Grant Extension Request

> **Important**
>
> This form must be submitted by credit unions requesting to extend the grant expiration date to complete projects beyond the award's performance period end date. Grant extensions provide additional time for credit unions that have experienced challenges to complete their project and receive reimbursement for all project expenses incurred.
>
> **Extension requests must be submitted no later than <u>10 days prior</u> to the current grant expiration date.**
>
> Once a final decision has been made on the extension, the NCUA will notify the credit union via email sent to the designated contact persons. If approved, you will notice a change in the "Current Grant Expiration Date" in forms associated with this award. Please note the performance period start and end date will not change from the dates stated in the original notice of grant approval. The reimbursement request due date will be updated to 30 days after the new grant expiration date.
>
> If you have any questions, contact the Grants and Loans Team at CUREApps@ncua.gov.

CyberGrants employs an iterative SDLC methodology, including requirements gathering, prototyping, design, internal security reviews, revision control system (VSS), testing and Q/A platforms, change control rules, etc. CyberGrants senior developers review proprietary application code. For our application software development process, we adhere to the IDEF1X modeling standard and Iterative SDLC. We perform in-house checking and validation of source code. For Web content and accessibility we adhere to W3C and ADA compliance. In our security approaches, we follow guidelines dictated by the Open Web Application Security Project (OWASP).
