

National Credit Union Administration
Justification for No Material or Non-substantive Change

OMB Control No.: 3133-0033
Security Program, 12 CFR 748

The National Credit Union Administration (NCUA) is attaching the updated final collection instrument form for credit unions to report cyber incidents. When the form was submitted in April 2024, it was in its draft form. The updated final form to OMB Control Number 3133-0033 does not alter the current burden hours and is more user friendly as a webform.
