Authority: The authority for collecting the information is Title 49 U.S.C. 44101 which requires the registration of each United States civil aircraft as a prerequisite to its operation. Operation of an aircraft that is not registered may subject the operator to a civil penalty.

Purpose: The principal purpose for collecting the information is for aircraft registration.

Routine Uses: The information collected will be included in the System of Records Notice (SORN) [DOT/FAA 801, Aviation Registration System, 88 FR 53951 - August 9, 2023](#) and will be subject to the published routine uses, including:

Emails and telephone numbers of small unmanned aircraft system (sUAS) owners registered under 14 CFR part 48 will not be disclosed to the Public pursuant to this Routine Use.
- To law enforcement, when necessary and relevant to an FAA enforcement activity.
- To government agencies, whether Federal, State, Tribal, local or foreign, information necessary or relevant to an investigation of a violation or potential violation of law, whether civil, criminal, or regulatory, that the agency is charged with investigating or enforcing; as well as, to government agencies, whether Federal, State, or local responsible for threat detection in connection with critical infrastructure protection.

Disclosure: Submission of the information is voluntary; however, an incomplete submission may prevent or delay issuance of your registration certificate.
