The National Center for Education Statistics (NCES) is authorized to conduct the Early Childhood Longitudinal Study (ECLS) by the Education Sciences Reform Act of 2002 (ESRA 2002, 20 U.S.C. §9543). The data are being collected for NCES by Westat, a U.S.-based research organization. All of the information you provide may be used only for statistical purposes and may not be disclosed, or used, in identifiable form for any other purpose except as required by law (20 U.S.C. §9573 and 6 U.S.C. §151). According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this voluntary information collection is 1850-0750. The time required to complete this information collection is estimated to average approximately 22 minutes per survey including the time to review instructions and complete and review the information collection. If you have any comments concerning the accuracy of the time estimate, suggestions for improving this information collection, or any comments or concerns regarding the status of your individual submission of these data, please write directly to: Early Childhood Longitudinal Study, National Center for Education Statistics, PCP, 550 12th St., SW, 4th floor, Washington, DC 20202. OMB No. 1850-0750. Approval expires 2/28/2027.

**Early Childhood Longitudinal Study
School Administrator Survey
Spring 2025 – Form SAQ1A**

Dear School Administrator,

The **Early Childhood Longitudinal Study, Kindergarten Class of 2023-24 (ECLS-K:2024)** is collecting information from schools attended by children who are in the study to investigate the relationship between children's academic progress and various school, classroom, teacher, and child characteristics. You have been asked to complete this survey because one or more of the children in your school are participants in this study. Taking part in the study is voluntary. You may stop at any time or choose not to answer a question you do not want to answer.

Although we realize you are very busy, we urge you to complete this survey as completely and accurately as possible. Please feel free to ask other knowledgeable members of your staff to provide the information necessary to complete various sections of the survey. If you would like to look at the survey questions as a whole to see if you need to gather information from other school staff in order to respond to the survey, please download the survey worksheet from the MyECLS Portal. However, we ask that you, yourself, please complete the school administrator/principal information section, which is about your own background and characteristics.

Some of these questions, or the timeframe of the school year referred to, may not directly apply to you or your school, but just answer the best you can.

Please record your answers directly on the survey by marking the appropriate answer (as described in the instructions on page v) or by writing your responses in the space provided. Your best estimates are acceptable answers.

Definitions

Bilingual Instruction: Instruction in all courses and subjects given in English and the native language of the child of limited English proficiency to the extent necessary to allow the child to achieve competence.

Chronically absent: Missing ten percent or more of the academic year for any reason.

Dual Language Instruction: Also known as two-way immersion, the goal of these programs is for students to develop language proficiency in two languages by receiving content instruction in English and another language in a classroom that usually consists of both native English speakers and native speakers of the other language.

English language learner (ELL): A student whose native language is one other than English and whose skills in listening to, speaking, reading, or writing English are such that he or she has difficulty understanding school instruction in English.

ESL Instruction: A program of techniques, methodology, and special curriculum designed to teach ELL students English language skills, which may include listening, speaking, reading, writing, study skills, content vocabulary, and cultural orientation. ESL instruction is usually in English with little use of native language.

Homelessness: Lacks a fixed, regular, and adequate nighttime residence, including but not limited to sleeping in a shelter designated for temporary living accommodations or in places not designated for human habitation.

Individualized Education Program (IEP): A written statement of the educational program designed to meet the individual needs of a school-aged child with a disability that is judged to affect the child's educational performance. Children who receive special education services under the Individuals with Disabilities Education Act (IDEA) are expected to have an IEP or an IFSP.

Kindergarten: Kindergarten includes regular kindergarten, transitional (or readiness) kindergarten, transitional first (or pre-first) grade, or a program that is a kindergarten equivalent but is ungraded or has multiple grades.

Lockdown: Lockdown is a sheltering technique used to limit exposure of occupants within a facility to an imminent hazard or threat outside. A lockdown requires locking doors and windows and barricading or blocking entry to a facility, classroom, or office.

Migrant families: A family that moves from place to place to get work (for example, as farm laborers who harvest crops seasonally).

Multi-Tiered System of Support (MTSS): A model or approach to instruction that provides increasingly intensive and individualized levels of support for academics (for example, Response to Intervention or RtI) and for behavior (for example, Positive Behavioral Interventions and Supports or PBIS).

Parent Teacher Association, Parent Teacher Organization, or Parent-Teacher-Student organization:

The PTA is the Parent Teacher Association and is usually associated with the state or national PTA. A PTO is a Parent-Teacher Organization that is independent from a state or national organization. A Parent-Teacher-Student organization involves parents, teachers, and school staff to facilitate family involvement.

Percent average daily attendance: To calculate percent average daily attendance, divide the number of students attending on an average day by the number of students enrolled and then multiply by 100.

In other words:

$$\left(\frac{\text{number of students attending on an average day}}{\text{number of students enrolled}} \right) \times 100$$

Prekindergarten: Prekindergarten includes early childhood education programs, nursery school, or preschool.

Positive Behavior Interventions and Supports (PBIS): PBIS programs identify and support positive behavior in the classroom by teaching students positive behavior strategies.

Schoolwide program: A schoolwide program may use Title I funds to improve the quality of educational programs and services throughout the school. A school may use Title I funds for a schoolwide program if at least 40 percent of its students are from low-income families, or if it receives a waiver permitting it to operate a schoolwide program.

Shelter in place: Shelter in place means to take immediate shelter where you are within a facility or structure to provide protection (for example, weather emergency, environmental hazard, nearby police activity).

Social-Emotional Learning (SEL) program: SEL programs teach critical social and emotional competencies necessary for academic and life success such as: resiliency, self-management, expressing feelings with words, and responsible decision-making skills.

Targeted assistance program: A targeted assistance program uses Title I funds to provide supplemental academic services (usually in reading and/or math) to specific students, sometimes referred to as "Title I students," who have been identified as low achieving.

Title I: Title I (Improving the Academic Achievement of the Disadvantaged) is a program of the Elementary and Secondary Education Act (ESEA) of 1965, as reauthorized under the Every Student Succeeds Act of 2016. The purpose of this program is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on state academic achievement standards and state academic assessments.

Title III: Title III (Language Instruction for Limited English Proficient and Immigrant Students) is a program of the Elementary and Secondary Education Act (ESEA) of 1965, as reauthorized under the Every Student Succeeds Act of 2016. One of the main purposes of this program is to help ensure that children who have limited proficiency in English, including immigrant children and youth, attain English proficiency, develop high levels of academic attainment in English, and meet the same state academic content and student academic achievement standards as all students are expected to meet.

Transitional (or readiness) kindergarten (TK): A transitional kindergarten (TK) program is an extra year of school before kindergarten starts. It is different from preschool, Head Start, or prekindergarten. TK may be for children who are too young to start kindergarten or need more time to be ready for kindergarten. Schools have different names for these programs (for example, early transitional kindergarten (ETK), readiness kindergarten, or a kindergarten equivalent in a classroom without grades or one with multiple grades), but all are types of kindergarten. The program may be in a public or private school, or an early childhood setting such as a nursery school, early childhood learning center, or day care center. It may be a full- or part-day program and have regular and/or special education.

Transitional first (or pre-first) grade: Transitional first (or pre-first) grade is a school program between kindergarten and the first grade. The name of this program may vary by school (for example, a K-1 class or placement). It is for children who have attended kindergarten, but need more time to be ready for the first grade. Children in this program may be part of a regular first-grade classroom or in a separate classroom.

Ungraded: A classroom containing children with an age span of two or more years, not formally identified by grade(s).

504 Plan: A written plan to provide appropriate services to a child with a disability, whether or not the disability is judged to affect the child's educational performance. Speech therapy services may often be specified as part of a Section 504 plan.

MARKING DIRECTIONS

PLEASE READ CAREFULLY AND USE A BLACK OR BLUE BALL POINT PEN TO COMPLETE THIS SURVEY. DO NOT USE PENCIL OR FELT-TIP PEN.

MARKING BOXES

It is important that you mark an "X" in the box next to your answers and print clearly.

Shown below is the correct way to mark your answers, along with examples of incorrect ways.

Correct Mark:

Incorrect Marks:

Light and thin, outside the box, thick or scrawled.

How to Change an Answer:

Completely black out the box of the incorrect answer and mark an "X" in the box next to the correct answer.

PRINTING ANSWERS IN BOXES:

Answers should be printed clearly and should not touch or cross any of the box lines. Do not cross zeroes or sevens. That is, do not write a zero with a line through it like this – 0, and do not write a seven with a line through it like this – 7.

Write one number per box like this:

1	2	3	4	5	6	7	8	9	0
---	---	---	---	---	---	---	---	---	---

Write words like this:

John Smith
