- 1) The law which allows us to ask for the information;
- 2) whether that law requires you to give us that information and what, if anything, might happen to you if you do not give it to us;
- 3) the reason why the information is requested; and
- 4) the persons, organizations, and agencies to which we may release the information without your permission.

The RRB is authorized to collect the information on this form under sections 7(b) and 7(d) of the Railroad Retirement Act and sections 226, 1836 and 1840 of the Social Security Act, as amended. The information on this form is needed to enable the RRB to determine your eligibility to monthly benefits and entitlement to hospital and/or medical insurance coverage. While you do not have to furnish the information requested on this form, no hospital or medical insurance can be provided until an application has been received. Failure to provide all or part of the information requested could prevent an accurate and timely decision on your claim and could result in the loss of hospital or medical insurance.

Although the information you furnish on this form is almost never used for any other purpose than stated above, there is a possibility that for the administration of the Railroad Retirement, Social Security, and the Centers for Medicare & Medicaid Services programs, information may be disclosed to another person or to another government agency as follows:

- 1) Beneficiary identification, enrollment status and premium deductions information may be released to the Social Security Administration and the Centers for Medicare & Medicaid Services to correlate action with the administration of Title II and Title XVIII (MEDICARE) of the Social Security Act.
- 2) Beneficiary identification may be disclosed to third party contacts to determine if incapacity of the beneficiary or potential beneficiary to understand or use benefits exists, and to determine the suitability of a proposed representative payee.
- 3) Jurisdictional clearance, premium rate, coverage election, paid-thru date, and amounts of payments in arrears may be released to the Social Security Administration and the Centers for Medicare & Medicaid Services to assist in administering Title XVIII of the Social Security Act.

- 4) The last address information may be disclosed to the Department of Health and Human Services in conjunction with the Parent Locator Service.
- 5) Beneficiary identification, entitlement data and rate information may be referred to the Department of State and embassy officials to aid in the development of applications, supporting evidence and the continued eligibility of beneficiaries and potential beneficiaries living abroad.
- 6) Records may be released to the Government Accountability Office for auditing purposes and for collection of debts arising from overpayments under Title XVIII of the Social Security Act, as amended.
- 7) Disclosure may be made to a congressional office from the record of an individual in response to an inquiry from the congressional office made at the request of that individual.
- 8) Pursuant to a request from an employer covered by the Railroad Retirement Act or the Railroad Unemployment Insurance Act, information regarding the RRB's determination of Medicare entitlement, entitlement data and present address may be released to the requesting employer for the purposes of determining entitlement to and rates of supplemental benefits payable under private employer welfare benefit plans.

We estimate this form takes an average of 8 minutes per response to complete, including the time for reviewing the instructions, getting the needed data, and reviewing the completed form. Federal agencies may not conduct or sponsor, and respondents are not required to respond to, a collection of information unless it displays a valid OMB number. If you wish, send comments regarding the accuracy of our estimate or any other aspect of this form, including suggestions for reducing completion time, to Associate Chief Information Officer for Policy and Compliance, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-1275.
