

Dated: August 20, 2024.

Jonathan M. Dunn,

Designated Federal Officer, National Infrastructure Advisory Council, Cybersecurity and Infrastructure Security Agency, Department of Homeland Security.

Written comments and suggestions from the public and affected agencies should address one or more of the following four points:

(1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;

(2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;

(3) Enhance the quality, utility, and clarity of the information to be collected; and

(4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
