OMB Control No: 0970-0370 Expiration Date: xx/xx/xxxx

Department of Health and Human Services Administration for Children and Families Office of Child Support Services

Agreement to Exchange Electronic National Medical Support Notices

By completing and providing the information on this form, the state agrees it will:

Transmit NMSNs electronically to employers, plan administrators, third-party processors, and agents that participate in the OCSS e-NMSN process.

Treat e-NMSNs in the same manner as mailing paper notices to the employer. Consider the electronic version of the NMSN admissible as evidence in the same way as paper documents.

Not impersonate any individual, entity, or association; use false headers; or otherwise conceal or provide misleading information when sending NMSNs electronically.

Provide true, correct, current, and complete information about the state identified in the profile form.

Provide written notice to the federal Office of Child Support Services at least 30 days before you intend to stop sending e-NMSNs.

Agree to accept paper versions of the Part-B response from plan administrators, unions, or labor organizations not participating in the OCSS e-NMSN process.

Acknowledge it is the state's responsibility to contact an employer directly if a Part-A and, when appropriate, Part-B response is not received after sending an e-NMSN.

- 1. In the Standard/State-Supplied File Naming Convention column, in the table below select whether you want to use your state's file naming convention or the OCSS standard file naming convention.
- 2. In the File Naming Convention column:
 - Enter the file naming convention if you are using your state's file naming convention. For example, for files with notices (Outgoing State Notice Files), you can enter enmsn.mybiz.notices.txt. This is the name of the file you will send that includes your notices.
 - Select OCSS Standard if you are using the OCSS standard file naming convention. An example file name is in the table below. For more information about file naming conventions and formats, refer to the <u>e-NMSN</u> Software Interface Specifications.
- 3. If states will receive FEIN push files, select the **State-Supplied** radio button in the Standard/State-Supplied File Naming Convention column and enter the state's file naming convention in the File Naming Convention column. There is no OCSS standard file naming convention for FEIN push files.
