25. SMALL BUSINESS SET-ASIDE SALE: This is a small business set-aside sale. Section 15 of the Small Business Act of 1958 authorizes award of this sale to a qualified small business as stated in 13 CFR 121.507. If the Contracting Officer or another interested party questions the representation of the high bidder within 5 working days of bid opening, the Contracting Officer may defer award of this sale pending consideration by the Small Business Administration.

In addition to certifying Bidder's small business status, small businesses awarded set-aside sales will also be required to execute SBA Form 723, Small Business Certification, which is required on every preferential sale of set-aside timber at the time the sale contract is executed. The Small Business Administration certification confirms the representation of the size status of the firm, provides assurance that the firm will maintain records of all sales or exchanges of sawtimber from this sale for 3 years, and acknowledges the possible penalties for violating the foregoing.

The Bidder certifies, by signing this bid form, that it is a small business concern within the terms of definitions listed below:

a. In sales of National Forest timber, a small business is a concern that is primarily engaged in the logging or forest products industry, is independently owned and operated, is not dominant in its field of operation, and together with its affiliates, does not employ more than 500 persons.

b. In sales of National Forest timber with any part to be resold, a small business is a concern that meets the requirements of item (a), above, and agrees that it will not sell or exchange more than 50 percent of the advertised sawtimber quantities to a concern that does not qualify as small business.

c. In sales of National Forest timber not to be resold for manufacture into lumber and timbers, a concern is a small business when it meets the requirements of item (a) above, and it agrees that in manufacturing lumber or timbers from National Forest timber, it will do so only with its own facilities or those of concerns that qualify as small businesses.
