INSTRUCTIONS - SECTION 6: ABILITYONE REQUIREMENTS:

- Lines 6.A-6.L requires the NPA to certify an answer of “Yes”, “No” or “N/A” by marking each statement with an “” as appropriate. If the NPA marks “No” for any of the statements in lines 6.A-6.L, the NPA is required to provide an explanation in the form of an attachment, as instructed in the form.

NOTE: Additional guidance and clarifications are provided below for “Section 6: AbilityOne Requirements” statements.

Guidance and Clarifications

- Attached Appendices are to include a proposed corrective action plan for approval by the Commission or a plan already approved by the Commission. Each Appendix is limited to a maximum response of three (3) pages.
- Any certification by an NPA of “No” for lines 6.A-6.L means the NPA acknowledges it is not in compliance with the AbilityOne Program regulations. Non-compliant NPAs may be placed on probation, which would make the NPA ineligible for new AbilityOne work. While on probation, the NPA may also be subject to the removal of its authorization to provide a product or service from the Procurement List or removal from the AbilityOne Program.

NOTE: Commission policy, “51.403, Nonprofit agencies out of compliance with Commission Regulations,” will govern the process used by the Commission to evaluate non-compliant NPAs.

INSTRUCTIONS - SECTION 7: NONPROFIT AGENCY REQUIREMENTS:

- Lines 7.A-7.G requires the NPA to certify an answer of “Yes” or “No” by marking each statement with an “☒” as appropriate. If the NPA marks an answer in any of the statements in lines 7.A-7.G requesting an attachment, the NPA is required to provide an explanation in the form of an attached Appendix for EACH line marked, as instructed in the form.

Guidance and Clarifications

- Attached Appendices are to include a narrative explanation of the specific situation related to the “No” answer to a specific statement in lines 7.A-7.G.
- Section 7 consists of seven statements related to the operations of your NPA. A response of “yes” or “no” does not imply your NPA is not in compliance. Some responses, however, may be a concern to the Commission about an NPA’s ability to correctly function within the AbilityOne Program as a Federal Government contractor and may result in requests for additional information.

INSTRUCTIONS - SECTION 8: ABILITYONE PROGRAM INTEGRITY:

- Lines 8.A-8.E require the NPA to certify the answer of “Yes” or “No” by marking each statement with an “☒” as appropriate. If the NPA marks “Yes” for any of the statements in lines 8.A-8.E, the NPA is required to provide an explanation in the form of an attached Appendix for EACH line marked “Yes”, as instructed in the form.

Guidance and Clarifications

- Attached Appendices are to include a narrative explanation of the specific situation related to the “Yes” answer to a specific statement in lines 8.A-8.E.
- Section 8 consists of statements your NPA answered as part of the annual System Award Management (SAM) certification. As the answers to these questions can result in the removal of the contract from your NPA, the Commission must know how these questions were answered by your NPA in the SAM certification.
