					erwork Reduction Act of 1995, 44 U.S.C. §§ 35	01-		
This information collection is mandatory under 49 C.F.R. § 1243.2. The estimated hour burden for filing this report issix hours per report. The board uses the information in this report to ensure competitive, efficient and safe transportation through general oversight programs that monitor and forecast the financial and operating condition of railroads, and through specific regulation of railroad rate and service issues and rail restructuring proposals, including railroad mergers, consolidations, acquisitions of control and abandonments. Information from the reports is used by the Board, other Federal agencies, and industry groups to assess industry growth and operations, detect changesin carrier financial stability, and identify trends that may affect the National Transportation System. Information from these reports is compiled by the Board and published on its website, www.stb.dot.gov, where it may be maintained indefinitely. The compilation report is entitled Class I Railroads, Selected Earnings Data. All information collected through this report is available to the public. In addition, paper copies of individual reports are maintained by the Board for ten years, after which they are destroyed. Under the PRA, a federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with, a collection of information unless it displays a currently valid OMB control number. Comments and questions about this collection (2140-0012) should be directed to Paperwork Reduction Officer, Surface Transportation Board, 395 E Street, S.W., W ashington, DC 20423-0001.								
		CER	TIFICATION
