

**Attachment 10b:  
Reminder - Interview Invitation for  
Principal Investigators and Potential  
Principal Investigators**

**Subject:** Reminder: Help us improve the Noyce Program – Participate in a focus group

Dear **[NAME]**,

We are following up on our previous email inviting you to participate in a **60-minute interview** for the Noyce Program evaluation. We thank you again for recently completing the demographic questionnaire for the evaluation, and we are interested in hearing more of your perspectives about STEM teacher preparation/leadership and the Noyce Program.

Your feedback is crucial for our evaluation to (a) understand overall perceptions of the Noyce Program from both individuals who have applied for and/or received a Noyce award and those who have never applied and/or been awarded and (b) identify what is working well and opportunities for growth.

As with the demographic questionnaire, we will do everything we can to keep your interview responses confidential, and we will not share individually identifiable information with anyone (including NSF staff or other Noyce project members) outside of the WKC Evaluation Team.

Please use the following link to schedule a timeslot for your interview:
