III. If a water right is involved and is not covered by the current security instrument, it is subject only to the encumbrances, reservations, exceptions, and defects set forth in said administrative waivers and was made available as security in the following manner (Water stock would normally be reissued in the names of said land owners and the United States of America and delivered to the Agency Official at the time of loan closing):

IV.	The term "encumbrances, reservations, exceptions, and defects" means all matters which would prevent the United States from obtaining the required lien on the property identified in paragraph I, including but not limited to (a) mortgages, deeds of trust, and vendors', mechanics', materialmen's, and all other liens, including any provisions thereof for future advances which could take priority over the said lien to the United States, (b) Federal, State, and local taxes, including county, school, improvement, water, drainage, sewer, inheritance, personal property, and income, (c) State and Federal bankruptcy, insolvency, receivership, and probate proceedings, (d) judgments and pending suits, in State and Federal courts, (e) recorded covenants; conditions; restrictions reservations; liens; encumbrances; easements; rights-of-way; leases; mineral, oil, gas, and geothermal rights (regardless of the right of surface entry); timber rights; water rights; pending court proceedings and other matters of record which affect the title of the property or the ability of the buyer or seller to convey or accept title.				
V.	This opinion is issued expressly for the benefit of the above-named apacting through the United States Department of Agriculture Agency whereunder.
