Interview Invitation for Principal
Investigators and Potential Principal
Investigators**

Subject: Help us improve the Noyce Program – Participate in an interview

Dear **[NAME]**,

Thank you for your participation in the evaluation of the Noyce Program thus far! In addition to the demographic questionnaire that you recently completed, we would like to invite you to participate in a **60-minute interview** to share more about your perspectives on STEM teacher preparation/leadership and the Noyce Program.

Your feedback is crucial for our evaluation to (a) understand overall perceptions of the Noyce Program from both individuals who have applied for and/or received a Noyce award and those who have never applied and/or been awarded and (b) identify what is working well and opportunities for growth.

As with the demographic questionnaire, we will do everything we can to keep your interview responses confidential, and we will not share individually identifiable information with anyone (including NSF staff or other Noyce project members) outside of the WKC Evaluation Team.

Please use the following link to schedule a timeslot for your interview:

Once you reserve a timeslot, you will receive a confirmation email and the meeting information. If none of these times work for you or if you have any questions, please contact WKCNoyceEval@WhitworthKee.com or reply to this message. If you would like additional information about the evaluation, please visit our evaluation website at this link: <https://whitworthkee.com/nsf-noyce-program-evaluation/>.

We appreciate your consideration and look forward to hearing your perspective.

Sincerely,

The WhitworthKee Consulting Evaluation Team
