Safer Choice Program: Cleaning Service Certification Audit Submissions in the Safer Choice Community Cloud-based Salesforce System

**OMB Control No. 2070-0221
Approval expires 5/31/2024**

This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2070-0221). Responses to this collection of information are voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to be 12 hours per response for cleaning service providers establishing Partnership Agreements with Safer Choice and three hours per response for cleaning service providers undergoing partnership renewals and audits, including the time for reviewing instructions, gathering information, and completing and reviewing the submission. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates and any suggested methods for minimizing respondent burden to the Information Engagement Division Director, U.S. Environmental Protection Agency (2821T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed form to this address.

Following are screenshots from the cleaning service certification audit submission forms in the Safer Choice Community cloud-based Salesforce data system. Please refer to Section 12b, IC #1 for a full list of data items collected. Note that the specific details of the screenshots may change over time as the Safer Choice program improves and/or modifies the system. However, the general and fundamental components of the Salesforce system will be similar to what is presented in the following screenshots.

Please select either a Quote or a Formal Review. If you would like to receive a quote for the cost of the review from one or more third-party profilers, select Quote. If you already know which third-party profiler you will submit to for a formal review, select Formal Review. Some third-party profilers may prefer to receive a quote submission first, so it is a good idea to contact them if you are not sure which option to choose.
