Information Collection Requirement

Title: Imposition and Collection of Passenger Civil Aviation Security Service Fees.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0001.

Forms(s): TSA Form 2502.

Affected Public: Air carriers and foreign air carriers.

Abstract: TSA is required by 49 U.S.C. 44940 to impose a uniform fee on passengers to pay for certain costs of providing civil aviation security services. Implementing regulations in 49 CFR part 1510 require air carriers and foreign air carriers to collect the "September 11th Security Fee" from passengers and to remit the fee monthly to TSA. The fee is established under 49 U.S.C. 44940 to partially offset Federal Government costs of providing aviation security through TSA programs.

Under 49 U.S.C. 44940(e)(4), TSA is authorized to "require the provision of such information as the Administrator . . . decides is necessary to verify that fees have been collected and remitted at the proper times and in the proper amounts." Consistent with this authorization, 49 CFR 1520.17. Air carriers and foreign air carriers are

further required to submit quarterly reports to TSA that provide an accounting of fees imposed, collected, refunded to passengers, and remitted to TSA and to retain this data for 3 years. TSA has suspended an additional requirement for air carriers with over 50,000 passengers to submit annual audits of its fee collections and remittance; this requirement may be reinstated in the future.

In December 2013, the fee was statutorily restructured to be based on one-way trips rather than enplanements (the statute was further amended in 2014 to impose a cap of \$11.20 per round trip). In 2014 and 2015, TSA published interim final rules to implement these amendments to 49 U.S.C. 44940. See 79 FR 35461 (June 20, 2014) and 80 FR 31850 (June 5, 2015), respectively. This information collection request covers both the quarterly reports and the estimated impact should annual audits be reinstated in the future.

Estimated Annual Number of Respondents: 301.

Estimated Annual Burden Hours: 3,012.

Dated: November 20, 2024.
