For BOEM to consider withholding your PII from disclosure, you must identify any information contained in your comments that, if released, would constitute a clearly unwarranted invasion of your personal privacy. You must also briefly describe any possible harmful consequences of the disclosure of information, such as embarrassment, injury, or other harm. Even if BOEM withholds your information in the context of this RFI, your submission is subject to FOIA and, if your submission is requested under FOIA, your information will be withheld only if a determination is made that one of FOIA's exemptions to disclosure applies. Such a determination will be made in accordance with the Department's FOIA regulations and applicable law.

c. Section 304 of the National Historic Preservation Act (NHPA) (54 U.S.C. 307103(a))

After consultation with the Secretary, BOEM is required to withhold the location, character, or ownership of historic resources if it determines that disclosure may, among other things, risk harm to the historic resources or impede the use of a traditional religious site by practitioners. Indigenous Peoples, communities, and organizations should designate information that falls under section 304 of the NHPA as confidential.

Agency Information Collection Activities; Abandoned Mine Land Problem Area Description Form

AGENCY: Office of Surface Mining Reclamation and Enforcement, Interior.

ACTION: Notice of information collection; request for comment.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, we, the Office of Surface Mining Reclamation and Enforcement (OSMRE),

are proposing to renew an information collection.

DATES: Interested persons are invited to submit comments. To be considered, your comments must be received on or before July 16, 2025.

ADDRESSES: Written comments and recommendations for this proposed information collection request (ICR) should be sent to www.reginfo.gov/public/do/PRAMain. You may find this particular ICR by selecting "Currently under 30-day Review—Open for Public Comments" or by using the search function. Please provide a copy of your comments to William Frankel, Office of Surface Mining Reclamation and Enforcement, 1849 C Street NW, Room 4547-MIB, Washington, DC 20240, by email to wfrankel@osmre.gov, or by phone at (202) 208-0121. Please reference OMB Control Number 1029-0087 in the subject line of your comments.

Individuals in the United States who are deaf, deafblind, hard of hearing, or have a speech disability may dial 711 (TTY, TDD, or TeleBraille) to access telecommunications relay services. Individuals outside the United States should use the relay services offered within their country to make international calls to the point-of-contact in the United States. You may also view the ICR at <https://www.reginfo.gov/public/do/PRAMain>.

SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995 (PRA; 44 U.S.C. 3501 *et seq.*) and 5 CFR 1320.8(d)(1), we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. This helps us assess the impact of our information collection requirements and minimize the public's reporting burden. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

A **Federal Register** notice with a 60-day public comment period soliciting comments on this collection of information was published on November 22, 2024 (89 FR 92717). No comments were received.

As part of our continuing effort to reduce paperwork and respondent burdens, we are again soliciting comments from the public and other Federal agencies on the proposed ICR that is described below. We are especially interested in public comment addressing the following:

(1) Whether or not the collection of information is necessary for the proper performance of the functions of the agency, including whether or not the information will have practical utility;

(2) The accuracy of our estimate of the burden for this collection of information, including the validity of the methodology and assumptions used;

(3) Ways to enhance the quality, utility, and clarity of the information to be collected; and

(4) How might the agency minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, *e.g.*, permitting electronic submission of response.

Comments that you submit in response to this notice are a matter of public record. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.

Abstract: The problem area description (PAD) form is used to update the OSMRE's electronic inventory of abandoned mine lands (e-AMLIS); an inventory of abandoned mine lands is required by section 403(c) of the Surface Mining Control and Reclamation Act of 1977, as amended (30 U.S.C. 1233(c)). From this inventory, the most serious problem areas are selected for reclamation through the apportionment of funds to States and Indian tribes.
