Subject: Reminder: Help shape the future of STEM teacher preparation and leadership – Noyce Program Evaluation

Dear **[NAME]**,

We are following up on our previous email inviting you to participate in an evaluation of the **Robert Noyce Teacher Scholarship Program** (the Noyce Program). WhitworthKee Consulting (WKC) was contracted by the National Science Foundation (NSF) to evaluate components of the Noyce Program, and you are receiving this email because of your interest in the Noyce Program as a potential Principal Investigator (PI).

Your participation is crucial to ensuring the evaluation is successful in its goals to (a) understand overall perceptions of the Program from both individuals who have applied for and/or received a Noyce award and those who have never applied and/or been awarded and (b) identify what is working well and growth opportunities.

If you agree to participate in the evaluation, you will first be asked to complete a **questionnaire** that asks about you, your educational and professional experiences, and your involvement with the Noyce Program (*estimated time commitment: 20 minutes*). Later in the evaluation, between Fall 2024 and Summer 2025, you may receive information about participating in **an interview** where you will be invited to provide your perspectives on STEM teacher preparation/leadership and the Noyce Program. If you choose to participate, we will do everything we can to keep your responses confidential, and we will not share individually identifiable information with anyone (including NSF staff or other Noyce project members) outside of the WKC Evaluation Team.

If you would like to participate in the evaluation, please use the following link to complete the demographic questionnaire at your earliest convenience: **[LINK]**

If you have any questions, please contact WKCNoyceEval@WhitworthKee.com or reply to this message. If you would like additional information about the evaluation, please visit the evaluation website: <https://whitworthkee.com/nsf-noyce-program-evaluation/>. If you'd like to learn more about WhitworthKee Consulting, you can find more information at the WKC website: <https://whitworthkee.com/>.

We appreciate your consideration and look forward to hearing your perspectives.

Sincerely,

The WhitworthKee Consulting Evaluation Team
