Patent Assignment Application Quick Tips

The assignment form starts with the '**Assignment options**' page;

- 'Required input boxes', are indicated with an **"*"**.
- Clicking on "save and continue" button  at bottom of a page, "saves" all information.
- When "required input boxes" do not contain necessary information, an error message will appear at top of screen and input boxes will be highlighted in **Red**.
- Upon completion of input of necessary information and clicking the 'Save and continue' button, system auto-navigates to next section of form.

Assignment options

Step 1

1.) Begin assignment application, confirm if the request is part of a multiple assignment by selecting 'Yes' or 'No'.

The screenshot shows a web interface for a 'Patent assignment form'. At the top, there is a progress bar with four steps: 'Assignment options' (highlighted in blue), 'Assignment data', 'Review', and 'Sign and submit'. Below the progress bar, the main content area is titled 'Assignment options' and contains a question: 'Multiple assignments *'. The question asks: 'Are there any properties in your filing today that are the subject of multiple assignments with the same execution date that you will be filing today or that you have already filed?'. There are two radio button options: 'Yes' and 'No'. A 'Reset' link is located below the question. A blue 'Create assignment' button is positioned at the bottom right of the form area. To the left of the main content is a sidebar menu with a vertical list of options: 'Assignment options' (with a blue arrow), 'Assignment data', 'Conveyance type', 'Correspondence information', 'Conveying parties', 'Receiving parties', 'Properties', 'Upload documents', 'Review', and 'Sign and submit'. On the right side of the form, there is a 'Learn more' section with a horizontal line and a 'Hide learn more' link below it. A note '* indicates required' is located in the top right of the main content area.

'Assignment options' instructions

Must provide 'Multiple assignment' information.

A selection must be made, either "Yes or No".

Are there any properties in your filing today that are the subject of multiple assignments with the same execution date that you will be filing today or that you have already filed? *

Yes No

If '**No**', **please note**; this is confirmation this filing is not to be included with other filings.

If '**Yes**', please follow onscreen instructions.

Conveyance type

2.) Please make selection for a 'Conveyance type' from drop-down menu.

Note: When the 'Conveyance type', selected is "Merger and Change of Name", the "Merged Conveying Party" name will be required.

The screenshot displays the 'Trademark assignment form' interface. At the top, there is a progress bar with five steps: 'Assignment options', 'Assignment data', 'Review', 'Calculate fees', and 'Sign and submit'. The 'Assignment data' step is currently active. Below the progress bar, the form title 'Trademark assignment form' is shown, along with 'Assignment id: 16622' and 'Assignment name: JustaTest'. A 'Learn more' link is visible on the right side. The main content area features a left-hand navigation menu with options: 'Assignment options', 'Assignment data', and 'Conveyance type' (which is selected). The 'Conveyance type' section contains a message: 'A new assignment with assignment id 16622 has been created.' Below this, the 'Conveyance type' field is labeled with an asterisk indicating it is required. The field contains a dropdown menu with the text 'Select nature of conveyance *' and a link to 'View all definitions'. At the bottom of this section, there are 'Reset' and 'Save and continue' buttons.

Conveyance types that require additional information

- a. The 'Conveyance types' appearing in the table below, require specific, additional information.
- b. Noted with an "*" the necessary information must be provided for these conveyance types.

Conveyance type	Additional required information
'Nunc Pro Tunc' 'Merger' 'Merger and Change of Name'	Effective Date
Corrective Assignment	Previous Reel #, Previous Frame # and identify conveyance text of the original assignment.
Other	<p>Brief description of the nature of conveyance transaction.</p> <p>If the nature of conveyance is an "Assignment", "Merger", "Change of Name", "Nunc Pro Tunc" or "Assignment of the entire interest and goodwill", do not select "Other".</p> <p>Please select the appropriate conveyance type from drop-down menu.</p> <p>Entering a Conveyance type as "Other" will prevent the automatic update of ownership information in the USPTO trademark database.</p>

Correspondence information

3.) Please provide what is necessary for correspondence information.

Step C

C.) Enter document number and access code. Click the 'Start resubmission' button to access the resubmission assignment.

The screenshot shows a web form titled "Resubmission". At the top, there is a yellow warning banner with a triangle icon and the text: "You will have to reattach the necessary supporting documentation and provide your electronic signature prior to submittal." Below this, the form is divided into two main sections. The left section is for data entry, with the heading "Enter the following data from the notice of non-recording to access the submission form." It contains two input fields: "Document id *" and "Access code *", both with asterisks indicating they are required. A small note "*Indicates required" is positioned to the right of the first field. Below the input fields are a "Reset" link and a blue "Start resubmission" button. The right section is titled "Instructions" and contains three paragraphs of text. The first paragraph explains that users should refer to an email attachment for a Notice of Non-Recording to correct omissions. The second paragraph details that entering the document number and access code will create a new resubmission form containing information from the previous submission, such as correspondence and party information. The third paragraph notes that users must reattach supporting documentation and provide an electronic signature. A final paragraph states that a confirmation of receipt (cover sheet) with the submission ID and tracking number will be displayed and emailed upon completion.

Step D

D.) Assignment Options

Required:

- Begin the resubmission assignment.
- The assignment is now populated with the information from the **original** submission.

The screenshot displays the 'Patent assignment form' interface. At the top, there is a progress bar with four steps: 'Assignment options', 'Assignment data', 'Review', and 'Sign and submit'. The 'Assignment data' step is currently active. Below the progress bar, the form title is 'Patent assignment form' and the 'Assignment id' is 16557. The 'Assignment name' is 'resubmission of 900001491'. A 'Learn more' link is visible on the right side. A notification banner at the top of the form area states: 'Resubmission form with assignment id 16557 has been created.' The 'Assignment options' section includes a list of items with checkmarks: 'Conveyance type', 'Correspondence information', 'Conveying parties', 'Receiving parties', and 'Properties'. Below this list are buttons for 'Upload documents', 'Review', and 'Sign and submit'. The 'Assignment name' section has a text input field containing 'resubmission of 9000014' and a note: 'Prior to creating assignment, you may give the assignment a "name". Creating an "assignment name" allows for easy identification of a record.' The 'Multiple assignments' section asks: 'Are there any properties in your filing today that are the subject of multiple assignments with the same execution date that you will be filing today or that you have already filed?' with radio buttons for 'Yes' and 'No' (selected). A 'Reset' link and a 'Save and continue' button are at the bottom.
