[SEC File No. 270–666, OMB Control No. 3235–0725]

Proposed Collection; Comment Request; Extension: Contract Standard for Contractor Workforce Inclusion

Upon Written Request Copies Available From: U.S. Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget (“OMB”) for extension and approval.

Section 342 of the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 (the Dodd-Frank Act) provided that certain agencies, including the Commission, establish an Office of Minority and Women Inclusion (OMWI).¹ Section 342(c)(2) of the Dodd-Frank Act requires the OMWI Director to include in the Commission’s procedures for evaluating contract proposals and hiring service providers a written statement that the contractor shall ensure, to the maximum extent possible, the fair inclusion of women and minorities in the workforce of the contractor and, as applicable, subcontractors. To implement the acquisition-specific requirements of Section 342(c)(2) of the Dodd-Frank Act, the Commission adopted a Contract Standard for Contractor Workforce Inclusion (Contract Standard).

The Contract Standard, which is included in the Commission’s solicitations and resulting contracts for services with a dollar value of \$100,000 or more, contains a “collection of information” within the meaning of the Paperwork Reduction Act. The Contract Standard requires that a Commission contractor with 50 or more employees provide documentation, upon request

from the OMWI Director, to demonstrate that it has made good faith efforts to ensure the fair inclusion of minorities and women in its workforce and, as applicable, to demonstrate its covered subcontractors have made such good faith efforts. The documentation requested may include, but is not limited to: (1) the total number of employees in the contractor’s workforce, and the number of employees by race, ethnicity, gender, and job title or EEO–1 job category (e.g., EEO–1 Report(s)); (2) a list of covered subcontract awards under the contract that includes the dollar amount of each subcontract, date of award, and the subcontractor’s race, ethnicity, and/or gender ownership status; (3) the contractor’s plan to ensure the fair inclusion of minorities and women in its workforce, including outreach efforts; and (4) for each covered subcontractor, the information requested in items 1 and 3 above. The OMWI Director will consider the information submitted in evaluating whether the contractor or subcontractor has complied with its obligations under the Contract Standard.

The information collection is mandatory.

Title of Collection: Contract Standard for Contractor Workforce Inclusion.

Type of Review: Extension of an Existing Approved Information Collection.

Frequency of Response: Annually.
Estimated Number of Respondents: 50.

Estimated Burden Hours per Respondent: 1 hour.

Estimated Total Annual Burden Hours: 50. The change in the estimated annual burden hours from 925 to 50 is due to a change in eligibility criteria for requesting documentation to only those contractors with 50 or more employees. This change in eligibility criteria eliminated any new recordkeeping burden since contractors with 50 or more employees are generally subject to the recordkeeping and reporting requirements under the regulations implementing Title VII of the Civil Rights Act² and Executive Order 11246.

Request for Comments: The comments submitted in response to this notice will be summarized and included in the request for OMB approval. All comments will become a matter of public record. Written comments are invited on: (a) whether this collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate

of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing 60 days after the date of this publication.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

Please direct your written comments to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Oluwaseun Ajayi, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: July 9, 2024.

Deputy Secretary.
