GENERAL AND SPECIFIC INSTRUCTIONS

(Items not listed are self-explanatory)

This application must be prepared in *duplicate* and filed with the appropriate BLM Field Manager in which the lands applied for are situated.

This application must be accompanied by a certification of reindeer allotment to you, signed by the Bureau of Indian Affairs, if you are to receive a herd from the Government. If you obtain reindeer from a source other than the Government, you should state the source and show evidence of purchase or option to purchase.

This application must be accompanied by a separate detailed description of your plans for stocking and operating the proposed permitted area. This plan should include (1) a description and the estimated cost of all structures and improvements you intend to place on the land; (2) a schedule for completion of the improvements; (3) the source of livestock and method of transporting them to the lease area; (4) your plans for marketing the products, including how you will dispose of carcasses or waste products; and (5) how you will access the land during herding activities

Item 3: Describe land, if surveyed, by legal subdivision, section, township, and range; if un-surveyed, by metes and bounds description tied to some corner of the public land surveys, if possible, or with reference to rivers, creeks, mountains, islands or other natural objects or monuments, with approximate acreage. You may also submit a USGS 1:250,000 scale map with the area requested clearly indicated.

Item 4b: If applicant is a corporation, it should furnish a copy of its articles of incorporation, evidence of authority to transact business in Alaska, and evidence of the authority of its officers to execute the grazing permit.

The E-Government Act and OMB require that you be furnished with the following information in connection with the information requested by this form.

AUTHORITY: 43 U.S.C. 315, 43 U.S.C. 1752, 43 U.S.C. 1181d, and 43 CFR subpart 4120 permit collection of the information requested by this form.

PRINCIPAL PURPOSE: The BLM will use the information you provide to issue a permit for reindeer grazing and the construction, use, and maintenance of range improvements on its public lands.

ROUTINE USES: The BLM will only disclose this information in accordance with the Freedom of Information Act, the Privacy Act, and the Debt Collection Improvement Act.

EFFECT OF NOT PROVIDING INFORMATION: Submission of the requested information is necessary to obtain or retain a benefit. Failure to submit all of the requested information or to complete this form may result in delay and/or denial of your application.

Paperwork Reduction Act of 1995

The Paperwork Reduction Act of 1995 requires us to inform you that furnishing the information on this form is voluntary, however, failure to provide all or part of the requested information may result in the rejection of the permit application. The BLM collects this information to determine assessment of the compatibility of reindeer grazing on public lands with multiple-use objectives of 43 CFR part 4300. Response to this request is required to obtain a benefit of a reindeer grazing permit. The BLM would like you to know that you do not have to respond to this or any other Federal agency-sponsored information collection unless it displays a currently valid OMB control number. The OMB control number for this form is 1004-0182.

BURDEN HOURS STATEMENT: Public reporting burden for this form is estimated to average 1 hour per response including the time for reviewing instructions, gathering and maintaining data, and completing and reviewing the form.
