PRAMS COVID-19 Experience Supplemental Module

PRAMS COVID-19 Experience Supplemental Module: English Web

The screenshot shows a mobile application interface for the PRAMS COVID-19 Experience Supplemental Module. At the top, there is a dark blue header with the CDC logo and the text "Department of Health and Human Services Centers for Disease Control and Prevention". To the right of the header are three icons: an envelope, a telephone, and a share icon. Below the header, the user's location is identified as "South Carolina" with a "MomID: 2022TT333012". A progress bar on the right indicates that 84% of the survey is complete. A central message box states: "These last questions are about your experiences with prenatal care, delivery, postpartum care, and infant care during the COVID-19 pandemic." Below this message are two blue buttons labeled "Back" and "Next". The bottom of the screen features a footer with the CDC address: "Centers for Disease Control and Prevention, 1600 Clifton Rd, Atlanta, GA 30333, U.S.A." and a link to the "Department of Health and Human Services Vulnerability Disclosure Policy | Español". The mobile status bar at the very bottom shows the date "Oct 4", the time "2:18", and various system icons.
