

§ 10.61

on Customs Form 301, containing the bond conditions set forth in §113.62 of this chapter. There shall be such examination of the articles as may be necessary to satisfy the port director that they are subject to the privileges of section 309, Tariff Act of 1930, as amended, and that the value and quantity declared for them are correct.

(g) A withdrawal under §10.59(e) shall be supported by a bond on Customs Form 301, containing the bond conditions set forth in §113.62 of this chapter.

(h) If a request is made for permission to transfer supplies or stores from one vessel to another which would be entitled to withdraw them free of duty and tax under section 309 or 317, Tariff Act of 1930, as amended, the port director in his discretion may permit the articles to be so transferred under Customs supervision under a permit on Customs Form 3171 in lieu of a formal withdrawal under the pertinent statute. In such a case, the pertinent statute shall be indicated by an endorsement made on the permit by the port director.

cartman, or lighterman (including bonded pipelines), under withdrawals on Customs Form 7501, either single or blanket, may be made without the presence of a Customs officer. When a blanket withdrawal is filed and a partial release takes place, the partial release procedure set forth in §19.6(d) of this chapter shall be followed for each partial release. However, each abstract copy of Customs Form 7501 shall include the following additional information:

- (1) Type of oil withdrawn.
- (2) Number or other identification of sales order therefor.
- (3) Name of bonded carrier, date it received oil.
- (4) Receipt signed by master or other person in charge of delivering conveyance identified by number, or name, and if Customs bonded lighterman or cartman, by the carrier's license number.
- (5) Name and location of vessel obtaining oil.
- (6) Quantity and identification of each type of oil received with date, and signature and title of receiving officer. If all the oil is laden on the receiving vessel at the port of withdrawal via pipeline from the bonded storage tank, paragraphs (a) (3) and (4) of this section shall be deemed to be inapplicable.

(b) If a blanket free withdrawal of bunker fuel oil is filed, to comply with Bureau of the Census requirements the withdrawal on Customs Form 7501 shall be endorsed "Estimated Withdrawals" and limited to the aggregate quantity and value of fuel oil which it is estimated will be physically removed from Customs bond during the calendar month in which the withdrawal is filed for lading on vessels entitled to duty-free vessel supplies under section 309 of the Tariff Act of 1930, as amended.

(c)(1) As an incident of the delivery of fuel oils classifiable at different rates of duty to a vessel or vessels under section 309 of the tariff act, the port director may, when necessary to enable a supplier to meet fuel specifications, permit the blending of the oils in the delivering conveyance or in other suitable facilities after withdrawal from the bonded tanks, upon the condition that, to the extent of the amount of oil withdrawn classifiable at the higher
