## ☐ I understand that a false statement on any part of this questionnaire may be grounds for not selecting me for or removing me from the FFDO Program. I also understand that I may be punished by fine or imprisonment for falsification of my volunteer questionnaire in accordance with 18 U.S.C. 1001 and/or other applicable provisions. ☐ I understand that information I give may be investigated as allowed by law or Presidential order. ☐ I understand that any information I provide or that is collected about me may be provided to the FAA consistent with TSA policies for doing so. ☐ I certify that, to the best of my knowledge and belief, ALL of the information provided on this questionnaire is true, accurate, complete, and is made in good faith. ☐ I understand that if accepted into the FFDO program I must be available on my own time to attend all initial and subsequent training to achieve or retain FFDO status. ☐ I understand that if deputized as an FFDO I must be willing and may be required to use deadly force. ☐ I understand that if deputized as an FFDO it is my responsibility to self-report to TSA any change in my circumstances that may affect my eligibility to remain in the FFDO program. ☐ Participation in the FFDO program is voluntary so you are not eligible for compensation from the federal government for your service as a program member. Do you understand and are you willing to commit the time and personal resources necessary to complete those training requirements? As an FFDO you will be required to input all flight schedules to include short notice schedule changes into a secured database known as the FFDO Dashboard. These entries are instrumental in the management of assets during national security incidents. Will you fully comply with this requirement? As an FFDO you are considered a federal law enforcement officer only for the limited purposes of carrying firearms and using force, including deadly force to defend the flight deck of an aircraft from air piracy or criminal violence. FFDOs are not granted or authorized to exercise other law enforcement powers such as to make arrests, to seek or execute search warrants, to seize evidence, or to otherwise act as a federal law enforcement officer outside the jurisdiction of aircraft flight deck. Do you understand and will you fully comply with this very limited jurisdiction and authority? As an FFDO, you are only authorized to carry the firearm in your issued holster while inside a locked flight deck. When transporting the weapon, it must be locked in the issued Non Descript Bag. You are not authorized to carry the firearm in any other manner outside of the locked flight deck. Do you understand this restriction and will you fully comply with this directive? ☐ Information regarding the FFDO program such as your identity as an FFDO and program Standard Operating Procedures are considered Sensitive Security Information, or SSI. Because of this SSI designation, you may only disclose your participation in the program to persons with a need to know. FFDOs cannot use their position, credentials, or program information outside of program guidelines. Will you comply with the restrictions associated with this SSI designation? Once you are deputized, you will be fingerprinted and an additional, extensive criminal history check will be conducted. If it is discovered that you have provided false information or omitted any criminal history, even beyond the requested 10-year period, and that information is determined to be, or to have been, a disqualifier from entry in to the FFDO program, the Program Office reserves the right to revoke deputation and direct you to return all TSA issued equipment. Do you acknowledge and understand this statement?
