Dear Ms. Patel,

The Railroad Retirement Board (RRB) requests to make a non-substantive change to a currently approved collection (3220-0039), Railroad Unemployment Insurance Act Applications.

We would like to modify SI-7, Supplemental Doctor's Statement. The change will be to update the return address to our new contractors located in Houston, TX on page 1.

The RRB is aware that this clearance expires on July 31, 2024, and we plan to follow PRA guidelines to obtain approval; however, we are unable to delay this change as it is vital to the RRB's mission of administering comprehensive retirement-survivor and unemployment-sickness benefit to the nation's railroad workers and their families. In the spirit of transparency, we want to inform you of this change so that when we do submit the clearance to you for approval, this change is documented into ROCIS to avoid any confusion when the clearance comes up for renewal.

Hopefully, OMB approves the request so that we can ensure railroad applicant receive benefits in a timely manner.

Please contact me at 312-751-4826 if you have any questions.

Sincerely,

Brian D. Foster
Clearance Officer
