Subject: Protocol #2019-09 NHIS Amendment #16 Changes for the 2024 NHIS (OCD20230823.03)

The NCHS Human Subjects Contact determined that the Protocol #2019-09 National Health Interview Survey Amendment #16 Changes for the 2024 NHIS, is a public health surveillance activity under the 2018 requirements of the Common Rule (45 CFR 46.102(l)(2)).

The NCHS Ethics Review Board reviewed the request for approval of Protocol #2019-09 National Health Interview Survey Amendment #16 Changes for the 2024 NHIS, using the expedited review process based on 46.110 of 45 CFR 46(b)(2), minor change to previously approved protocol.

Description of proposed modification:

Amendment #16 Changes for the 2024 NHIS

Protocol #2019-09 National Health Interview Survey Amendment #16 Changes for the 2024 NHIS is approved.

ERB approval of protocol #2019-09 will expire **10/04/2024**

Any problems of a serious nature should be brought to the attention of the ERB, and any additional proposed changes affecting the consent process should be submitted for IRB approval before they are implemented.

Please contact me or Kyle Wise, if you have any questions.
