Reportable Cyber Incident Details

The credit union has experienced a Cyber Incident resulting in: 

- A substantial loss of confidentiality, integrity, or availability of a network or member information system.
- A disruption of business operations, vital member services, or a member information system resulting from a cyberattack or exploitation of vulnerabilities.
- A disruption of business operations or unauthorized access to sensitive data facilitated through a compromise of a credit union service organization, cloud service provider, or other third-party data hosting provider or by a supply chain compromise.

Description of the event:

Select the impacted Services, Functions, Technologies, or Other: 

Select all that apply

### Loss of Confidentiality, Integrity, or Availability

Has Member Sensitive data been accessed, changed, deleted, exposed, exfiltrated, or otherwise impacted? 

-- None --

Business Operations are:

-- None --

Vital Member Services are:

-- None --

### Initial Access/Point of Entry

If known, what was the initial point of access/entry? 

-- None --

Notices and Compliance Statements

**508 COMPLIANCE:** The National Credit Union Administration is committed to providing access to all individuals—those with or without disabilities—that are seeking information on this website. We have built this website to conform to the Section 508 of the Rehabilitation Act(Opens new window) (as amended), which requires that all individuals with disabilities (whether federal employees or members of the general public) have access to, and use of, information and data comparable to that provided to individuals without disabilities, unless an undue burden would be imposed on the agency. If you have difficulty accessing information on this site, particularly if using assistive technology, such as screen readers, eye tracking devices, or voice recognition software, or for questions or information about this site's accessibility, send an email to [Section508@NCUA.gov](mailto:Section508@NCUA.gov).

**PRIVACY NOTICE:** The information you provide will be used to track and manage reported cyber incidents. The NCUA securely maintains all personally identifiable information stored in CICURS and only shares it outside of the NCUA if required by law or regulation. For additional information, please contact [privacy@ncua.gov](mailto:privacy@ncua.gov).

**PAPERWORK REDUCTION ACT STATEMENT:** According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. Comments concerning the accuracy of the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, should be addressed to the National Credit Union Administration, ATTN:
