Thank you for your time today. This interview should take about 15 minutes. Your participation in this interview is voluntary and you are welcome to terminate the meeting at any time. The team is screening for candidates to participate in a website usability study for the military community on the topic of financial resources, focusing on website content, layout, and navigation.

This study is sponsored by the Department of Defense Office of Financial Readiness (after first use: DoD Office of Financial Readiness). Study staff will diligently protect your personal information and ensure that your opinions, ideas, concerns, etc. will not be identifiable as you. While the information in this study will be used only for research purposes, results and recommendations will be shared with government officials, however your identity will remain anonymous.

Additionally, for your information, we wanted to let you know that the team has received permission through the Office of Budgeting and Management (OMB) to conduct this research, which meets licensing requirements outlined in the Paperwork Reduction Act.
