Dress Rehearsal Letters

The Office of Management and Budget (OMB) approval number for the 2022 Annual Integrated Economic Survey is 0607-1024.

A Message from the U.S. Census Bureau:

We are writing to inform you that in a few weeks, we will be sending you the **2022 Annual Integrated Economic Survey (AIES)**.

At this time, we encourage you to visit <https://census.gov/aies/information> to start preparations for reporting.

What is the Annual Integrated Economic Survey?

The Annual Integrated Economic Survey (AIES) is a newly redesigned survey that combines multiple mandatory annual surveys into one comprehensive data collection on business revenues, expenses, and assets. The new format simplifies reporting by consolidating all necessary questions into one convenient platform, requiring you to answer only industry-specific content that directly relate to your company's participation.

With key data items standardized across all sectors, the AIES will offer a holistic annual picture of the U.S. economy, allowing users to make meaningful comparisons, identify trends, and assess relative strengths or weaknesses in and across industries. Your participation plays a crucial role in shaping policies that allocate resources efficiently and contributing to an accurate picture of the economy. Your valuable data serve as a critical input in calculating the Gross Domestic Product (GDP), empowering policymakers and businesses, including your own, to make well-informed and precise decisions.

To view the list of included surveys, kindly visit the website above. For any additional inquiries not addressed on the website, please feel free to contact our customer helpline at 1-800-681-3012. Our dedicated team is available Monday through Friday, from 8:00 a.m. to 8:00 p.m. Eastern time.

Thank you in advance for your time and participation, and for helping the U.S. Census Bureau measure America's people and economy.

Sincerely,

Lisa E. Donaldson
