DP23-0020 Measure 1.1 _Add Measurement Option – Component B

The screenshot shows a web application interface for adding a measurement option. The form is titled "Add Measurement" and is part of a larger system for Component B. The form fields and their values are as follows:

- Lock Status:** Unlocked. A callout box explains: "If this measurement is 'Locked' then it cannot be updated or deleted. If you would like to update or delete this measurement, the please reach out to your Project Officer, or Evaluator, to unlock this measurement."
- Performance Year:** --None--
- Measurement Type:** Actual or Target. A callout box points to this field.
- Date Collected:** (Empty field with a calendar icon)
- Data Source:** Numerator/Count. A callout box explains: "Provide the total number of people, participants, or completers."
- Notes:** (Empty text area). A callout box explains: "If Other is selected, provide additional information that reflects context for the values reported."

At the bottom of the form, there is a "Close" button. The background shows a sidebar with a tree view containing "1.1" and a list of fields: Name, Description, Measure Type, Progress Notes, Setting, Data Source, Last Modified By, and Last Modified By. The last modified information is: "emiloluwa Ogundeyi" and "3/12/2024 3:32 PM".
