The PHMOD is proposing the following non-substantive change to two forms in this collection:

HUD 50075-SM:

- 1) In form HUD 50075-SM, two plan elements and the associated instructions were removed to maintain compliance with the streamlined requirements found at §903.12. Specifically, in sub-section B.1 (Year 5 submission) of the form, the elements of ‘Safety and Crime Prevention’ and ‘Pet Policy’ have been removed.
- 2) Also, the numbering for the sub-section B.1 (Years 1- 4 submissions) has also been updated to match the numbering convention used in the instruction, Specifically, B.2 and B.4 have been changes to B.1 and B. 2 respectively to be consistent with the numbering used in the instructions section.

HUD 50077-SL:

- 3) In form HUD 50077-SL, the signature line has been updated from inadvertently requiring the signature of the Executive Director and Board Chairperson to ‘Name of Authorized Official’.

These changes will have no impact on the information collection burden hours or costs.
