A. Overview of Information Collection

Title of Information Collection: Public Housing Agency (PHA), Lease Requirements, Recordkeeping Requirements.

OMB Approval Number: 2577–0006.

Type of Request: Revision with change of a currently approved collection.

Form Number: NA.

Description of the need for the information and proposed use: The Public Housing (PH) dwelling lease and grievance procedures are required by the United States Housing Act of 1937,

specifically under Sections 6(k) and 6(l). These sections outline requirements such as establishing administrative grievance procedures for Public Housing Agencies (PHAs), utilizing leases with a 12-month term automatically renewed except for specific noncompliance instances, and specifying lease provisions for families paying the alternative non-public housing rent (alternative rent). Detailed regulations can be found in 24 CFR part 966—Public Housing Lease and Grievance Procedure, Subpart A—Dwelling Leases, Procedures, and Subpart B—Grievance Procedures and Requirements. Upon renting and receiving rental housing assistance, residents must sign a lease and acknowledge the grievance procedures, as outlined by the Department of Housing and Urban Development (HUD). PHAs are responsible for maintaining records and following these procedures, ensuring consistency with HUD’s legal and administrative obligations.

The implementation of the Housing Opportunity Through Modernization Act of 2016 (HOTMA) created new lease requirements in both section 24 CFR 960.507 and 24 CFR 960.509 and made modifications to section 24 CFR 966.4 (a)(2)(iii). PHAs must now modify the PH lease to become month-to-month in the period before termination of an over-income family and 24 CFR 960.509 explains the new lease requirements for Non-Public Housing Over-Income (NPHOI) families. 24 CFR 960.509 stipulates that over-income families permitted to continue as tenants must pay the alternative rent and sign the lease for NPHOI families no later than either the next lease renewal or 60 days after receiving the third notification outlined in 24 CFR 960.507(c)(3), whichever comes first. HUD specifies various provisions required in leases for NPHOI families, including details about lease parties, duration, covered costs, renewal or termination procedures, tenant rent and potential charges, usage rights, PHA and tenant responsibilities, repair and access obligations, lease termination processes, grievance procedures, and modification protocols.
