

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2060-0704). Responses to this collection of information are mandatory (40 CFR 51.308). An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 15,846 per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Regulatory Support Branch Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address."

OMB Control No. 2060-0704  
OMB Expiration Date: MM/DD/YYYY

The screenshot shows the EPA SPeCS submission interface. At the top, the EPA logo and navigation links are visible. The main heading is "GA\_8-Hour Ozone 1997 Attainment". A sidebar on the left contains "Plan Submission Information", "Attainment Plan(s)", and "Document Upload". The main content area is titled "Plan Submission Information" and includes a text input field for the submission title, a list of material types with checkboxes, and a list of action buttons at the bottom.

Callout boxes provide the following information:

- Submission components will appear in this navigation bar:** Points to the sidebar on the left.
- Enter your submission title here:** Points to the title input field.
- Required questions will be labeled with a red asterisk:** Points to the asterisk on the "What type of material are you submitting?" question.
- Question mark icons indicate that help text is available:** Points to question mark icons next to several material type options.
- Save and remain on the current page:** Points to the "Save" button.
- Save and proceed to the next page:** Points to the "Save and Continue" button.
- Save and return to the homepage:** Points to the "Save and Exit" button.
- Opens a preview of the submission in another browser tab:** Points to the "Preview Submission" button.
