## **SURVEY OF HEALTHCARE EXPERIENCES OF PATIENTS**

### **DENTAL CARE PATIENT SATISFACTION SURVEY (DPSS)**

In order for the VA to carry out its mission to provide the best possible medical care and services to eligible Veterans, it is extremely important that you complete and return this survey booklet. Your answers will help ensure that all Veterans receive the high-quality care they have earned and so richly deserve.

We want to remind you that all information is strictly anonymous. The check-box responses you provide to the survey questions will not be connected with you personally but combined with the opinions of other Veterans and shared with the VA facility providing your care. However, any additional information which you provide including comments written in the margins, letters, and other enclosures will be shared with the Medical Center Director or appropriate staff at your facility if it is the best way to address your concerns, unless you instruct us not to. Participation is voluntary and your answers to the survey will not affect the healthcare you receive or your eligibility for VA benefits.

If you have a specific question or need help with your VA care, you may contact the VA as described at the end of this survey booklet.

**Thank you very much!**
