

SHARP PM IV.1 NHSN technical assistance (TA) requests fulfilled, documented by TA category and setting

Recipient _____

SHARP PM IV.1: NHSN technical assistance (TA) requests fulfilled, documented by TA category and setting Rationale: To inform CDC of the demand for TA, types of TA requested and provided, and facility setting types requesting assistance. CDC will use this information to improve NHSN user support and NHSN helpdesk experience. TA provided to facilities will strengthen the accuracy and timeliness of data reported in NHSN, thereby leading to actionable data for infection prevention activities.

Instructions: Complete the form below. Once complete mark as 'Complete' and select 'Save & Go to Next Form' from the drop down below.

NHSN Coordination Lead

Q1. Does your program have an NHSN Coordination Lead? Yes
 No

A. Please provide status update or challenges encountered in identify or hiring an NHSN Coordination Lead _____

Response to Q1 A is required if you have not hired an NHSN Coordination Lead.

B. Staffing Directory is updated with required information for all staff leading and supporting NHSN activities Yes
 No

C. Please update the HAI/AR Program Staffing Directory.

Technical Assistance (TA) Request

Q2. Please answer the TA questions for the current reporting period January 1, 2022--July 31, 2022.

A. Total number of TA requests received _____

Provide the total number of TA requests received by your health department. A TA request refers to any one interaction (email, phone call, etc.), and may include more than one topic.

For example, one TA request comprised of three topics is reported as one TA request received.

B. Total number of TA requests completed

Provide the total number of TA requests completed by your health department. A TA request is considered complete if all topics were fully resolved.

For example, one TA request comprised of three topics with only two of three topics fully resolved is not reported as completed. One TA request comprised of three topics with three of three topics fully resolved is reported as one TA request completed.

C. Percentage of Completed Requests (%)

TA Requests by Topic

Q3. List the topics of the NHSN TA requests. Provide the number of TA requests received and completed for each topic.

Topic

Number of TA requests received

Number of TA requests completed

_____	_____	_____
_____	_____	_____

Response to Q3 is required.

Number of facilities requesting TA, categorized by setting type and zip code.

Q4. Provide the number of facilities requesting technical assistance, categorized by setting type.

Number of facilities requesting TA by setting type

Acute Care Hospitals _____

Critical Access Hospitals _____

Ambulatory Surgery Centers _____

Long-term acute care hospitals _____

Inpatient rehabilitation facilities _____

Inpatient psychiatric facilities _____

Dialysis facilities _____

Assisted living facilities _____

Skilled nursing facilities _____

Home dialysis centers _____

LTCF for developmentally disabled _____

Other (please describe): _____

Response to Q4 is required.

Q5. Use the table to summarize the number of the facilities that requested TA by zip code. If zip code data are not available, explain why in the comment field.

Zip codes with 1-5 facilities requesting TA Zip codes with 6-10 facilities requesting TA Zip codes with >10 facilities requesting TA

Response to Q5 is required.

A. Comments:

The NHSN project team plans to develop a technical assistance tracking tool for optional use. This tool includes the required data fields used for performance measures reporting, and the intent is to reduce the burden when entering data into REDCap.

Do you have a technical assistance tracking tool in place?

- Yes
- No

Would you like CDC to provide a technical assistance tracking tool for optional use?

- Yes
- No

Date of Submission

SHARP PM IV.2 NHSN data use agreements (DUAs) established or updated

SHARP PM IV.2: NHSN data use agreements (DUAs) established or updated Rationale: To inform CDC of DUAs between jurisdictions and healthcare facilities. Established DUAs serve as an indicator of improved data information sharing and data-driven prevention. DUAs document a jurisdiction's access to NHSN data beyond data subject to reporting mandates. CDC can improve and modify the NHSN application based on knowledge of how jurisdictions are using data they access via DUAs, and provide examples for other jurisdictions.

Instructions: Complete the form below. Once complete mark as 'Complete' and select 'Save & Go to Next Form' from the drop down below.

Note: This PM is only applicable to recipients participating in NHSN Activity 2

Data Use Agreements

Q1. Does your jurisdiction currently have an established or updated DUA with healthcare facilities? Yes No

A. How is the accessed data being used?

Response to Q1 A is required.

B. Why has your jurisdiction not established or updated a DUA with healthcare facilities?

Response to Q1 B is required.

Date of Submission

NHSN PM Data Close Out

NHSN Data Closeout

Instructions:

The following form contains information regarding items that have been flagged during our data closeout of the Budget Period 3 Performance Measures (PM). Each PM that has been flagged includes a summary of the issue. The summary of the issue is available in column (b). Once the flagged items have been addressed and data has been updated directly in REDCap, select "Yes" in column (c). We kindly ask that you only select "Yes" once the data has been corrected directly in REDCap. If you have any comments or questions related to any of the items that have been flagged, you may provide those comments/questions in the comment box provided below.

Errors identified during submission:

- Yes
 No

Performance Measure a) Flagged for Follow-up b) Summary of Issues c) Please confirm that the issue has been addressed:

SHARP PM IV.1 NHSN technical assistance (TA) requests fulfilled, documented by TA category and setting

SHARP PM IV.2 NHSN data use agreements (DUAs) established or updated

Notes/comments to CDC:

Thank you for submitting your NHSN Performance Measures. No items have been flagged for follow-up.

If you have any questions, concerns, or issues with the items indicated above please contact NHSNDUA@cdc.gov with "NHSN Performance Measures - Data Closeout" in the subject line.
