State Program Section

This report covers all relocation and real property acquisition activities under a Federal or a federally assisted project or program, within a state, subject to the provisions of the Uniform Act [this information is collected pursuant to 49 CFR Part 24.9(c)]. An agency may provide what it believes to be reasonable estimates if exact numbers are not easily available. The full amount of a relocation payment shall be reported as if disbursed in the year during which the claim was approved, regardless of whether the payment is to be paid in installments. Data should be reported based on the 2025 Federal fiscal year (October 1, 2024 through September 30, 2025). *Please note that Lines 10 and 14 of this form have been omitted as those answers will be auto calculated based on responses to Lines 6-7, and 12-13.* **This report is due to the Lead Agency as soon as possible after September 30, but no later than November 15.**

Line 1. Report all parcels acquired.

Report all parcels acquired during the report year where title or possession was vested in the agency during the reporting period. The parcel count reported should relate to ownerships and not to the number of parcels of different property interests (such as fee, perpetual easement, temporary easement, etc.) that may have been part of an acquisition from one owner. For example, an acquisition from a property that includes a fee simple parcel, a perpetual easement parcel, and a temporary easement parcel should be reported as 1 parcel not 3 parcels. (Include parcels acquired without Federal financial assistance if there was or will be Federal financial assistance in other phases of the program). *
