- Percentage of Total Subscriber Line Charges Revenue from Household Consumers and Individual users
- Percentage of Total Subscriber Line Charges Revenue from Businesses, Not-For-Profit Organizations, and Government (federal, state, and local)

- Number of Establishments (Hotels) Owned or Leased and Owned by Company
- Number of Establishments (Hotels) Owned or Leased by Company and managed by Another Company

- Does Company Manage Hotels for Another Company (Third-Party)
- Number of Hotels Managed for Another Company (Third-Party)

2023 vs 2024 AIES	Comments
Remove from Collection.	Needed in 2023 AIES for benchmarking and time series purposes. Not needed for the 2024 AIES. Census will use the ending inventories that were collected in the 2023 AIES to obtain this data. In the future, this item will be collected during the 1st year after a new sample is drawn.
Remove from Collection.	Needed in 2023 AIES for benchmarking and time series purposes. Not needed for the 2024 AIES. Census will use the ending inventories that were collected in the 2023 AIES to obtain this data. In the future, this item will be collected during the 1st year after a new sample is drawn.
Remove from Collection.	Through discussions with stakeholders, these items are not needed on an annual basis. This aligns with other trades in the AIES. These items will move to a 5-year collection.

Remove all Prior Year Items from Collection.	Census will use the ending inventories that were collected in the 2023 AIES to obtain this data. This aligns with other trades in the AIES.
Remove from Collection.	Previously collected for internal purposes, not published or provided to stakeholders.
Remove from Collection.	Only select Wholesale NAICS received this question. Removed this item to align and standardize across trades. Primary stakeholder is no longer a user of this item.
Remove from Collection.	No longer needed by stakeholders.
Consolidate question to: ●New and Used Buildings and Structures	Used Buildings and Structures is heavily suppressed. Combining new and used will likely result in more publicly available data.
Consolidate question to: ●New and Used Machinery and Equipment	Used Machinery and Equipment is heavily suppressed. Combining new and used will likely result in more publicly available data.
Remove from Collection.	Move to "All Other Expenses".
Combine into one question, detailed breakout is only needed every 5 years.	Will breakout into two questions to collect the detail every 5 years.
Remove from Services industries.	No longer needed by stakeholders.

Only collect for select industries (22, 486, 517, 531, 561, 562, 622, 7212, 722, and 81).	Remove from select Services industries.
Remove from Collection.	BEA uses data from these questions to deduct from the expense totals. BEA does not have a need to Census to collect these items if we can collect expenses while ensuring that we exclude these items. Explicit instructions where added to instruct respondents.
Remove from Collection.	BEA uses data from these questions to deduct from the expense totals. BEA does not have a need to Census to collect these items if we can collect expenses while ensuring that we exclude these items. Explicit instructions where added to instruct respondents.
Remove from Collection.	Item poorly reported and heavily suppressed.
Remove from Collection.	Item has been collected but not published or provided to stakeholders.
Remove the "write-in/Specify" for All Other from Collection.	Item is no longer needed by Census and has never been published or provided to stakeholders. Keeping the "All Other" question just removing the "write-in" piece.
Remove from Collection.	Items are no longer needed by stakeholders.
Remove from Collection.	Item is no longer needed by stakeholders.
Remove from Collection.	Items are no longer needed by stakeholders.
Remove from Collection.	Items are no longer needed by stakeholders.
Remove from Collection.	Items are no longer needed by stakeholders.

Remove from Collection.	Items are no longer needed by stakeholders.
Remove from Collection.	Item was not published or provided to stakeholders.
Remove from Collection.	Item was not published or provided to stakeholders.
