SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–620, OMB Control No. 3235–0675]

Proposed Collection; Comment Request; Extension: Rule 15Ga–2 and Form ABS–15G

Upon Written Request Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection of information to the Office of Management and Budget for extension and approval.

Rule 15Ga–2 and Form ABS–15G (17 CFR 249.1400) is used for reports of information required under Rule 15Ga–1 and Rule 15Ga–2 (17 CFR 240.15Ga–1) (17 CFR 240.15Ga–2) of the Exchange Act of 1934 (“Exchange Act”). Exchange Act Rule 15Ga–1 requires asset-backed securitizers to provide disclosure regarding fulfilled an unfulfilled repurchase requests with respect to asset-backed securities. The purpose of the information collected on Form ABS–15G is to implement the disclosure requirements of Section 943 of the Dodd-Frank Wall Street Reform and Consumer Protection Act to provide information regarding the use of representations and warranties in the asset-backed securities markets. Rule 15Ga–1 had a one-time reporting requirement that expired on February 14, 2012. We estimate that approximately 2,007 securitizers will file Form ABS–15G annually at estimated (19.307 hours) burden hours per response. In addition, we estimate that 75% of the 19.307 hours per response (14.48 hours) is carried internally by the securitizers for a total annual reporting burden of 29,061 hours (14.48 hours per response × 2,007 responses).

Written comments are invited on: (a) whether this proposed collection of

information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (b) the accuracy of the agency’s estimate of the burden imposed by the collection of information; (c) ways to enhance the quality, utility, and clarity of the information collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication by October 15, 2024.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

Please direct your written comment to Austin Gerig, Director/Chief Data Officer, Securities and Exchange Commission, c/o Oluwaseun Ajayi, 100 F Street NE, Washington, DC 20549 or send an email to: PRA_Mailbox@sec.gov.

Dated: August 9, 2024.

BILLING CODE 8011–01–P

SECURITIES AND EXCHANGE COMMISSION

[SEC File No. 270–563, OMB Control No. 3235–0656]

Submission for OMB Review; Comment Request; Extension: Rule 17g–7

Upon Written Request, Copies Available From: Securities and Exchange Commission, Office of FOIA Services, 100 F Street NE, Washington, DC 20549–2736

Notice is hereby given that pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission (“Commission”) is soliciting comments on the collection of information summarized below. The Commission plans to submit an extension for this current collection of information to the Office of Management and Budget for approval.

Rule 17g–7 (17 CFR 240.17g–7) requires each nationally recognized statistical rating organization (“NRSROs”) to publish certain items, including a form containing specified information, when taking a rating action

with respect to a credit rating¹ and to disclose rating histories for free on an easily accessible portion of its corporate internet website.² There are currently 10 NRSROs registered with the Commission, and it is estimated that the NRSROs will take collectively approximately 1,908,530 rating actions per year.

Based on Commission staff’s experience, it is estimated that the total annual hour burden to comply with Rule 17g–7 will be 641,673 hours. The Commission further estimates that this annual hour burden will result in a total annual cost of \$238,688,856, reflecting the cost of preparing the form required to be published by Rule 17g–7 and standardizing and tailoring certain required disclosures, and the cost of maintaining a database of rating histories to comply with Rule 17g–7.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information under the PRA unless it displays a currently valid OMB control number.

The public may view background documentation for this information collection at the following website: www.reginfo.gov.
