Fund Act of 1998.
16 USC 3701
note.
16 USC 3703
note.

TITLE IX NATIONAL WHALE CONSERVATION FUND ACT

SEC. 901. SHORT TITLE. This title may be cited as the “National Whale Conservation Fund Act of 1998”.

SEC. 902. FINDINGS. Congress finds that—

(1) the populations of whales that occur in waters of the United States are resources of substantial ecological, scientific, socioeconomic, and esthetic value;

(2) whale populations—

(A) form a significant component of marine ecosystems;

(B) are the subject of intense research;

(C) provide for a multimillion dollar whale watching tourist industry that provides the public an opportunity to enjoy and learn about great whales and the ecosystems of which the whales are a part; and

(D) are of importance to Native Americans for cultural and subsistence purposes;

(3) whale populations are in various stages of recovery, and some whale populations, such as the northern right whale (*Eubaleana glacialis*) remain perilously close to extinction;

(4) the interactions that occur between ship traffic, commercial fishing, whale watching vessels, and other recreational vessels and whale populations may affect whale populations adversely;

(5) the exploration and development of oil, gas, and hard mineral resources, marine debris, chemical pollutants, noise, and other anthropogenic sources of change in the habitat of whales may affect whale populations adversely;

(6) the conservation of whale populations is subject to difficult challenges related to—

(A) the migration of whale populations across international boundaries;

(B) the size of individual whales, as that size precludes certain conservation research procedures that may be used for other animal species, such as captive research and breeding;

(C) the low reproductive rates of whales that require long-term conservation programs to ensure recovery of whale populations; and

(D) the occurrence of whale populations in offshore waters where undertaking research, monitoring, and conservation measures is difficult and costly;

(7)(A) the Secretary of Commerce, through the Administrator of the National Oceanic and Atmospheric Administration,

has research and regulatory responsibility for the conservation of whales under the Marine Mammal Protection Act of 1972 (16 U.S.C. 1361 et seq.); and

(B) the heads of other Federal agencies and the Marine Mammal Commission established under section 201 of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1401) have related research and management activities under the Marine Mammal Protection Act of 1972 or the Endangered Species Act of 1973 (16 U.S.C. 1531 et seq.);

(8) the funding available for the activities described in paragraph (8) is insufficient to support all necessary whale conservation and recovery activities; and

(9) there is a need to facilitate the use of funds from non-Federal sources to carry out the conservation of whales.

SEC. 903. NATIONAL WHALE CONSERVATION FUND. Section 4 of the National Fish and Wildlife Establishment Act (16 U.S.C. 3703) is amended by adding at the end the following:

“(f)(1) In carrying out the purposes under section 2(b), the Foundation may establish a national whale conservation endowment fund, to be used by the Foundation to support research, management activities, or educational programs that contribute to the protection, conservation, or recovery of whale populations in waters of the United States.

“(2)(A) In a manner consistent with subsection (c)(1), the Foundation may—

“(i) accept, receive, solicit, hold, administer, and use any gift, devise, or bequest made to the Foundation for the express purpose of supporting whale conservation; and

PROHIBITION ON ASSISTANCE TO THE PALESTINIAN BROADCASTING CORPORATION

SEC. 584. None of the funds appropriated or otherwise made available by this Act may be used to provide equipment, technical support, consulting services, or any other form of assistance to the Palestinian Broadcasting Corporation.

REPORT ON IRAQI DEVELOPMENT OF WEAPONS OF MASS DESTRUCTION

SEC. 585. (a) FINDINGS.—Congress finds that—

(1) Iraq is continuing efforts to mask the extent of its weapons of mass destruction and missile programs;

(2) proposals to relax the current international inspection regime would have potentially dangerous consequences for international security; and

(3) Iraq has demonstrated time and again that it cannot be trusted to abide by international norms or by its own agreements, and that the only way the international community can be assured of Iraqi compliance is by ongoing inspection.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the international agencies charged with inspections in Iraq—the International Atomic Energy Agency (IAEA) and the United Nations Special Commission (UNSCOM) should maintain vigorous inspections, including surprise inspections, within Iraq; and

(2) the United States should oppose any efforts to ease the inspections regimes on Iraq until there is clear, credible evidence that the Government of Iraq is in full compliance with all relevant United Nations' resolutions.

(c) REPORT.—Not later than 30 days after the date of enactment of this Act, the President shall submit a report to Congress on the United States Government's assessment of Iraq's nuclear and other weapons of mass destruction programs and its efforts to move toward procurement of nuclear weapons and the means to deliver weapons of mass destruction. The report shall also—

(1) assess the United States view of the International Atomic Energy Agency's action team reports and other IAEA efforts to monitor the extent and nature of Iraq's nuclear program; and

(2) include the United States Government's opinion on the value of maintaining the ongoing inspection regime rather than replacing it with a passive monitoring system.

SENSE OF CONGRESS REGARDING IRAN

SEC. 586. (a) The Congress finds that—

(1) according to the Department of State, Iran continues to support international terrorism, providing training, financing, and weapons to such terrorist groups as Hizballah, Islamic Jihad and Hamas;

(2) Iran continues to oppose the Arab-Israeli peace process and refuses to recognize Israel's right to exist;

(3) Iran continues aggressively to seek weapons of mass destruction and the missiles to deliver them;

(4) it is long-standing United States policy to offer official government-to-government dialogue with the Iranian regime, such offers having been repeatedly rebuffed by Tehran;

(5) more than a year after the election of President Khatemi, Iranian foreign policy continues to threaten American security and that of our allies in the Middle East; and

(6) despite repeated offers and tentative steps toward rapprochement with Iran by the Clinton Administration, including a decision to waive sanctions under the Iran-Libya Sanctions Act and the President's veto of the Iran Missile Proliferation Sanctions Act, Iran has failed to reciprocate in a meaningful manner.

(b) Therefore it is the sense of the Congress that—

(1) the Administration should make no concessions to the Government of Iran unless and until that government moderates its objectionable policies, including taking steps to end its support of international terrorism, opposition to the Middle East peace process, and the development and proliferation of weapons of mass destruction and their means of delivery; and

(2) there should be no change in United States policy toward Iran until there is credible and sustained evidence of a change in Iranian policies.

AID OFFICE OF SECURITY

SEC. 587. (a) ESTABLISHMENT OF OFFICE.—There shall be established within the Office of the Administrator of the Agency for International Development, an Office of Security. Such Office of Security shall, notwithstanding any other provision of law except section 207 of the Foreign Service Act of 1980 and section 103 of Public Law 199-339, have the responsibility for the supervision, direction, and control of all security activities relating to the programs and operations of that Agency.

22 USC 2381
note.

(b) TRANSFER AND ALLOCATION OF APPROPRIATIONS AND PERSONNEL.—There are transferred to the Office of Security all security functions exercised by the Office of Inspector General of the Agency for International Development exercised before the date of enactment of this Act. The Administrator shall transfer from the Office of the Inspector General of such Agency to the Office of Security established by subsection (a), the personnel (including the Senior Executive Service position designated for the Assistant Inspector General for Security), assets, liabilities, grants, contracts, property, records, and unexpended balances of appropriations, and other funds held, used, available to, or to be made available in connection with such functions. Unexpended balances of appropriations, and other funds made available or to be made available in connection with such functions, shall be transferred to and merged with funds appropriated by this Act under the heading "Operating Expenses of the Agency for International Development".

(c) TRANSFER OF EMPLOYEES.—Any employee in the career service who is transferred pursuant to this section shall be placed in a position in the Office of Security established by subsection (a) which is comparable to the position the employee held in the Office of the Inspector General of the Agency for International Development.

SENSE OF CONGRESS REGARDING BALLISTIC MISSILE DEVELOPMENT BY
NORTH KOREA

SEC. 588. (a) Congress makes the following findings:

(1) North Korea has been active in developing new generations of medium-range and intermediate-range ballistic missiles, including both the Nodong and Taepo Dong class missiles.

(2) North Korea is not an adherent to the Missile Technology Control Regime, actively cooperates with Iran and Pakistan in ballistic missile programs, and has declared its intention to continue to export ballistic missile technology.

(3) North Korea has shared technology involved in the Taepo Dong I missile program with Iran, which is concurrently developing the Shahab–3 intermediate-range ballistic missile.

(4) North Korea is developing the Taepo Dong II intermediate-range ballistic missile, which is expected to have sufficient range to put at risk United States territories, forces, and allies throughout the Asia-Pacific area.

(5) Multistage missiles like the Taepo Dong class missile can ultimately be extended to intercontinental range.

(6) The bipartisan Commission to Assess the Ballistic Missile Threat to the United States emphasized the need for the United States intelligence community and United States policy makers to review the methodology by which they assess foreign missile programs in order to guard against surprise developments with respect to such programs.

(b) It is the sense of Congress that—

(1) North Korea should be forcefully condemned for its August 31, 1998, firing of a Taepo Dong I intermediate-range ballistic missile over the sovereign territory of another country, specifically Japan, an event that demonstrated an advanced capability for employing multistage missiles, which are by nature capable of extended range, including intercontinental range;

(2) the United States should reassess its cooperative space launch programs with countries that continue to assist North Korea and Iran in their ballistic missile and cruise missile programs;

(3) any financial or technical assistance provided to North Korea should take into account the continuing conduct by that country of activities which destabilize the region, including the missile firing referred to in paragraph (1), continued submarine incursions into South Korean territorial waters, and violations of the demilitarized zone separating North Korea and South Korea;

(4) the recommendations of the Commission to Assess the Ballistic Missile Threat to the United States should be incorporated into the analytical processes of the United States intelligence community as soon as possible; and

(5) the United States should accelerate cooperative theater missile defense programs with Japan.

SENSE OF CONGRESS CONCERNING THE MURDER OF FOUR AMERICAN
CHURCHWOMEN IN EL SALVADOR

SEC. 595. (a) FINDINGS.—Congress makes the following findings—

(1) the December 2, 1980 brutal assault and murder of four American churchwomen by members of the Salvadoran National Guard was covered up and never fully investigated;

(3) the United Nations Truth Commission for El Salvador determined in 1993 that there was sufficient evidence that the Guardsmen were acting on orders from their superiors;

(4) in March 1998, four of the convicted Guardsmen confessed that they acted after receiving orders from their superiors;

(5) recently declassified documents from the State Department show that United States Government officials were aware of information suggesting the involvement of superior officers in the murders;

(6) United States officials granted permanent residence to a former Salvadoran military official involved in the cover-up of the murders, enabling him to remain in Florida; and

(7) despite the fact that the murders occurred over 17 years ago, the families of the four victims continue to seek the disclosure of information relevant to the murders.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) information relevant to the murders should be made public to the fullest extent possible;

(5) the President should direct the Attorney General to review the circumstances under which individuals involved in either the murders or the cover-up of the murders obtained residence in the United States, and the Attorney General should submit a report to the Congress on the results of such review not later than January 1, 1999.

(1) On December 21, 1988, 270 people, including 189 United States citizens, were killed in a terrorist bombing on Pan Am Flight 103 over Lockerbie, Scotland.

(2) Britain and the United States indicted 2 Libyan intelligence agents—Abdel Basset Al-Megrahi and Lamen Khalifa Fhimah—in 1991 and sought their extradition from Libya to the United States or the United Kingdom to stand trial for this heinous terrorist act.

(3) The United Nations Security Council called for the extradition of the suspects in Security Council Resolution 731 and imposed sanctions on Libya in Security Council Resolutions 748 and 883 because Libyan leader, Colonel Muammar Qaddafi, refused to transfer the suspects to either the United States or the United Kingdom to stand trial.

(4) The sanctions in Security Council Resolutions 748 and 883 include a worldwide ban on Libya's national airline, a ban on flights into and out of Libya by other nations' airlines, a prohibition on supplying arms, airplane parts, and certain oil equipment to Libya, and a freeze on Libyan government funds in other countries.

(5) Colonel Qaddafi has continually refused to extradite the suspects to either the United States or the United Kingdom and has insisted that he will only transfer the suspects to a third and neutral country to stand trial.

(6) On August 24, 1998, the United States and the United Kingdom proposed that Colonel Qaddafi transfer the suspects

to the Netherlands, where they would stand trial before a Scottish court, under Scottish law, and with a panel of Scottish judges.

(7) The United States-United Kingdom proposal is consistent with those previously endorsed by the Organization of African Unity, the League of Arab States, the Non-Aligned Movement, and the Islamic Conference.

(8) The United Nations Security Council endorsed the United States-United Kingdom proposal on August 27, 1998, in United Nations Security Council Resolution 1192.

(9) The United States Government has stated that this proposal is nonnegotiable and has called on Colonel Qaddafi to respond promptly, positively, and unequivocally to this proposal by ensuring the timely appearance of the two accused individuals in the Netherlands for trial before the Scottish court.

(10) The United States Government has called on Libya to ensure the production of evidence, including the presence of witnesses before the court, and to comply fully with all the requirements of the United Nations Security Council resolutions.

(11) Secretary of State Albright has said that the United States will urge a multilateral oil embargo against Libya in the United Nations Security Council if Colonel Muammar Qaddafi does not transfer the suspects to the Netherlands to stand trial.

(12) The United Nations Security Council will convene on October 30, 1998, to review sanctions imposed on Libya.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) Colonel Qaddafi should promptly transfer the indicted suspects Abdel Basset Al-Megrahi and Lamén Khalifa Fhimah to the Netherlands to stand trial before the Scottish court;

(2) the United States Government should remain firm in its commitment not to negotiate with Colonel Qaddafi on any of the details of the proposal approved by the United Nations in United Nations Security Council Resolution 1192; and

(3) if Colonel Qaddafi does not transfer the indicted suspects Abdel Basset Al-Megrahi and Lamén Khalifa Fhimah to the Netherlands by October 29, 1998, the United States Permanent Representative to the United Nations should—

(A) introduce a resolution in the United Nations Security Council to impose a multilateral oil embargo against Libya;

(B) actively promote adoption of the resolution by the United Nations Security Council; and

(C) assure that a vote will occur in the United Nations Security Council on such a resolution.

SENSE OF THE CONGRESS REGARDING INTERNATIONAL COOPERATION
IN RECOVERING CHILDREN ABDUCTED IN THE UNITED STATES AND
TAKEN TO OTHER COUNTRIES.

SEC. 597. (a) FINDINGS.—Congress finds that—

(1) many children in the United States have been abducted by family members who are foreign nationals and living in foreign countries;

(2) children who have been abducted by an estranged father are very rarely returned, through legal remedies, from countries that only recognize the custody rights of the father;

(3) there are at least 140 cases that need to be resolved in which children have been abducted by family members and taken to foreign countries;

(4) although the Convention on the Civil Aspects of International Child Abduction, done at The Hague on October 25, 1980, has made progress in aiding the return of abducted children, the Convention does not address the criminal aspects of child abduction, and there is a need to reach agreements regarding child abduction with countries that are not parties to the Convention; and

(5) decisions on awarding custody of children should be made in the children's best interest, and persons who violate laws of the United States by abducting their children should not be rewarded by being granted custody of those children.

(b) SENSE OF THE CONGRESS.—It is the sense of the Congress that the United States Government should promote international cooperation in working to resolve those cases in which children in the United States are abducted by family members who are foreign nationals and taken to foreign countries, and in seeing that justice is served by holding accountable the abductors for violations of criminal law.

(A) made available at an interest rate that reflects an adjustment for risk that is not less than 300 basis points in excess of the average of the market-based short-term cost of financing of its largest members; and

(B) repaid within 1 to 2½ years from each disbursement.

(2) Advancing measures to prevent, and improve the management of, international financial crises, including by—

(A) integrating aspects of national bankruptcy principles into the management of international financial crises where feasible; and

(B) changing investor expectations about official rescues, thereby reducing moral hazard and systemic risk in international financial markets,

(4) Improving international cooperation in the supervision and regulation of financial institutions and markets.

(6) Advocating that implementation of European Economic and Monetary Union and the advent of the European Currency Unit, or euro, proceed in a manner that is consistent with

“SEC. 1503. ADVOCACY OF POLICIES TO ENHANCE THE GENERAL EFFECTIVENESS OF THE INTERNATIONAL MONETARY FUND. 22 USC 262o-2.

“(a) IN GENERAL.—The Secretary of the Treasury shall instruct the United States Executive Director of the International Monetary Fund to use aggressively the voice and vote of the Executive Director to do the following:

“(1) Vigorously promote policies to increase the effectiveness of the International Monetary Fund in structuring programs and assistance so as to promote policies and actions

that will contribute to exchange rate stability and avoid competitive devaluations that will further destabilize the international financial and trading systems.

“(2) Vigorously promote policies to increase the effectiveness of the International Monetary Fund in promoting market-oriented reform, trade liberalization, economic growth, democratic governance, and social stability through—

“(A) establishing an independent monetary authority, with full power to conduct monetary policy, that provides for a non-inflationary domestic currency that is fully convertible in foreign exchange markets;

“(B) opening domestic markets to fair and open internal competition among domestic enterprises by eliminating inappropriate favoritism for small or large businesses, eliminating elite monopolies, creating and effectively implementing anti-trust and anti-monopoly laws to protect free competition, and establishing fair and accessible legal procedures for dispute settlement among domestic enterprises;

“(C) privatizing industry in a fair and equitable manner that provides economic opportunities to a broad spectrum of the population, eliminating government and elite monopolies, closing loss-making enterprises, and reducing government control over the factors of production;

“(D) economic deregulation by eliminating inefficient and overly burdensome regulations and strengthening the legal framework supporting private contract and intellectual property rights;

“(E) establishing or strengthening key elements of a social safety net to cushion the effects on workers of unemployment and dislocation; and

“(F) encouraging the opening of markets for agricultural commodities and products by requiring recipient countries to make efforts to reduce trade barriers.

“(3) Vigorously promote policies to increase the effectiveness of the International Monetary Fund, in concert with appropriate international authorities and other international financial institutions (as defined in section 1701(c)(2)), in strengthening financial systems in developing countries, and encouraging the adoption of sound banking principles and practices, including the development of laws and regulations that will help to ensure that domestic financial institutions meet strong standards regarding capital reserves, regulatory oversight, and transparency.

“(4) Vigorously promote policies to increase the effectiveness of the International Monetary Fund, in concert with appropriate international authorities and other international financial institutions (as defined in section 1701(c)(2)), in facilitating the development and implementation of internationally acceptable domestic bankruptcy laws and regulations in developing countries, including the provision of technical assistance as appropriate.

“(5) Vigorously promote policies that aim at appropriate burden-sharing by the private sector so that investors and creditors bear more fully the consequences of their decisions, and accordingly advocate policies which include—

“(A) strengthening crisis prevention and early warning signals through improved and more effective surveillance of the national economic policies and financial market development of countries (including monitoring of the structure and volume of capital flows to identify problematic imbalances in the inflow of short and medium term investment capital, potentially destabilizing inflows of offshore lending and foreign investment, or problems with the maturity profiles of capital to provide warnings of imminent economic instability), and fuller disclosure of such information to market participants;

“(B) accelerating work on strengthening financial systems in emerging market economies so as to reduce the risk of financial crises;

“(C) consideration of provisions in debt contracts that would foster dialogue and consultation between a sovereign debtor and its private creditors, and among those creditors;

“(D) consideration of extending the scope of the International Monetary Fund’s policy on lending to members in arrears and of other policies so as to foster the dialogue and consultation referred to in subparagraph (C);

“(E) intensified consideration of mechanisms to facilitate orderly workout mechanisms for countries experiencing debt or liquidity crises;

“(F) consideration of establishing ad hoc or formal linkages between the provision of official financing to countries experiencing a financial crisis and the willingness of market participants to meaningfully participate in any stabilization effort led by the International Monetary Fund;

“(G) using the International Monetary Fund to facilitate discussions between debtors and private creditors to help ensure that financial difficulties are resolved without inappropriate resort to public resources; and

“(H) the International Monetary Fund accompanying the provision of funding to countries experiencing a financial crisis resulting from imprudent borrowing with efforts to achieve a significant contribution by the private creditors, investors, and banks which had extended such credits.

“(6) Vigorously promote policies that would make the International Monetary Fund a more effective mechanism, in concert with appropriate international authorities and other international financial institutions (as defined in section 1701(c)(2)), for promoting good governance principles within recipient countries by fostering structural reforms, including procurement reform, that reduce opportunities for corruption and bribery, and drug-related money laundering.

“(7) Vigorously promote the design of International Monetary Fund programs and assistance so that governments that draw on the International Monetary Fund channel public funds away from unproductive purposes, including large ‘show case’ projects and excessive military spending, and toward investment in human and physical capital as well as social programs to protect the neediest and promote social equity.

“(8) Work with the International Monetary Fund to foster economic prescriptions that are appropriate to the individual economic circumstances of each recipient country, recognizing that inappropriate stabilization programs may only serve to

further destabilize the economy and create unnecessary economic, social, and political dislocation.

“(9) Structure International Monetary Fund programs and assistance so that the maintenance and improvement of core labor standards are routinely incorporated as an integral goal in the policy dialogue with recipient countries, so that—

“(A) recipient governments commit to affording workers the right to exercise internationally recognized core worker rights, including the right of free association and collective bargaining through unions of their own choosing;

“(B) measures designed to facilitate labor market flexibility are consistent with such core worker rights; and

“(C) the staff of the International Monetary Fund surveys the labor market policies and practices of recipient countries and recommends policy initiatives that will help to ensure the maintenance or improvement of core labor standards.

“(10) Vigorously promote International Monetary Fund programs and assistance that are structured to the maximum extent feasible to discourage practices which may promote ethnic or social strife in a recipient country.

“(11) Vigorously promote recognition by the International Monetary Fund that macroeconomic developments and policies can affect and be affected by environmental conditions and policies, and urge the International Monetary Fund to encourage member countries to pursue macroeconomic stability while promoting environmental protection.

“(12) Facilitate greater International Monetary Fund transparency, including by enhancing accessibility of the International Monetary Fund and its staff, fostering a more open release policy toward working papers, past evaluations, and other International Monetary Fund documents, seeking to publish all Letters of Intent to the International Monetary Fund and Policy Framework Papers, and establishing a more open release policy regarding Article IV consultations.

“(13) Facilitate greater International Monetary Fund accountability and enhance International Monetary Fund self-evaluation by vigorously promoting review of the effectiveness of the Office of Internal Audit and Inspection and the Executive Board’s external evaluation pilot program and, if necessary, the establishment of an operations evaluation department modeled on the experience of the International Bank for Reconstruction and Development, guided by such key principles as usefulness, credibility, transparency, and independence.

“(14) Vigorously promote coordination with the International Bank for Reconstruction and Development and other international financial institutions (as defined in section 1701(c)(2)) in promoting structural reforms which facilitate the provision of credit to small businesses, including microenterprise lending, especially in the world’s poorest, heavily indebted countries.

“(b) COORDINATION WITH OTHER EXECUTIVE DEPARTMENTS.—

To the extent that it would assist in achieving the goals described in subsection (a), the Secretary of the Treasury shall pursue the goals in coordination with the Secretary of State, the Secretary of Labor, the Secretary of Commerce, the Administrator of the Environmental Protection Agency, the Administrator of the Agency

for International Development, and the United States Trade Representative.”

(b) **ADVISORY COMMITTEE ON IMF POLICY.**—Section 1701 of such Act (22 U.S.C. 262p-5) is amended by adding at the end the following: 22 USC 262r.

SEC. 329. (a) PROHIBITION ON TIMBER PURCHASER ROAD CREDITS.—In financing any forest development road pursuant to section 4 of Public Law 88-657 (16 U.S.C. 535, commonly known as the National Forest Roads and Trails Act), the Secretary of Agriculture may not provide effective credit for road construction to any purchaser of national forest timber or other forest products.

16 USC 535a.

(b)(1) CONSTRUCTION OF ROADS BY TIMBER PURCHASERS.—Whenever the Secretary of Agriculture makes a determination that a forest development road referred to in subsection (a) shall be constructed or paid for, in whole or in part, by a purchaser of national forest timber or other forest products, the Secretary shall include notice of the determination in the notice of sale of the timber or other forest products. The notice of sale shall contain, or announce the availability of, sufficient information related to the road described in the notice to permit a prospective bidder on the sale to calculate the likely cost that would be incurred by the bidder to construct or finance the construction of the road so that the bidder may reflect such cost in the bid.

(2) If there is an increase or decrease in the cost of roads constructed by the timber purchaser, caused by variations in quantities, changes or modifications subsequent to the sale of timber made in accordance with applicable timber sale contract provisions, then an adjustment to the price paid for timber harvested by the purchaser shall be made. The adjustment shall be applied by the Secretary as soon as practicable after any such design change is implemented.

(c) SPECIAL ELECTION BY SMALL BUSINESS CONCERNS.—(1) A notice of sale referred to in subsection (b) containing specified road construction of \$50,000 or more, shall give a purchaser of national forest timber or other forest products that qualifies as a “small business concern” under the Small Business Act (15 U.S.C. 631 et seq.), and regulations issued thereunder, the option to elect that the Secretary of Agriculture build the roads described in the notice. The Secretary shall provide the small business concern with an estimate of the cost that would be incurred by the Secretary to construct the roads on behalf of the small business concern. The notice of sale shall also include the date on which the roads described in the notice will be completed by the Secretary if the election is made.

(2) If the election referred to in paragraph (1) is made, the purchaser of the national forest timber or other forest products shall pay to the Secretary of Agriculture, in addition to the price paid for the timber or other forest products, an amount equal to the estimated cost of the roads which otherwise would be paid by the purchaser as provided in the notice of sale. Pending receipt of such amount, the Secretary may use receipts from the sale of national forest timber or other forest products and such additional sums as may be appropriated for the construction of roads, such funds to be available until expended, to accomplish the requested road construction.

(d) POST CONSTRUCTION HARVESTING.—In each sale of national forest timber or other forest products referred to in this section, the Secretary of Agriculture is encouraged to authorize harvest

of the timber or other forest products in a unit included in the sale as soon as road work for that unit is completed and the road work is approved by the Secretary.

(e) CONSTRUCTION STANDARD.—For any forest development road that is to be constructed or paid for by a purchaser of national forest timber or other forest products, the Secretary of Agriculture may not require the purchaser to design, construct, or maintain the road (or pay for the design, construction, or maintenance of the road) to a standard higher than the standard, consistent with applicable environmental laws and regulations, that is sufficient for the harvesting and removal of the timber or other forest products, unless the Secretary bears that part of the cost necessary to meet the higher standard.

(f) TREATMENT OF ROAD VALUE.—For any forest development road that is constructed or paid for by a purchaser of national forest timber or other forest products, the estimated cost of the road construction, including subsequent design changes, shall be considered to be money received for purposes of the payments required to be made under the sixth paragraph under the heading “FOREST SERVICE” in the Act of May 23, 1908 (35 Stat. 260, 16 U.S.C. 500), and section 13 of the Act of March 1, 1911 (35 Stat. 963; commonly known as the Weeks Act; 16 U.S.C. 500). To the extent that the appraised value of road construction determined under this subsection reflects funds contributed by the Secretary of Agriculture to build the road to a higher standard pursuant to subsection (e), the Secretary shall modify the appraisal of the road construction to exclude the effect of the Federal funds.

(g) EFFECTIVE DATE.—(1) This section and the requirements of this section shall take effect (and apply thereafter) upon the earlier of—

(A) April 1, 1999; or

(B) the date that is the later of—

(i) the effective date of regulations issued by the Secretary of Agriculture to implement this section; and

(ii) the date on which new timber sale contract provisions designed to implement this section, that have been published for public comment, are approved by the Secretary.

(2) Notwithstanding paragraph (1), any sale of national forest timber or other forest products for which notice of sale is provided before the effective date of this section, and any effective purchaser road credit earned pursuant to a contract resulting from such a notice of sale or otherwise earned before that effective date shall remain in effect, and shall continue to be subject to section 4 of Public Law 88–657 and section 14(i) of the National Forest Management Act of 1976 (16 U.S.C. 472a(i)), and rules issued thereunder, as in effect on the day before the date of the enactment of this Act.

The projects shall emphasize reducing risks to human safety and public health and property and enhancing ecological functions, long-term forest productivity, and biological integrity. The Secretary shall commence the projects during fiscal year 1999, but the projects may be completed in a subsequent fiscal year. Funds shall not be expended under this section to replace funds which would otherwise appropriately be expended from the timber salvage sale fund. (A) entered into by a person who has title to said land derived under said Acts, and

(B) that conveys rights to explore for, extract, and sell coalbed methane from said land; or

(2) coalbed methane production from the lands described in subsection (a)(1) by a person who has title to said land

and who, on or before the date of enactment of this Act, has filed an application with the State oil and gas regulating agency for a permit to drill an oil and gas well to a completion target located in a coal formation.

SEC. 350. No timber in Region 10 of the Forest Service shall be advertised for sale which, when using domestic Alaska western red cedar selling values and manufacturing costs, fails to provide at least 60 percent of normal profit and risk of the appraised timber, except at the written request by a prospective bidder. Program accomplishments shall be based on volume sold. Should Region 10 sell, in fiscal year 1999, the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan which provides greater than 60 percent of normal profit and risk at the time of the sale advertisement, all of the western red cedar timber from those sales which is surplus to the needs of domestic processors in Alaska, shall be made available to domestic processors in the contiguous 48 United States based on values in the Pacific Northwest as determined by the Forest Service and stated in the timber sale contract. Should Region 10 sell, in fiscal year 1999, less than the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan meeting the 60 percent of normal profit and risk standard at the time of sale advertisement, the volume of western red cedar timber available

to domestic processors at rates specified in the timber sale contract in the contiguous 48 states shall be that volume: (i) which is surplus to the needs of domestic processors in Alaska; and (ii) is that percent of the surplus western red cedar volume determined by calculating the ratio of the total timber volume which has been sold on the Tongass to the annual average portion of the decadal allowable sale quantity called for in the current Tongass Land Management Plan. The percentage shall be calculated by Region 10 on a rolling basis as each sale is sold. (For purposes of this amendment, a “rolling basis” shall mean that the determination of how much western red cedar is eligible for sale to various markets shall be made at the time each sale is awarded.) Western red cedar shall be deemed “surplus to the needs of domestic processors in Alaska” when the timber sale holder has presented to the Forest Service documentation of the inability to sell western red cedar logs from a given sale to domestic Alaska processors at a price equal to or greater than the log selling value stated in the contract. All additional western red cedar volume not sold to Alaska or contiguous 48 United States domestic processors may be exported to foreign markets at the election of the timber sale holder. All Alaska yellow cedar may be sold at prevailing export prices at the election of the timber sale holder.

TITLE VI

INTERSTATE 90 LAND EXCHANGE ACT

Interstate 90 Land Exchange Act of 1998. 16 USC 539k note.

SEC. 601. SHORT TITLE.

This Act may be cited as the “Interstate 90 Land Exchange Act of 1998”.

SEC. 602. FINDINGS AND PURPOSE.

(a) FINDINGS.—Congress finds that—

(1) certain parcels of private land located in central and southwest Washington are intermingled with National Forest System land owned by the United States and administered by the Secretary of Agriculture as parts of the Mt. Baker-Snoqualmie National Forest, Wenatchee National Forest, and Gifford Pinchot National Forest;

(2) the private land surface estate and some subsurface is owned by the Plum Creek Timber Company, L.P. in an intermingled checkerboard pattern, with the United States or Plum Creek owning alternate square mile sections of land or fractions of square mile sections;

(3) the checkerboard land ownership pattern in the area has frustrated sound and efficient land management on both private and National Forest lands by complicating fish and wildlife habitat management, watershed protection, recreation use, road construction and timber harvest, boundary administration, and protection and management of threatened and endangered species and old growth forest habitat;

(4) acquisition by the United States of certain parcels of land that have been offered by Plum Creek for addition to the Mt. Baker-Snoqualmie National Forest and Wenatchee National Forest will serve important public objectives, including—

(A) enhancement of public access, aesthetics and recreation opportunities within or near areas of very heavy public recreational use including—

(i) the Alpine Lakes Wilderness Area;

(ii) the Pacific Crest Trail;

(iii) Snoqualmie Pass;

(iv) Cle Elum Lake, Kachess Lake and Keechulus Lake; and

(v) other popular recreation areas along the Interstate 90 corridor east of the Seattle-Tacoma Metropolitan Area;

(B) protection and enhancement of old growth forests and habitat for threatened, endangered and sensitive species, including a net gain of approximately 28,500 acres of habitat for the northern spotted owl;

(C) consolidation of National Forest holdings for more efficient administration and to meet a broad array of ecosystem protection and other public land management goals, including net public gains of approximately 283 miles of stream ownership, 14 miles of the route of the Pacific Crest Trail, 20,000 acres of unroaded land, and 7,360 acres of riparian land; and

(D) a significant reduction in administrative costs to the United States through—

(i) consolidation of Federal land holdings for more efficient land management and planning;

(ii) elimination of approximately 300 miles of boundary identification and posting;

(iii) reduced right-of-way, special use, and other permit processing and issuance for roads and other facilities on National Forest System land; and

(iv) other administrative cost savings;

(5) Plum Creek has selected certain parcels of National Forest System land that are logical for consolidation into Plum Creek ownership utilizing a land exchange because the parcels—

(A) are intermingled with parcels owned by Plum Creek; and

(B)(i) are generally located in less environmentally sensitive areas than the Plum Creek offered land; and

(ii) have lower public recreation and other public values than the Plum Creek offered land;

(6) time is of the essence in consummating a land exchange because delays may force Plum Creek to road or log the offered land and thereby diminish the public values for which the offered land is to be acquired; and

(7) it is in the public interest to complete the land exchange at the earliest practicable date so that the offered land can be acquired and preserved by the United States for permanent public management, use, and enjoyment.

(b) PURPOSE.—It is the purpose of this Act to further the public interest by authorizing, directing, facilitating, and expediting the consummation of the Interstate 90 land exchange so as to ensure that the offered land is expeditiously acquired for permanent public use and enjoyment.

SEC. 603. DEFINITIONS.

In this Act:

(1) OFFERED LAND.—The term “offered land” means all right, title and interest, including the surface and subsurface interests, in land described in section 604(a) to be conveyed into the public ownership of the United States under this Act.

(1) Certain land administered, as of the date of enactment of this Act, by the Secretary of Agriculture as part of the Mt. (c) **OFFERED LAND TITLE.**—If Plum Creek conveys title acceptable to the Secretary to less than all rights and interests in the offered lands, but conveys title acceptable to the Secretary to all rights and interests that Plum Creek owns and acquires under previous agreements in the lands described in subsection (d), the offered lands, and lands on the east and west sides of Cle Elum Lake, comprising approximately 252 acres, described as Township 21 North, Range 14 East, Section 5, and Lost Lake lands comprising approximately 272 acres, described as Township 21 North, Range 11 East, W $\frac{1}{2}$ of Section 3, the Secretary shall convey to Plum Creek all rights and interest in the selected land after the values of the offered and selected land are equalized. The values of the

offered and selected lands shall be equalized as provided in section 605(c)–(e) without regard to the value of lands described in subsection (d) or the Cle Elum or Lost Lake lands.

16 USC 1132
note.

(d) LAND DONATION.—Plum Creek agrees that it will convey, in the form of a voluntary donation, title acceptable to the Secretary in and to lands and interests in lands comprising approximately 320 acres, described as Township 22 North, Range 11 East, S½ of Section 13, if Plum Creek conveys title to lands and interests pursuant to subsections (a) or (c). It is the intention of Congress that any portion of such donated land which the Secretary determines qualifies as wilderness be, upon the date of its acquisition by the United States, incorporated in and managed as part of the adjacent Alpine Lakes Wilderness (as designated by Public Law 94-357) in accordance with section 6(a) of the Wilderness Act (16 U.S.C. 1135).

(A) shall be equal; or

Such report shall include an exact description of each restriction or mitigation action required.

(2) PLUM CREEK RESPONSE.—Within 30 days of receipt of the Secretary's report under paragraph (1), Plum Creek shall notify the Secretary as to: (i) those parcels it will accept subject to the identified use restrictions or mitigation requirements; and (ii) those parcels it will not accept because the restrictions or mitigation requirements are deemed by Plum Creek to be an unacceptable encumbrance on the land.

(3) PARCEL DELETION.—The Secretary shall delete from the selected land those parcels identified by Plum Creek as unacceptable for conveyance under paragraph (2).

(4) APPRAISAL ADJUSTMENT.—The fair market value of any parcels deleted under paragraph (3), or any modification in fair market value caused by the use restrictions or mitigation requirements on land accepted by Plum Creek, shall be based on their contributory value to the final approved appraised value of the selected land and subtracted from such value prior to consummation of the exchange.

SEC. 607. LAND PURCHASE.

(a) FINDING.—The Congress finds that certain lands owned by Plum Creek in the vicinity of the offered lands (but which are not included in the land exchange under this Act, or are deleted under section 605(c)) are highly desirable for addition to the National Forest System, and that Plum Creek has indicated its willingness to sell certain such lands to the United States. It is the intention of Congress that such lands be acquired by the United States, subject to the availability of funds, by purchase at fair market value consistent with the land acquisition procedures of the Secretary, and with the consent of Plum Creek, in order to preserve their outstanding scenic and natural values for the benefit of future generations.

The Secretary is authorized and directed to consult with Plum Creek concerning opportunities for the United States to acquire by exchange or purchase Plum Creek lands along the Tieton River in Township 14 North, Range 15 East, Willamette Meridian.

SEC. 609. FUTURE LAND EXCHANGE OPPORTUNITY.

(a) **FINDING.**—The Congress finds that certain lands which were identified for exchange to the United States in the I-90 Land Exchange process have been, or may be, deleted from the final exchange under this Act due to value equalization or other reasons. However, some or all of such deleted lands, or other Plum Creek lands, may possess attributes that merit their conveyance to the United States in a follow-up land exchange, including lands in or around the Carbon River, the Yakima River, the Pacific Crest Trail, Watch Mountain and Goat Mountain on the Gifford Pinchot National Forest, the Green River and the Manastash late successional reserve.

(b) **FUTURE EXCHANGE.**—In furtherance of subsection (a), the Secretary is authorized and directed to consult with Plum Creek in examining opportunities for the United States to acquire such deleted lands, or other Plum Creek lands in the State of Washington, in a future exchange.

(c) **REPORT TO CONGRESS.**—Not later than 18 months after the date of enactment of this Act, the Secretary shall submit a report to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Resources of the United States House of Representatives briefly outlining future land exchange opportunities with Plum Creek, including those for which the Secretary is required to consult under section 608, which the Secretary determines merit detailed analysis and consideration. The Secretary should identify the most urgent acquisitions for purchase or exchange in the report.

SEC. 610. WILDERNESS STUDY AREA.

In furtherance of the purposes of the Wilderness Act, if the land exchange directed by this Act is consummated, the area of land comprising approximately 15,000 acres, as generally depicted on a map entitled “Alpine Lakes Wilderness Study Area”, dated October 1998, shall be reviewed by the Secretary of Agriculture as to its suitability for preservation as wilderness. The Secretary shall submit a report and findings to the President, and the President shall submit his recommendations to the United States House of Representatives and United States Senate no later than three years after the date of enactment of this Act. Subject to valid existing rights and existing uses, such lands shall, until Congress determines otherwise or until December 31, 2003, be administered by the Secretary to maintain their wilderness character existing as of the date of enactment of this Act and potential for inclusion in the National Wilderness Preservation System, and shall be withdrawn from all forms of entry and appropriation under the U.S. mining and mineral leasing laws, including the Geothermal Steam Act of 1970.

SEC. 611. KELLY BUTTE SPECIAL MANAGEMENT AREA.

16 USC 539k.

(a) **ESTABLISHMENT.**—Upon conveyance to the United States of the Plum Creek offered lands in the Kelly Butte area, there is hereby established the Kelly Butte Special Management Area in the Mt. Baker-Snoqualmie National Forest, Washington, comprising approximately 5,642 acres, as generally depicted on a map entitled “Kelly Butte Special Management Area”, dated October 1998.

(b) **MANAGEMENT.**—The Kelly Butte Special Management Area shall be managed by the Secretary in accordance with the laws, rules and regulations generally applicable to National Forest System lands, and subject to the following additional provisions:

- (1) the Area shall be managed with special emphasis on:
 - (A) preserving its natural character and protecting and enhancing water quality in the upper Green River watershed;
 - (B) permitting hunting and fishing;
 - (C) providing opportunities for primitive and semi-primitive recreation and scientific research and study;
 - (D) protecting and enhancing populations of fish, wildlife and native plant species; and

- (4) the Area shall, subject to valid existing rights, be permanently withdrawn from all forms of entry and appropriation under the U.S. mining laws and mineral leasing laws, including the Geothermal Steam Act of 1970.

(c) **NO BUFFER ZONES.**—Congress does not intend that the designation of the Kelly Butte Special Management Area lead to the creation of protective perimeters or buffer zones around the Area. The fact that non-compatible activities or uses can be seen or heard from within the Kelly Butte Special Management Area shall not, of itself, preclude such activities or uses up to the boundary of the Area.

SEC. 612. EFFECT ON COUNTY REVENUES.

The Secretary shall consult with the appropriate Committees of Congress, and local elected officials in the counties in the State of Washington in which the offered lands are located, regarding options to minimize the adverse effect on county revenues of the transfer of the offered lands from private to Federal ownership.

of 1998.

note.

TITLE VII

INDIAN TRIBAL TORT CLAIMS AND RISK MANAGEMENT

SEC. 701. SHORT TITLE.

This title may be cited as the “Indian Tribal Tort Claims and Risk Management Act of 1998”.

SEC. 702. FINDINGS AND PURPOSE.

(a) **FINDINGS.**—Congress finds that—

(1) Indian tribes have made significant achievements toward developing a foundation for economic self-sufficiency and self-determination, and that economic self-sufficiency and self-determination have increased opportunities for the Indian tribes and other entities and persons to interact more frequently in commerce and intergovernmental relationships;

(2) although Indian tribes have sought and secured liability insurance coverage to meet their needs, many Indian tribes are faced with significant barriers to obtaining liability insurance because of the high cost or unavailability of such coverage in the private market;

(3) as a result, Congress has extended liability coverage provided to Indian tribes to organizations to carry out activities under the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450 et seq.); and

(4) there is an emergent need for comprehensive and cost-efficient insurance that allows the economy of Indian tribes to continue to grow and provides compensation to persons that may suffer personal injury or loss of property.

(b) PURPOSE.—The purpose of this title is to provide for a study to facilitate relief for a person who is injured as a result of an official action of a tribal government.

SEC. 703. DEFINITIONS.

SEC. 704. STUDY AND REPORT TO CONGRESS.

(a) IN GENERAL.—

(1) STUDY.—In order to minimize and, if possible, eliminate redundant or duplicative liability insurance coverage and to ensure that the provision of insurance to Indian tribes is cost-effective, the Secretary shall conduct a comprehensive survey of the degree, type, and adequacy of liability insurance coverage of Indian tribes at the time of the study.

(2) CONTENTS OF STUDY.—The study conducted under this subsection shall include—

- (A) an analysis of loss data;
- (B) risk assessments;
- (C) projected exposure to liability, and related matters;

and

(D) the category of risk and coverage involved, which may include—

- (i) general liability;
- (ii) automobile liability;
- (iii) the liability of officials of the Indian tribe;
- (iv) law enforcement liability;
- (v) workers’ compensation; and
- (vi) other types of liability contingencies.

(3) ASSESSMENT OF COVERAGE BY CATEGORIES OF RISK.—For each Indian tribe, for each category of risk identified under paragraph (2), the Secretary, in conducting the study, shall determine whether insurance coverage or coverage under chapter 171 of title 28, United States Code, applies to that Indian tribe for that activity.

(b) REPORT.—Not later than June 1, 1999, and annually thereafter, the Secretary shall submit a report to Congress that contains legislative recommendations that the Secretary determines to—

- (1) be appropriate to improve the provision of insurance coverage to Indian tribes; or

(2) otherwise achieve the purpose of providing relief to persons who are injured as a result of an official action of a tribal government.

SEC. 705. AUTHORIZATION OF APPROPRIATIONS.

(2) From the remaining \$2,000,000 and any amounts available after making payments under paragraph (1), the Secretary shall then make supplemental payments to local educational agencies that are not described in paragraph (1) of this subsection, but that meet the requirements of paragraphs (2) and (4) of section 8003(f) of the ESEA for fiscal year 1999, except that such agencies may count for purposes of eligibility for these supplemental payments, all students described in section 8003(a)(1).

(3) After making payments under section 8003(f) to all eligible applicants for fiscal years before fiscal year 1999, the Secretary shall use the combined amount of any funds remaining available under that subsection, and any amounts that may remain for fiscal year 1999 after making payments under paragraphs (1) and (2) of this subsection, to make the following payments:

(A) First, an amount not to exceed \$3,000,000 to Impact Aid applicant number 20-0019.

(1) eligible local educational agencies may count all children described in section 8003(a)(1) in computing the amount of those payments;

(2) maximum payments for any of those agencies that use local contribution rates identified in section 8003(b)(1)(C)(i) or (ii) shall be computed by using four-fifths instead of one-half of those rates;

(4) for an eligible local educational agency with 35 percent or more of its children in average daily attendance described in either subparagraph (D) or (E) of section 8003(a)(1), the weighted student unit figure from its regular basic support payment shall be recomputed by using a factor of 0.55 for such children;

(5) for an eligible local educational agency with fewer than 100 children in average daily attendance, the weighted student unit figure from its regular basic support payment shall be recomputed by multiplying the total number of children described in section 8003(a)(1) by a factor of 1.5; and

(6) for an eligible local educational agency whose total number of children in average daily attendance is at least 100, but fewer than 750, the weighted student unit figure from its regular basic support payment shall be recomputed by multiplying the total number of children described in section 8003(a)(1) by a factor of 1.25.

(c) For a local educational agency described in subsection (a)(1)(C) above, the Secretary shall use the formula contained in

section 8003(b)(1)(C) of the ESEA, except that the weighted student unit total from its regular basic support payment shall be increased by 35 percent and its learning opportunity threshold percentage shall be deemed to be 100.

(d) For each eligible local educational agency, the calculated supplemental basic support payment shall be reduced by subtracting the agency's regular fiscal year 1999 section 8003(b) basic support payment.

(e) The actual supplemental basic support payment that local educational agencies receive shall be treated under section 8009 in the same manner as payments under section 8003(f).

(f) If the sums described in subsections (a)(1) and (2) above are insufficient to pay in full the calculated supplemental basic support payments for the local educational agencies identified in those subsections, the Secretary shall ratably reduce the supplemental basic support payment to each local educational agency: *Provided further*, That the Secretary of Education shall treat as timely filed, and shall process for payment, an application for a fiscal year 1998 payment from the local educational agency for Prince Georges County, Maryland, under section 8003 of the Elementary and Secondary Education Act of 1965 if the Secretary has received that application not later than 30 days after the enactment of this Act: *Provided further*, That from the amount appropriated for section 8008 the Secretary shall award \$500,000 to the Randolph Field Independent School District, Texas: *Provided further*, That for the purposes of computing the amount of payment for a local educational agency for children identified under section 8003, children residing in housing initially acquired or constructed under section 801 of the Military Construction Authorization Act of 1984, (Public Law 98-115) ("Build to Lease" program) shall be considered as children described under section 8003(a)(1)(B) if the property described is within the fenced security perimeter of the military facility upon which such housing is situated: *Provided further*, That if such property is not owned by the Federal Government, is subject to taxation by a State or political subdivision of a State, and thereby generates revenues for a local educational agency which received a payment from the Secretary under section 8003, the Secretary shall:

(A) require such local educational agency to provide certification from an appropriate official of the Department of Defense that such property is being used to provide military housing; and

(B) reduce the amount of such payment by an amount equal to the amount of revenue from such taxation received in the second preceding fiscal year by such local educational agency, unless the amount of such revenue was taken into account by the State for such second preceding fiscal year and already resulted in a reduction in the amount of State aid paid to such local educational agency: *Provided further*, That of the funds available for payments under section 8002, the Secretary shall pay the San Diego, California, Centennial, Pennsylvania, and Hatboro-Horsham, Pennsylvania, local educational agencies the sum of \$500,000 each, in addition to their regularly calculated payments, except that the total funds these agencies receive under this section may not exceed 50 percent of their maximum section 8002 payments.

The fact that an alien may be eligible to be granted the status of having been lawfully admitted for permanent residence under this section shall not preclude the alien from seeking such status under any other provision of law for which the alien may be eligible.

(i) ADJUSTMENT OF STATUS HAS NO EFFECT ON ELIGIBILITY FOR WELFARE AND PUBLIC BENEFITS.—No alien whose status has been adjusted in accordance with this section and who was not a qualified alien on the date of enactment of this Act may, solely on the basis of such adjusted status, be considered to be a qualified alien under section 431(b) of the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (8 U.S.C. 1641(b)), as amended by section 5302 of the Balanced Budget Act of 1997 (Public

SEC. 111. STEEL IMPORTS INTO THE UNITED STATES. (a) FINDINGS.—Congress makes the following findings:

(1) The current financial crises in Asia, the independent States of the former Soviet Union (as defined in section 3 of the FREEDOM Support Act), Russia, and other areas of the world, involve significant depreciation in the currencies of several key steel-producing and steel-consuming countries, along with a collapse in the domestic demand for steel in the countries.

(2) The crises have generated and will continue to generate increases in United States imports of steel, both from the countries whose currencies have been depreciated and from other Asian steel-producing countries that are no longer able

to export steel to the countries that are experiencing an economic crisis.

(3) United States imports of finished steel mill products from Asian steel-producing countries, such as the People's Republic of China, Japan, Korea, India, Taiwan, Indonesia, Thailand, and Malaysia, increased by 79 percent in the first 5 months of 1998.

(4) Year-to-date imports of steel from Russia now exceed the record import levels of 1997, and steel imports from Russia and the Ukraine now approach 2,500,000 net tons.

(5) Foreign government trade restrictions and private restraints of trade distort international trade and investment patterns and result in burdens on United States commerce, including absorption of a disproportionate share of steel diverted from other countries.

(6) The European Union, for example, despite also being a major economy, in 1997 imported only one-tenth as much finished steel products from Asian steel-producing countries as the United States did and has restricted imports of steel from the independent states of the former Soviet Union and Russia.

(7) The United States is simultaneously facing a substantial increase in steel imports from the independent states of the former Soviet Union and Russia, caused in part by the closure of Asian markets to steel imports.

(8) There is a well recognized need for improvement in the enforcement of the United States trade laws to provide an effective response to situations of such increased imports.

(b) SENSE OF CONGRESS.—Congress calls upon the President to—

(1) pursue enhanced enforcement of the United States trade laws with respect to the increase in steel imports into the United States, using all remedies available under United States laws including imposition of offsetting duties, quantitative restrictions, and other appropriate remedial measures;

(2) pursue with all methods at the President's disposal to achieve a more equitable sharing of the burden of accepting imports of finished steel products from Asia and the independent states of the former Soviet Union;

(3) establish a task force within the executive branch that has responsibility for closely monitoring imports of steel into the United States; and

(4) report to Congress not later than January 5, 1999, with a comprehensive plan for responding to the increase in steel imports, including ways of limiting the deleterious effects on employment, prices, and investment in the United States steel industry.

TITLE II—FISHERIES

American Fisheries Act.

Subtitle I—Fishery Endorsements

SEC. 201. SHORT TITLE.

46 USC 2101 note.

This title may be cited as the “American Fisheries Act”.

SEC. 202. STANDARD FOR FISHERY ENDORSEMENTS.

(a) STANDARD.—Section 12102(c) of title 46, United States Code, is amended to read as follows—

“(c)(1) A vessel owned by a corporation, partnership, association, trust, joint venture, limited liability company, limited liability partnership, or any other entity is not eligible for a fishery endorsement under section 12108 of this title unless at least 75 per centum of the interest in such entity, at each tier of ownership of such entity and in the aggregate, is owned and controlled by citizens of the United States.

Applicability.

“(2) The Secretary shall apply section 2(c) of the Shipping Act, 1916 (46 App. U.S.C. 802(c)) in determining under this subsection whether at least 75 per centum of the interest in a corporation, partnership, association, trust, joint venture, limited liability company, limited liability partnership, or any other entity is owned and controlled by citizens of the United States. For the purposes of this subsection and of applying the restrictions on controlling interest in section 2(c) of such Act, the terms ‘control’ or ‘controlled’—

“(A) shall include—

“(i) the right to direct the business of the entity which owns the vessel;

“(ii) the right to limit the actions of or replace the chief executive officer, a majority of the board of directors, any general partner, or any person serving in a management capacity of the entity which owns the vessel; or

“(iii) the right to direct the transfer, operation or manning of a vessel with a fishery endorsement; and

“(B) shall not include the right to simply participate in the activities under subparagraph (A), or the use by a mortgagee under paragraph (4) of loan covenants approved by the Secretary.

“(3) A fishery endorsement for a vessel that is chartered or leased to an individual who is not a citizen of the United States or to an entity that is not eligible to own a vessel with a fishery endorsement and used as a fishing vessel shall be invalid immediately upon such use.

“(4)(A) An individual or entity that is otherwise eligible to own a vessel with a fishery endorsement shall be ineligible by reason of an instrument or evidence of indebtedness, secured by a mortgage of the vessel to a trustee eligible to own a vessel with a fishery endorsement that is issued, assigned, transferred or held in trust for a person not eligible to own a vessel with a fishery endorsement, unless the Secretary determines that the issuance, assignment, transfer, or trust arrangement does not result in an impermissible transfer of control of the vessel and that the trustee—

“(i) is organized as a corporation, and is doing business, under the laws of the United States or of a State;

“(ii) is authorized under those laws to exercise corporate trust powers;

“(iii) is subject to supervision or examination by an official of the United States Government or a State;

“(iv) has a combined capital and surplus (as stated in its most recent published report of condition) of at least \$3,000,000; and

“(v) meets any other requirements prescribed by the Secretary.

“(B) A vessel with a fishery endorsement may be operated by a trustee only with the approval of the Secretary.

“(C) A right under a mortgage of a vessel with a fishery endorsement may be issued, assigned, or transferred to a person not eligible to be a mortgagee of that vessel under section 31322(a)(4) of this title only with the approval of the Secretary.

“(D) The issuance, assignment, or transfer of an instrument or evidence of indebtedness contrary to this paragraph is voidable by the Secretary.

“(5) The requirements of this subsection shall not apply to a vessel when it is engaged in fisheries in the exclusive economic zone under the authority of the Western Pacific Fishery Management Council established under section 302(a)(1)(H) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1852(a)(1)(H)) or to a purse seine vessel when it is engaged in tuna fishing in the Pacific Ocean outside the exclusive economic zone of the United States or pursuant to the South Pacific Regional Fisheries Treaty, provided that the owner of the vessel continues to comply with the eligibility requirements for a fishery endorsement under the federal law that was in effect on October 1, 1998. A fishery endorsement issued by the Secretary pursuant to this paragraph shall be valid for engaging only in fisheries in the exclusive economic zone under the authority of such Council, in such tuna fishing in the Pacific Ocean, or pursuant to such Treaty.

“(6) A vessel greater than 165 feet in registered length, of more than 750 gross registered tons, or that has an engine or engines capable of producing a total of more than 3,000 shaft horsepower is not eligible for a fishery endorsement under section 12108 of this title unless—

“(A)(i) a certificate of documentation was issued for the vessel and endorsed with a fishery endorsement that was effective on September 25, 1997;

“(ii) the vessel is not placed under foreign registry after the date of the enactment of the American Fisheries Act; and

“(iii) in the event of the invalidation of the fishery endorsement after the date of the enactment of the American Fisheries Act, application is made for a new fishery endorsement within fifteen (15) business days of such invalidation; or

“(B) the owner of such vessel demonstrates to the Secretary that the regional fishery management council of jurisdiction established under section 302(a)(1) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1852(a)(1)) has recommended after the date of the enactment of the American Fisheries Act, and the Secretary of Commerce has approved, conservation and management measures in accordance with such Act to allow such vessel to be used in fisheries under such council’s authority.”

(b) PREFERRED MORTGAGE.—Section 31322(a) of title 46, United States Code is amended—

(1) by striking “and” at the end of paragraph (2);

SEC. 207. BUYOUT.

(a) **FEDERAL LOAN.**—Under the authority of sections 1111 and 1112 of title XI of the Merchant Marine Act, 1936 (46 U.S.C. (1) up to \$90,000,000 to the owner or owners of the catcher/processors listed in paragraphs (1) through (9) of section 209, in such manner as the owner or owners, with the concurrence of the Secretary, agree, except that—

(A) the portion of such payment with respect to the catcher/processor listed in paragraph (1) of section 209 shall be made only after the owner submits a written certification acceptable to the Secretary that neither the owner nor a purchaser from the owner intends to use such catcher/processor outside of the exclusive economic

zone of the United States to harvest any stock of fish (as such term is defined in section 3 of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1802)) that occurs within the exclusive economic zone of the United States; and

(B) the portion of such payment with respect to the catcher/processors listed in paragraphs (2) through (9) of section 209 shall be made only after the owner or owners of such catcher/processors submit a written certification acceptable to the Secretary that such catcher/processors will be scrapped by December 31, 2000 and will not, before that date, be used to harvest or process any fish; and (2)(A) if a contract has been filed under section 210(a) by the catcher/processors listed in section 208(e), \$5,000,000 to the owner or owners of the catcher/processors listed in paragraphs (10) through (14) of such section in such manner as the owner or owners, with the concurrence of the Secretary, agree; or

except that any such payments shall be reduced by any obligation to the federal government that has not been satisfied by such owner or owners of any such vessels.

(e) PENALTY.—If the catcher/processor under paragraph (1) of section 209 is used outside of the exclusive economic zone of the United States to harvest any stock of fish that occurs within the exclusive economic zone of the United States while the owner who received the payment under subsection (d)(1)(A) has an ownership interest in such vessel, or if the catcher/processors listed in paragraphs (2) through (9) of section 209 are determined by the Secretary not to have been scrapped by December 31, 2000 or to have been used in a manner inconsistent with subsection (d)(1)(B), the Secretary may suspend any or all of the federal permits which allow any vessels owned in whole or in part by the owner or owners who received payments under subsection (d)(1) to harvest or process fish within the exclusive economic zone of the United States until such time as the obligations of such owner or owners under subsection (d)(1) have been fulfilled to the satisfaction of the Secretary.

(f) PROGRAM DEFINED; MATURITY.—For the purposes of section 1111 of the Merchant Marine Act, 1936 (46 U.S.C. (2) Upon recommendation by the North Pacific Council, the Secretary may approve measures to allow catcher vessels eligible under subsection (a) to deliver pollock harvested from the directed

fishing allowance under section 206(b)(1) to shoreside processors not eligible under paragraph (1) if the total allowable catch for pollock in the Bering Sea and Aleutian Islands Management Area increases by more than 10 percent above the total allowable catch in such fishery in 1997, or in the event of the actual total loss or constructive total loss of a shoreside processor eligible under paragraph (1)(A).

(g) REPLACEMENT VESSELS.—In the event of the actual total loss or constructive total loss of a vessel eligible under subsections (a), (b), (c), (d), or (e), the owner of such vessel may replace such vessel with a vessel which shall be eligible in the same manner under that subsection as the eligible vessel, provided that—

(1) such loss was caused by an act of God, an act of war, a collision, an act or omission of a party other than the owner or agent of the vessel, or any other event not caused by the willful misconduct of the owner or agent;

(2) the replacement vessel was built in the United States and if ever rebuilt, was rebuilt in the United States;

(3) the fishery endorsement for the replacement vessel is issued within 36 months of the end of the last year in which the eligible vessel harvested or processed pollock in the directed pollock fishery;

(4) if the eligible vessel is greater than 165 feet in registered length, of more than 750 gross registered tons, or has engines capable of producing more than 3,000 shaft horsepower, the replacement vessel is of the same or lesser registered length, gross registered tons, and shaft horsepower;

(5) if the eligible vessel is less than 165 feet in registered length, of fewer than 750 gross registered tons, and has engines incapable of producing less than 3,000 shaft horsepower, the replacement vessel is less than each of such thresholds and does not exceed by more than 10 percent the registered length, gross registered tons or shaft horsepower of the eligible vessel; and

(i) ELIGIBILITY NOT A RIGHT.—Eligibility under this section shall not be construed—

(2) to create any right, title, or interest in or to any fish in any fishery; or

(3) to waive any provision of law otherwise applicable to such catcher vessel, catcher/processor, mothership, or shoreside processor.

SEC. 209. LIST OF INELIGIBLE VESSELS.

Effective date.

SEC. 210. FISHERY COOPERATIVE LIMITATIONS.

(a) PUBLIC NOTICE.—(1) Any contract implementing a fishery cooperative under section 1 of the Act of June 25, 1934 (15 U.S.C. 521) in the directed pollock fishery and any material modifications to any such contract shall be filed not less than 30 days prior to the start of fishing under the contract with the North Pacific Council and with the Secretary, together with a copy of a letter from a party to the contract requesting a business review letter on the fishery cooperative from the Department of Justice and any response to such request. Notwithstanding section 402 of the Magnuson-Stevens Act (16 U.S.C. 1881a) or any other provision of law, but taking into account the interest of parties to any such contract in protecting the confidentiality of proprietary information, the North Pacific Council and Secretary shall—

(A) make available to the public such information about the contract, contract modifications, or fishery cooperative the North Pacific Council and Secretary deem appropriate, which at a minimum shall include a list of the parties to the contract, a list of the vessels involved, and the amount of pollock and other fish to be harvested by each party to such contract; and

(B) make available to the public in such manner as the North Pacific Council and Secretary deem appropriate information about the harvest by vessels under a fishery cooperative of all species (including bycatch) in the directed pollock fishery on a vessel-by-vessel basis.

- Effective date.
- (b) CATCHER VESSELS ONSHORE.—
- (1) CATCHER VESSEL COOPERATIVES.—Effective January 1, 2000, upon the filing of a contract implementing a fishery cooperative under subsection (a) which—
- (A) is signed by the owners of 80 percent or more of the qualified catcher vessels that delivered pollock for processing by a shoreside processor in the directed pollock fishery in the year prior to the year in which the fishery cooperative will be in effect; and
- (B) specifies, except as provided in paragraph (6), that such catcher vessels will deliver pollock in the directed pollock fishery only to such shoreside processor during the year in which the fishery cooperative will be in effect and that such shoreside processor has agreed to process such pollock,
- the Secretary shall allow only such catcher vessels (and catcher vessels whose owners voluntarily participate pursuant to paragraph (2)) to harvest the aggregate percentage of the directed fishing allowance under section 206(b)(1) in the year in which the fishery cooperative will be in effect that is equivalent to the aggregate total amount of pollock harvested by such catcher vessels (and by such catcher vessels whose owners voluntarily participate pursuant to paragraph (2)) in the directed pollock fishery for processing by the inshore component during 1995, 1996, and 1997 relative to the aggregate total amount of pollock harvested in the directed pollock fishery for processing by the inshore component during such years and shall prevent such catcher vessels (and catcher vessels whose owners voluntarily participate pursuant to paragraph (2)) from harvesting in aggregate in excess of such percentage of such directed fishing allowance.
- (2) VOLUNTARY PARTICIPATION.—Any contract implementing a fishery cooperative under paragraph (1) must allow the owners of other qualified catcher vessels to enter into such contract after it is filed and before the calendar year in which fishing will begin under the same terms and conditions as the owners of the qualified catcher vessels who entered into such contract upon filing.
- (3) QUALIFIED CATCHER VESSEL.—For the purposes of this subsection, a catcher vessel shall be considered a “qualified catcher vessel” if, during the year prior to the year in which the fishery cooperative will be in effect, it delivered more pollock to the shoreside processor to which it will deliver pollock under the fishery cooperative in paragraph (1) than to any other shoreside processor.
- (4) CONSIDERATION OF CERTAIN VESSELS.—Any contract implementing a fishery cooperative under paragraph (1) which has been entered into by the owner of a qualified catcher vessel eligible under section 208(a) that harvested pollock for processing by catcher/processors or motherships in the directed pollock fishery during 1995, 1996, and 1997 shall, to the extent practicable, provide fair and equitable terms and conditions for the owner of such qualified catcher vessel.
- (5) OPEN ACCESS.—A catcher vessel eligible under section 208(a) the catch history of which has not been attributed to a fishery cooperative under paragraph (1) may be used to deliver pollock harvested by such vessel from the directed fishing allowance under section 206(b)(1) (other than pollock

reserved under paragraph (1) for a fishery cooperative) to any of the shoreside processors eligible under section 208(f). A catcher vessel eligible under section 208(a) the catch history of which has been attributed to a fishery cooperative under paragraph (1) during any calendar year may not harvest any pollock apportioned under section 206(b)(1) in such calendar year other than the pollock reserved under paragraph (1) for such fishery cooperative.

(6) TRANSFER OF COOPERATIVE HARVEST.—A contract implementing a fishery cooperative under paragraph (1) may, notwithstanding the other provisions of this subsection, provide for up to 10 percent of the pollock harvested under such cooperative to be processed by a shoreside processor eligible under section 208(f) other than the shoreside processor to which pollock will be delivered under paragraph (1).

(c) CATCHER VESSELS TO CATCHER/PROCESSORS.—Effective January 1, 1999, not less than 8.5 percent of the directed fishing allowance under section 206(b)(2) shall be available for harvest only by the catcher vessels eligible under section 208(b). The owners of such catcher vessels may participate in a fishery cooperative with the owners of the catcher/processors eligible under paragraphs (1) through (20) of the section 208(e). The owners of such catcher vessels may participate in a fishery cooperative that will be in effect during 1999 only if the contract implementing such cooperative establishes penalties to prevent such vessels from exceeding in 1999 the traditional levels harvested by such vessels in all other fisheries in the exclusive economic zone of the United States.

Effective date.

(d) CATCHER VESSELS TO MOTHERSHIPS.—

(1) PROCESSING.—Effective January 1, 2000, the authority in section 1 of the Act of June 25, 1934 (48 Stat. 1213 and 1214; 15 U.S.C. 521 et seq.) shall extend to processing by motherships eligible under section 208(d) solely for the purposes of forming or participating in a fishery cooperative in the directed pollock fishery upon the filing of a contract to implement a fishery cooperative under subsection (a) which has been entered into by the owners of 80 percent or more of the catcher vessels eligible under section 208(c) for the duration of such contract, provided that such owners agree to the terms of the fishery cooperative involving processing by the motherships.

Effective date.

(2) VOLUNTARY PARTICIPATION.—Any contract implementing a fishery cooperative described in paragraph (1) must allow the owners of any other catcher vessels eligible under section 208(c) to enter such contract after it is filed and before the calendar year in which fishing will begin under the same terms and conditions as the owners of the catcher vessels who entered into such contract upon filing.

(e) EXCESSIVE SHARES.—

(1) HARVESTING.—No particular individual, corporation, or other entity may harvest, through a fishery cooperative or otherwise, a total of more than 17.5 percent of the pollock available to be harvested in the directed pollock fishery.

(2) PROCESSING.—Under the authority of section 301(a)(4) of the Magnuson-Stevens Act (16 U.S.C. 1851(a)(4)), the North Pacific Council is directed to recommend for approval by the Secretary conservation and management measures to prevent any particular individual or entity from processing an excessive

share of the pollock available to be harvested in the directed pollock fishery. In the event the North Pacific Council recommends and the Secretary approves an excessive processing share that is lower than 17.5 percent, any individual or entity that previously processed a percentage greater than such share shall be allowed to continue to process such percentage, except that their percentage may not exceed 17.5 percent (excluding pollock processed by catcher/processors that was harvested in the directed pollock fishery by catcher vessels eligible under 208(b)) and shall be reduced if their percentage decreases, until their percentage is below such share. In recommending the excessive processing share, the North Pacific Council shall consider the need of catcher vessels in the directed pollock fishery to have competitive buyers for the pollock harvested by such vessels.

(3) REVIEW BY MARITIME ADMINISTRATION.—At the request of the North Pacific Council or the Secretary, any individual or entity believed by such Council or the Secretary to have exceeded the percentage in either paragraph (1) or (2) shall submit such information to the Administrator of the Maritime Administration as the Administrator deems appropriate to allow the Administrator to determine whether such individual or entity has exceeded either such percentage. The Administrator shall make a finding as soon as practicable upon such request and shall submit such finding to the North Pacific Council and the Secretary. For the purposes of this subsection, any entity in which 10 percent or more of the interest is owned or controlled by another individual or entity shall be considered to be the same entity as the other individual or entity.

(f) LANDING TAX JURISDICTION.—Any contract filed under subsection (a) shall include a contract clause under which the parties to the contract agree to make payments to the State of Alaska for any pollock harvested in the directed pollock fishery which is not landed in the State of Alaska, in amounts which would otherwise accrue had the pollock been landed in the State of Alaska subject to any landing taxes established under Alaska law. Failure to include such a contract clause or for such amounts to be paid shall result in a revocation of the authority to form fishery cooperatives under section 1 of the Act of June 25, 1934 (15 U.S.C. 521 et seq.).

(g) PENALTIES.—The violation of any of the requirements of this section or section 211 shall be considered the commission of an act prohibited by section 307 of the Magnuson-Stevens Act (16 U.S.C. 1857). In addition to the civil penalties and permit sanctions applicable to prohibited acts under section 308 of such Act (16 U.S.C. 1858), any person who is found by the Secretary, after notice and an opportunity for a hearing in accordance with section 554 of title 5, United States Code, to have violated a requirement of this section shall be subject to the forfeiture to the Secretary of Commerce of any fish harvested or processed during the commission of such act.

SEC. 211. PROTECTIONS FOR OTHER FISHERIES; CONSERVATION MEASURES.

(a) GENERAL.—The North Pacific Council shall recommend for approval by the Secretary such conservation and management

measures as it determines necessary to protect other fisheries under its jurisdiction and the participants in those fisheries, including processors, from adverse impacts caused by this Act or fishery cooperatives in the directed pollock fishery.

(b) CATCHER/PROCESSOR RESTRICTIONS.—

(B) processing any groundfish harvested from the portion of the exclusive economic zone off Alaska known as area 630 under the fishery management plan for Gulf of Alaska groundfish; or

(C) processing any pollock in the Gulf of Alaska (other than as bycatch in non-pollock groundfish fisheries) or processing, in the aggregate, a total of more than 10 percent

of the cod harvested from areas 610, 620, and 640 of the Gulf of Alaska under the fishery management plan for Gulf of Alaska groundfish.

(5) FISHERIES OTHER THAN NORTH PACIFIC.—The catcher/processors eligible under paragraphs (1) through (20) of section 208(e) and motherships eligible under section 208(d) are hereby prohibited from harvesting fish in any fishery under the authority of any regional fishery management council established under section 302(a) of the Magnuson-Stevens Act (16 U.S.C. 1852(a)) other than the North Pacific Council, except for the Pacific whiting fishery, and from processing fish in any fishery under the authority of any such regional fishery management council other than the North Pacific Council, except in the Pacific whiting fishery, unless the catcher/processor or mothership is authorized to harvest or process fish under a fishery management plan recommended by the regional fishery management council of jurisdiction and approved by the Secretary.

(c) CATCHER VESSEL AND SHORESIDE PROCESSOR RESTRICTIONS.—

(1) REQUIRED COUNCIL RECOMMENDATIONS.—By not later than July 1, 1999, the North Pacific Council shall recommend for approval by the Secretary conservation and management measures to—

(A) prevent the catcher vessels eligible under subsections (a), (b), and (c) of section 208 from exceeding in the aggregate the traditional harvest levels of such vessels in other fisheries under the authority of the North Pacific Council as a result of fishery cooperatives in the directed pollock fishery; and

(B) protect processors not eligible to participate in the directed pollock fishery from adverse effects as a result of this Act or fishery cooperatives in the directed pollock fishery.

If the North Pacific Council does not recommend such conservation and management measures by such date, or if the Secretary determines that such conservation and management measures recommended by the North Pacific Council are not adequate to fulfill the purposes of this paragraph, the Secretary may by regulation restrict or change the authority in section

210(b) to the extent the Secretary deems appropriate, including by preventing fishery cooperatives from being formed pursuant to such section and by providing greater flexibility with respect to the shoreside processor or shoreside processors to which catcher vessels in a fishery cooperative under section 210(b) may deliver pollock.

(2) BERING SEA CRAB AND GROUND FISH.—

(A) Effective January 1, 2000, the owners of the motherships eligible under section 208(d) and the shoreside processors eligible under section 208(f) that receive pollock from the directed pollock fishery under a fishery cooperative are hereby prohibited from processing, in the aggregate for each calendar year, more than the percentage of the total catch of each species of crab in directed fisheries under the jurisdiction of the North Pacific Council than facilities operated by such owners processed of each such species in the aggregate, on average, in 1995, 1996, 1997. For the purposes of this subparagraph, the term “facilities” means any processing plant, catcher/processor, mothership, floating processor, or any other operation that processes fish. Any entity in which 10 percent or more of the interest is owned or controlled by another individual or entity shall be considered to be the same entity as the other individual or entity for the purposes of this subparagraph.

Effective date.

(B) Under the authority of section 301(a)(4) of the Magnuson-Stevens Act (16 U.S.C. 1851(a)(4)), the North Pacific Council is directed to recommend for approval by the Secretary conservation and management measures to prevent any particular individual or entity from harvesting or processing an excessive share of crab or of groundfish in fisheries in the Bering Sea and Aleutian Islands Management Area.

(C) The catcher vessels eligible under section 208(b) are hereby prohibited from participating in a directed fishery for any species of crab in the Bering Sea and Aleutian Islands Management Area unless the catcher vessel harvested crab in the directed fishery for that species of crab in such Area during 1997 and is eligible to harvest such crab in such directed fishery under the license limitation program recommended by the North Pacific Council and approved by the Secretary. The North Pacific Council is directed to recommend measures for approval by the Secretary to eliminate latent licenses under such program, and nothing in this subparagraph shall preclude the Council from recommending measures more restrictive than under this paragraph.

(3) FISHERIES OTHER THAN NORTH PACIFIC.—

(A) By not later than July 1, 2000, the Pacific Fishery Management Council established under section 302(a)(1)(F) of the Magnuson-Stevens Act (16 U.S.C. 1852(a)(1)(F)) shall recommend for approval by the Secretary conservation and management measures to protect fisheries under its jurisdiction and the participants in those fisheries from adverse impacts caused by this Act or by any fishery cooperatives in the directed pollock fishery.

(B) If the Pacific Council does not recommend such conservation and management measures by such date, or

if the Secretary determines that such conservation and management measures recommended by the Pacific Council are not adequate to fulfill the purposes of this paragraph, the Secretary may by regulation implement adequate measures including, but not limited to, restrictions on vessels which harvest pollock under a fishery cooperative which will prevent such vessels from harvesting Pacific groundfish, and restrictions on the number of processors eligible to process Pacific groundfish.

(d) **BYCATCH INFORMATION.**—Notwithstanding section 402 of the Magnuson-Stevens Act (16 U.S.C. 1881a), the North Pacific Council may recommend and the Secretary may approve, under such terms and conditions as the North Pacific Council and Secretary deem appropriate, the public disclosure of any information from the groundfish fisheries under the authority of such Council that would be beneficial in the implementation of section 301(a)(9) or section 303(a)(11) of the Magnuson-Stevens Act (16 U.S.C. 1851(a)(9) and 1853(a)(11)).

(e) **COMMUNITY DEVELOPMENT LOAN PROGRAM.**—Under the authority of title XI of the Merchant Marine Act, 1936 (46 U.S.C. App. 1271 et seq.), and subject to the availability of appropriations, the Secretary is authorized to provide direct loan obligations to communities eligible to participate in the western Alaska community development quota program established under 304(i) of the Magnuson-Stevens Act (16 U.S.C. 1855(i)) for the purposes of purchasing all or part of an ownership interest in vessels and shoreside processors eligible under subsections (a), (b), (c), (d), (e), or (f) of section 208. Notwithstanding the eligibility criteria in section 208(a) and section 208(c), the LISA MARIE (United States official number 1038717) shall be eligible under such sections in the same manner as other vessels eligible under such sections.

This prohibition shall not apply to vessels to be used in the menhaden fishery or in tuna purse seine fisheries outside the exclusive economic zone of the United States or the area of the South Pacific Regional Fisheries Treaty.”

Sections 206, 208, and 210 shall remain in effect until December 31, 2004, and shall be repealed on such date, except that the North Pacific Council may recommend and the Secretary may approve conservation and management measures

as part of a fishery management plan under the Magnuson-Stevens Act to give effect to the measures in such sections thereafter.

(b) EXISTING AUTHORITY.—Except for the measures required by this subtitle, nothing in this subtitle shall be construed to limit the authority of the North Pacific Council or the Secretary under the Magnuson-Stevens Act.

(c) CHANGES TO FISHERY COOPERATIVE LIMITATIONS AND POLLOCK CDQ ALLOCATION.—The North Pacific Council may recommend and the Secretary may approve conservation and management measures in accordance with the Magnuson-Stevens Act—

(1) that supersede the provisions of this title, except for sections 206 and 208, for conservation purposes or to mitigate adverse effects in fisheries or on owners of fewer than three vessels in the directed pollock fishery caused by this title or fishery cooperatives in the directed pollock fishery, provided such measures take into account all factors affecting the fisheries and are imposed fairly and equitably to the extent practicable among and within the sectors in the directed pollock fishery;

(2) that supersede the allocation in section 206(a) for any of the years 2002, 2003, and 2004, upon the finding by such Council that the western Alaska community development quota program for pollock has been adversely affected by the amendments in this title; or

(3) that supersede the criteria required in paragraph (1) of section 210(b) to be used by the Secretary to set the percentage allowed to be harvested by catcher vessels pursuant to a fishery cooperative under such paragraph.

(d) REPORT TO CONGRESS.—Not later than October 1, 2000, the North Pacific Council shall submit a report to the Secretary and to Congress on the implementation and effects of this Act, including the effects on fishery conservation and management, on bycatch levels, on fishing communities, on business and employment practices of participants in any fishery cooperatives, on the western Alaska community development quota program, on any fisheries outside of the authority of the North Pacific Council, and such other matters as the North Pacific Council deems appropriate.

(e) REPORT ON FILLET PRODUCTION.—Not later than June 1, 2000, the General Accounting Office shall submit a report to the North Pacific Council, the Secretary, and the Congress on whether this Act has negatively affected the market for fillets and fillet blocks, including through the reduction in the supply of such fillets and fillet blocks. If the report determines that such market has been negatively affected, the North Pacific Council shall recommend measures for the Secretary's approval to mitigate any negative effects.

(f) SEVERABILITY.—If any provision of this title, an amendment made by this title, or the application of such provision or amendment to any person or circumstance is held to be unconstitutional, the remainder of this title, the amendments made by this title, and the application of the provisions of such to any person or circumstance shall not be affected thereby.

(g) INTERNATIONAL AGREEMENTS.—In the event that any provision of section 12102(c) or section 31322(a) of title 46, United States Code, as amended by this Act, is determined to be inconsistent with an existing international agreement relating to foreign investment to which the United States is a party with respect

to the owner or mortgagee on October 1, 2001 of a vessel with a fishery endorsement, such provision shall not apply to that owner or mortgagee with respect to such vessel to the extent of any such inconsistency. The provisions of section 12102(c) and section 31322(a) of title 46, United States Code, as amended by this Act, shall apply to all subsequent owners and mortgagees of such vessel, and shall apply, notwithstanding the preceding sentence, to the owner on October 1, 2001 of such vessel if any ownership interest in that owner is transferred to or otherwise acquired by a foreign individual or entity after such date.

(b) H-1B-DEPENDENT EMPLOYER AND OTHER DEFINITIONS.—

(1) IN GENERAL.—Section 212(n) (8 U.S.C. 1182(n)) is amended by adding at the end the following:

“(3)(A) For purposes of this subsection, the term ‘H-1B-dependent employer’ means an employer that—

“(i)(I) has 25 or fewer full-time equivalent employees who are employed in the United States; and (II) employs more than 7 H-1B nonimmigrants;

“(ii)(I) has at least 26 but not more than 50 full-time equivalent employees who are employed in the United States; and (II) employs more than 12 H-1B nonimmigrants; or

“(iii)(I) has at least 51 full-time equivalent employees who are employed in the United States; and (II) employs H-1B nonimmigrants in a number that is equal to at least 15 percent of the number of such full-time equivalent employees.

“(B) For purposes of this subsection—

“(i) the term ‘exempt H-1B nonimmigrant’ means an H-1B nonimmigrant who—

“(I) receives wages (including cash bonuses and similar compensation) at an annual rate equal to at least \$60,000; or

“(II) has attained a master’s or higher degree (or its equivalent) in a specialty related to the intended employment; and

“(ii) the term ‘nonexempt H-1B nonimmigrant’ means an H-1B nonimmigrant who is not an exempt H-1B nonimmigrant.

“(C) For purposes of subparagraph (A)—

“(i) in computing the number of full-time equivalent employees and the number of H-1B nonimmigrants, exempt H-1B nonimmigrants shall not be taken into account during the longer of—

“(I) the 6-month period beginning on the date of the enactment of the American Competitiveness and Workforce Improvement Act of 1998; or

“(II) the period beginning on the date of the enactment of the American Competitiveness and Workforce Improvement Act of 1998 and ending on the date final regulations are issued to carry out this paragraph; and

“(ii) any group treated as a single employer under subsection (b), (c), (m), or (o) of section 414 of the Internal Revenue Code of 1986 shall be treated as a single employer.

“(4) For purposes of this subsection:

“(A) The term ‘area of employment’ means the area within normal commuting distance of the worksite or physical location where the work of the H-1B nonimmigrant is or will be performed. If such worksite or location is within a Metropolitan Statistical Area, any place within such area is deemed to be within the area of employment.

“(B) In the case of an application with respect to one or more H-1B nonimmigrants by an employer, the employer is considered to ‘displace’ a United States worker from a job if the employer lays off the worker from a job that is essentially the equivalent of the job for which the nonimmigrant or nonimmigrants is or are sought. A job shall not be considered to be essentially equivalent of another job unless it involves essentially the same responsibilities, was held by a United States worker with substantially equivalent qualifications and experience, and is located in the same area of employment as the other job.

“(C) The term ‘H-1B nonimmigrant’ means an alien admitted or provided status as a nonimmigrant described in section 101(a)(15)(H)(i)(b).

“(D)(i) The term ‘lays off’, with respect to a worker—

“(I) means to cause the worker’s loss of employment, other than through a discharge for inadequate performance, violation of workplace rules, cause, voluntary departure, voluntary retirement, or the expiration of a grant or contract (other than a temporary employment contract entered into in order to evade a condition described in subparagraph (E) or (F) of paragraph (1)); but

“(II) does not include any situation in which the worker is offered, as an alternative to such loss of employment, a similar employment opportunity with the same employer (or, in the case of a placement of a worker with another employer under paragraph (1)(F), with either employer described in such paragraph) at equivalent or higher compensation and benefits than the position from which the employee was discharged, regardless of whether or not the employee accepts the offer.

“(ii) Nothing in this subparagraph is intended to limit an employee’s rights under a collective bargaining agreement or other employment contract.

“(E) The term ‘United States worker’ means an employee who—

“(i) is a citizen or national of the United States; or

“(ii) is an alien who is lawfully admitted for permanent residence, is admitted as a refugee under section 207, is granted asylum under section 208, or is an immigrant otherwise authorized, by this Act or by the Attorney General, to be employed.”.

(2) CONFORMING AMENDMENTS.—Section 212(n)(1) (8 U.S.C. 1182(n)(1)) is amended by striking “a nonimmigrant described in section 101(a)(15)(H)(i)(b)” each place it appears and inserting “an H-1B nonimmigrant”.

(c) IMPROVED POSTING OF NOTICE OF APPLICATION.—Section 212(n)(1)(C)(ii) (8 U.S.C. 1182(n)(1)(C)(ii)) is amended to read as follows:

“(ii) if there is no such bargaining representative, has provided notice of filing in the occupational classification through such methods as physical posting in conspicuous locations at the place of employment or electronic notification to employees in the occupational classification for which H-1B nonimmigrants are sought.”.

8 USC 1182 note.

(d) EFFECTIVE DATES.—The amendments made by subsection (a) apply to applications filed under section 212(n)(1) of the Immigration and Nationality Act on or after the date final regulations are issued to carry out such amendments, and the amendments made by subsections (b) and (c) take effect on the date of the enactment of this Act.

8 USC 1182 note.

(e) REDUCTION OF PERIOD FOR PUBLIC COMMENT.—In first promulgating regulations to implement the amendments made by this section in a timely manner, the Secretary of Labor and the Attorney General may reduce to not less than 30 days the period of public comment on proposed regulations.

SEC. 413. CHANGES IN ENFORCEMENT AND PENALTIES.

(a) INCREASED ENFORCEMENT AND PENALTIES.—Section 212(n)(2)(C) (8 U.S.C. 1182(n)(2)(C)) is amended to read as follows:

“(C)(i) If the Secretary finds, after notice and opportunity for a hearing, a failure to meet a condition of paragraph (1)(B), (1)(E), or (1)(F), a substantial failure to meet a condition of paragraph (1)(C), (1)(D), or (1)(G)(i)(I), or a misrepresentation of material fact in an application—

Notification.

“(I) the Secretary shall notify the Attorney General of such finding and may, in addition, impose such other administrative remedies (including civil monetary penalties in an amount not to exceed \$1,000 per violation) as the Secretary determines to be appropriate; and

“(II) the Attorney General shall not approve petitions filed with respect to that employer under section 204 or 214(c) during a period of at least 1 year for aliens to be employed by the employer.

“(ii) If the Secretary finds, after notice and opportunity for a hearing, a willful failure to meet a condition of paragraph (1), a willful misrepresentation of material fact in an application, or a violation of clause (iv)—

“(I) the Secretary shall notify the Attorney General of such finding and may, in addition, impose such other administrative remedies (including civil monetary penalties in an amount not to exceed \$5,000 per violation) as the Secretary determines to be appropriate; and Notification.

“(II) the Attorney General shall not approve petitions filed with respect to that employer under section 204 or 214(c) during a period of at least 2 years for aliens to be employed by the employer.

“(iii) If the Secretary finds, after notice and opportunity for a hearing, a willful failure to meet a condition of paragraph (1) or a willful misrepresentation of material fact in an application, in the course of which failure or misrepresentation the employer displaced a United States worker employed by the employer within the period beginning 90 days before and ending 90 days after the date of filing of any visa petition supported by the application—

“(I) the Secretary shall notify the Attorney General of such finding and may, in addition, impose such other administrative remedies (including civil monetary penalties in an amount not to exceed \$35,000 per violation) as the Secretary determines to be appropriate; and Notification.

“(II) the Attorney General shall not approve petitions filed with respect to that employer under section 204 or 214(c) during a period of at least 3 years for aliens to be employed by the employer.

“(iv) It is a violation of this clause for an employer who has filed an application under this subsection to intimidate, threaten, restrain, coerce, blacklist, discharge, or in any other manner discriminate against an employee (which term, for purposes of this clause, includes a former employee and an applicant for employment) because the employee has disclosed information to the employer, or to any other person, that the employee reasonably believes evidences a violation of this subsection, or any rule or regulation pertaining to this subsection, or because the employee cooperates or seeks to cooperate in an investigation or other proceeding concerning the employer’s compliance with the requirements of this subsection or any rule or regulation pertaining to this subsection.

“(v) The Secretary of Labor and the Attorney General shall devise a process under which an H-1B nonimmigrant who files a complaint regarding a violation of clause (iv) and is otherwise eligible to remain and work in the United States may be allowed to seek other appropriate employment in the United States for a period not to exceed the maximum period of stay authorized for such nonimmigrant classification.

“(vi)(I) It is a violation of this clause for an employer who has filed an application under this subsection to require an H-1B nonimmigrant to pay a penalty for ceasing employment with the employer prior to a date agreed to by the nonimmigrant and the employer. The Secretary shall determine whether a required payment is a penalty (and not liquidated damages) pursuant to relevant State law.

“(II) It is a violation of this clause for an employer who has filed an application under this subsection to require an alien who is the subject of a petition filed under section 214(c)(1), for which a fee is imposed under section 214(c)(9), to reimburse, or otherwise compensate, the employer for part or all of the cost of such fee.

It is a violation of this clause for such an employer otherwise to accept such reimbursement or compensation from such an alien.

“(III) If the Secretary finds, after notice and opportunity for a hearing, that an employer has committed a violation of this clause, the Secretary may impose a civil monetary penalty of \$1,000 for each such violation and issue an administrative order requiring the return to the nonimmigrant of any amount paid in violation of this clause, or, if the nonimmigrant cannot be located, requiring payment of any such amount to the general fund of the Treasury.

“(vii)(I) It is a failure to meet a condition of paragraph (1)(A) for an employer, who has filed an application under this subsection and who places an H-1B nonimmigrant designated as a full-time employee on the petition filed under section 214(c)(1) by the employer with respect to the nonimmigrant, after the nonimmigrant has entered into employment with the employer, in nonproductive status due to a decision by the employer (based on factors such as lack of work), or due to the nonimmigrant’s lack of a permit or license, to fail to pay the nonimmigrant full-time wages in accordance with paragraph (1)(A) for all such nonproductive time.

“(II) It is a failure to meet a condition of paragraph (1)(A) for an employer, who has filed an application under this subsection and who places an H-1B nonimmigrant designated as a part-time employee on the petition filed under section 214(c)(1) by the employer with respect to the nonimmigrant, after the nonimmigrant has entered into employment with the employer, in nonproductive status under circumstances described in subclause (I), to fail to pay such a nonimmigrant for such hours as are designated on such petition consistent with the rate of pay identified on such petition.

“(III) In the case of an H-1B nonimmigrant who has not yet entered into employment with an employer who has had approved an application under this subsection, and a petition under section 214(c)(1), with respect to the nonimmigrant, the provisions of subclauses (I) and (II) shall apply to the employer beginning 30 days after the date the nonimmigrant first is admitted into the United States pursuant to the petition, or 60 days after the date the nonimmigrant becomes eligible to work for the employer (in the case of a nonimmigrant who is present in the United States on the date of the approval of the petition).

“(IV) This clause does not apply to a failure to pay wages to an H-1B nonimmigrant for nonproductive time due to non-work-related factors, such as the voluntary request of the nonimmigrant for an absence or circumstances rendering the nonimmigrant unable to work.

“(V) This clause shall not be construed as prohibiting an employer that is a school or other educational institution from applying to an H-1B nonimmigrant an established salary practice of the employer, under which the employer pays to H-1B nonimmigrants and United States workers in the same occupational classification an annual salary in disbursements over fewer than 12 months, if—

“(aa) the nonimmigrant agrees to the compressed annual salary payments prior to the commencement of the employment; and

“(bb) the application of the salary practice to the nonimmigrant does not otherwise cause the nonimmigrant to

violate any condition of the nonimmigrant's authorization under this Act to remain in the United States.

“(VI) This clause shall not be construed as superseding clause (viii).

“(viii) It is a failure to meet a condition of paragraph (1)(A) for an employer who has filed an application under this subsection to fail to offer to an H-1B nonimmigrant, during the nonimmigrant's period of authorized employment, benefits and eligibility for benefits (including the opportunity to participate in health, life, disability, and other insurance plans; the opportunity to participate in retirement and savings plans; and cash bonuses and noncash compensation, such as stock options (whether or not based on performance)) on the same basis, and in accordance with the same criteria, as the employer offers to United States workers.”

(b) USE OF ARBITRATION PROCESS FOR DISPUTES INVOLVING QUALIFICATIONS OF UNITED STATES WORKERS NOT HIRED.—

(1) IN GENERAL.—Section 212(n) (8 U.S.C. 1182(n)), as amended by section 412(b), is further amended by adding at the end the following:

“(5)(A) This paragraph shall apply instead of subparagraphs (A) through (E) of paragraph (2) in the case of a violation described in subparagraph (B), but shall not be construed to limit or affect the authority of the Secretary or the Attorney General with respect to any other violation.

Applicability.

“(B) The Attorney General shall establish a process for the receipt, initial review, and disposition in accordance with this paragraph of complaints respecting an employer's failure to meet the condition of paragraph (1)(G)(i)(II) or a petitioner's misrepresentation of material facts with respect to such condition. Complaints may be filed by an aggrieved individual who has submitted a resume or otherwise applied in a reasonable manner for the job that is the subject of the condition. No proceeding shall be conducted under this paragraph on a complaint concerning such a failure or misrepresentation unless the Attorney General determines that the complaint was filed not later than 12 months after the date of the failure or misrepresentation, respectively.

Establishment.

“(C) If the Attorney General finds that a complaint has been filed in accordance with subparagraph (B) and there is reasonable cause to believe that such a failure or misrepresentation described in such complaint has occurred, the Attorney General shall initiate binding arbitration proceedings by requesting the Federal Mediation and Conciliation Service to appoint an arbitrator from the roster of arbitrators maintained by such Service. The procedure and rules of such Service shall be applicable to the selection of such arbitrator and to such arbitration proceedings. The Attorney General shall pay the fee and expenses of the arbitrator.

“(D)(i) The arbitrator shall make findings respecting whether a failure or misrepresentation described in subparagraph (B) occurred. If the arbitrator concludes that failure or misrepresentation was willful, the arbitrator shall make a finding to that effect. The arbitrator may not find such a failure or misrepresentation (or that such a failure or misrepresentation was willful) unless the complainant demonstrates such a failure or misrepresentation (or its willful character) by clear and convincing evidence. The arbitrator shall transmit the findings in the form of a written opinion to the parties to the arbitration and the Attorney General. Such findings shall be final and conclusive, and, except as provided

in this subparagraph, no official or court of the United States shall have power or jurisdiction to review any such findings.

“(ii) The Attorney General may review and reverse or modify the findings of an arbitrator only on the same bases as an award of an arbitrator may be vacated or modified under section 10 or 11 of title 9, United States Code.

“(iii) With respect to the findings of an arbitrator, a court may review only the actions of the Attorney General under clause (ii) and may set aside such actions only on the grounds described in subparagraph (A), (B), or (C) of section 706(a)(2) of title 5, United States Code. Notwithstanding any other provision of law, such judicial review may only be brought in an appropriate United States court of appeals.

“(E) If the Attorney General receives a finding of an arbitrator under this paragraph that an employer has failed to meet the condition of paragraph (1)(G)(i)(II) or has misrepresented a material fact with respect to such condition, unless the Attorney General reverses or modifies the finding under subparagraph (D)(ii)—

“(i) the Attorney General may impose administrative remedies (including civil monetary penalties in an amount not to exceed \$1,000 per violation or \$5,000 per violation in the case of a willful failure or misrepresentation) as the Attorney General determines to be appropriate; and

“(ii) the Attorney General is authorized to not approve petitions filed, with respect to that employer and for aliens to be employed by the employer, under section 204 or 214(c)—

“(I) during a period of not more than 1 year; or

“(II) in the case of a willful failure or willful misrepresentation, during a period of not more than 2 years.

“(F) The Attorney General shall not delegate, to any other employee or official of the Department of Justice, any function of the Attorney General under this paragraph, until 60 days after the Attorney General has submitted a plan for such delegation to the Committees on the Judiciary of the United States House of Representatives and the Senate.”

(2) CONFORMING AMENDMENT.—The first sentence of section 212(n)(2)(A) (8 U.S.C. 1182(n)(2)(A)) is amended by striking “The Secretary” and inserting “Subject to paragraph (5)(A), the Secretary”.

(c) LIABILITY OF PETITIONING EMPLOYER IN CASE OF PLACEMENT OF H–1B NONIMMIGRANT WITH ANOTHER EMPLOYER.—Section 212(n)(2) (8 U.S.C. 1182(n)(2)) is amended by adding at the end the following:

“(E) If an H–1B-dependent employer places a nonexempt H–1B nonimmigrant with another employer as provided under paragraph (1)(F) and the other employer has displaced or displaces a United States worker employed by such other employer during the period described in such paragraph, such displacement shall be considered for purposes of this paragraph a failure, by the placing employer, to meet a condition specified in an application submitted under paragraph (1); except that the Attorney General may impose a sanction described in subclause (II) of subparagraph (C)(i), (C)(ii), or (C)(iii) only if the Secretary of Labor found that such placing employer—

“(i) knew or had reason to know of such displacement at the time of the placement of the nonimmigrant with the other employer; or

“(ii) has been subject to a sanction under this subparagraph based upon a previous placement of an H-1B nonimmigrant with the same other employer.”.

(d) SPOT INVESTIGATIONS DURING PROBATIONARY PERIOD.—Section 212(n)(2) (8 U.S.C. 1182(n)(2)), as amended by subsection (c), is further amended by adding at the end the following:

“(F) The Secretary may, on a case-by-case basis, subject an employer to random investigations for a period of up to 5 years, beginning on the date (on or after the date of the enactment of the American Competitiveness and Workforce Improvement Act of 1998) on which the employer is found by the Secretary to have committed a willful failure to meet a condition of paragraph (1) (or has been found under paragraph (5) to have committed a willful failure to meet the condition of paragraph (1)(G)(i)(II)) or to have made a willful misrepresentation of material fact in an application. The preceding sentence shall apply to an employer regardless of whether or not the employer is an H-1B-dependent employer. The authority of the Secretary under this subparagraph shall not be construed to be subject to, or limited by, the requirements of subparagraph (A).”.

(e) ADDITIONAL INVESTIGATIVE AUTHORITY.—

(1) IN GENERAL.—Section 212(n)(2) (8 U.S.C. 1182(n)(2)), as amended by subsection (d), is further amended by adding at the end the following:

“(G)(i) If the Secretary receives specific credible information from a source, who is likely to have knowledge of an employer’s practices or employment conditions, or an employer’s compliance with the employer’s labor condition application under paragraph (1), and whose identity is known to the Secretary, and such information provides reasonable cause to believe that the employer has committed a willful failure to meet a condition of paragraph (1)(A), (1)(B), (1)(E), (1)(F), or (1)(G)(i)(I), has engaged in a pattern or practice of failures to meet such a condition, or has committed a substantial failure to meet such a condition that affects multiple employees, the Secretary may conduct a 30-day investigation into the alleged failure or failures. The Secretary (or the Acting Secretary in the case of the Secretary’s absence or disability) shall personally certify that the requirements for conducting such an investigation have been met and shall approve commencement of the investigation. The Secretary may withhold the identity of the source from the employer, and the source’s identity shall not be subject to disclosure under section 552 of title 5, United States Code.

Certification.

“(ii) The Secretary shall establish a procedure for any person, desiring to provide to the Secretary information described in clause (i) that may be used, in whole or in part, as the basis for commencement of an investigation described in such clause, to provide the information in writing on a form developed and provided by the Secretary and completed by or on behalf of the person. The person may not be an officer or employee of the Department of Labor, unless the information satisfies the requirement of clause (iii)(II) (although an officer or employee of the Department of Labor may complete the form on behalf of the person).

“(iii) Any investigation initiated or approved by the Secretary under clause (i) shall be based on information that satisfies the requirements of such clause and that (I) originates from a source other than an officer or employee of the Department of Labor,

or (II) was lawfully obtained by the Secretary of Labor in the course of lawfully conducting another Department of Labor investigation under this Act or any other Act.

“(iv) The receipt by the Secretary of information submitted by an employer to the Attorney General or the Secretary for purposes of securing the employment of an H–1B nonimmigrant shall not be considered a receipt of information for purposes of clause (i).

“(v) No investigation described in clause (i) (or hearing described in clause (vii)) may be conducted with respect to information about a failure to meet a condition described in clause (i), unless the Secretary receives the information not later than 12 months after the date of the alleged failure.

Notice.

“(vi) The Secretary shall provide notice to an employer with respect to whom the Secretary has received information described in clause (i), prior to the commencement of an investigation under such clause, of the receipt of the information and of the potential for an investigation. The notice shall be provided in such a manner, and shall contain sufficient detail, to permit the employer to respond to the allegations before an investigation is commenced. The Secretary is not required to comply with this clause if the Secretary determines that to do so would interfere with an effort by the Secretary to secure compliance by the employer with the requirements of this subsection. There shall be no judicial review of a determination by the Secretary under this clause.

Notice.

“(vii) If the Secretary determines under this subparagraph that a reasonable basis exists to make a finding that a failure described in clause (i) has occurred, the Secretary shall provide for notice of such determination to the interested parties and an opportunity for a hearing, in accordance with section 556 of title 5, United States Code, within 60 days after the date of the determination. If such a hearing is requested, the Secretary shall make a finding concerning the matter by not later than 60 days after the date of the hearing.”

8 USC 1182 note.

(2) SUNSET.—The amendment made by paragraph (1) shall cease to be effective on September 30, 2001.

(f) CONSTRUCTION.—Section 212(n)(2) (8 U.S.C. 1182(n)(2)), as amended by subsection (e), is further amended by adding at the end the following:

“(H) Nothing in this subsection shall be construed as superseding or preempting any other enforcement-related authority under this Act (such as the authorities under section 274B), or any other Act.”

“(i) initially to grant an alien nonimmigrant status described in section 101(a)(15)(H)(i)(b);

SEC. 802. FINDINGS AND STATEMENT OF POLICY.

(a) FINDINGS.—Congress makes the following findings:

(1) Teenage drug use in the United States has doubled since 1993.

(2) The drug crisis facing the United States is a top national security threat.

(3) The spread of illicit drugs through United States borders cannot be halted without an effective drug interdiction strategy.

(4) Effective drug interdiction efforts have been shown to limit the availability of illicit narcotics, drive up the street price, support demand reduction efforts, and decrease overall drug trafficking and use.

(5) A prerequisite for reducing youth drug use is increasing the price of drugs. To increase price substantially, at least 60 percent of drugs must be interdicted.

(6) In 1987, the national drug control budget maintained a significant balance between demand and supply reduction efforts, illustrated as follows:

(A) 29 percent of the total drug control budget expenditures for demand reduction programs.

(B) 38 percent of the total drug control budget expenditures for domestic law enforcement.

(C) 33 percent of the total drug control budget expenditures for international drug interdiction efforts.

(7) In the late 1980's and early 1990's, counternarcotic efforts were successful, specifically in protecting the borders of the United States from penetration by illegal narcotics through increased seizures by the United States Coast Guard and other agencies, including a 302 percent increase in pounds of cocaine seized between 1987 and 1991.

(8) Limiting the availability of narcotics to drug traffickers in the United States had a promising effect as illustrated by the decline of illicit drug use between 1988 and 1991, through a—

(A) 13 percent reduction in total drug use;

(B) 35 percent drop in cocaine use; and

(C) 16 percent decrease in marijuana use.

(9) In 1993, drug interdiction efforts in the transit zones were reduced due to an imbalance in the national drug control strategy. This trend has continued through 1995 as shown by the following figures:

(A) 35 percent for demand reduction programs.

(B) 53 percent for domestic law enforcement.

(C) 12 percent for international drug interdiction efforts.

(10) Supply reduction efforts became a lower priority for the Administration and the seizures by the United States Coast Guard and other agencies decreased as shown by a 68 percent decrease in the pounds of cocaine seized between 1991 and 1996.

(11) Reductions in funding for comprehensive interdiction operations like OPERATION GATEWAY and OPERATION STEELWEB, initiatives that encompassed all areas of interdiction and attempted to disrupt the operating methods of drug smugglers along the entire United States border, have created unprotected United States border areas which smugglers exploit to move their product into the United States.

(12) The result of this new imbalance in the national drug control strategy caused the drug situation in the United States to become a crisis with serious consequences including—

(A) doubling of drug-abuse-related arrests for minors between 1992 and 1996;

(B) 70 percent increase in overall drug use among children aged 12 to 17;

(C) 80 percent increase in drug use for graduating seniors since 1992;

(D) a sharp drop in the price of 1 pure gram of heroin from \$1,647 in 1992 to \$966 in February 1996; and

(E) a reduction in the street price of 1 gram of cocaine from \$123 to \$104 between 1993 and 1994.

(13) The percentage change in drug use since 1992, among graduating high school students who used drugs in the past 12 months, has substantially increased—marijuana use is up 80 percent, cocaine use is up 80 percent, and heroin use is up 100 percent.

(14) The Department of Defense has been called upon to support counter-drug efforts of Federal law enforcement

agencies that are carried out in source countries and through transit zone interdiction, but in recent years Department of Defense assets critical to those counter-drug activities have been consistently diverted to missions that the Secretary of Defense and the Chairman of the Joint Chiefs of Staff consider a higher priority.

(15) The Secretary of Defense and the Chairman of the Joint Chiefs of Staff, through the Department of Defense policy referred to as the Global Military Force Policy, has established the priorities for the allocation of military assets in the following order: (1) war; (2) military operations other than war that might involve contact with hostile forces (such as peacekeeping operations and noncombatant evacuations); (3) exercises and training; and (4) operational tasking other than those involving hostilities (including counter-drug activities and humanitarian assistance).

(16) Use of Department of Defense assets is critical to the success of efforts to stem the flow of illegal drugs from source countries and through transit zones to the United States.

(17) The placement of counter-drug activities in the fourth and last priority of the Global Military Force Policy list of priorities for the allocation of military assets has resulted in a serious deficiency in assets vital to the success of source country and transit zone efforts to stop the flow of illegal drugs into the United States.

(18) At present the United States faces few, if any, threats from abroad greater than the threat posed to the Nation's youth by illegal and dangerous drugs.

(19) The conduct of counter-drug activities has the potential for contact with hostile forces.

(20) The Department of Defense counter-drug activities mission should be near the top, not among the last, of the priorities for the allocation of Department of Defense assets after the first priority for those assets for the war-fighting mission of the Department of Defense.

(b) STATEMENT OF POLICY.—It is the policy of the United States to—

(1) reduce the supply of drugs and drug use through an enhanced drug interdiction effort in the major drug transit countries, as well support a comprehensive supply country eradication and crop substitution program, because a commitment of increased resources in international drug interdiction efforts will create a balanced national drug control strategy among demand reduction, law enforcement, and international drug interdiction efforts; and

(2) develop and establish comprehensive drug interdiction and drug eradication strategies, and dedicate the required resources, to achieve the goal of reducing the flow of illegal drugs into the United States by 80 percent by as early as January 1, 2003.

TITLE XIV—CHILD ONLINE PROTECTION

Child Online
Protection Act.
47 USC 609 note.

SEC. 1401. SHORT TITLE.

This title may be cited as the “Child Online Protection Act”.

SEC. 1402. CONGRESSIONAL FINDINGS.

47 USC 231 note.

The Congress finds that—

(1) while custody, care, and nurture of the child resides first with the parent, the widespread availability of the Internet presents opportunities for minors to access materials through the World Wide Web in a manner that can frustrate parental supervision or control;

(2) the protection of the physical and psychological well-being of minors by shielding them from materials that are harmful to them is a compelling governmental interest;

(3) to date, while the industry has developed innovative ways to help parents and educators restrict material that is harmful to minors through parental control protections and self-regulation, such efforts have not provided a national solution to the problem of minors accessing harmful material on the World Wide Web;

(4) a prohibition on the distribution of material harmful to minors, combined with legitimate defenses, is currently the most effective and least restrictive means by which to satisfy the compelling government interest; and

(5) notwithstanding the existence of protections that limit the distribution over the World Wide Web of material that is harmful to minors, parents, educators, and industry must continue efforts to find ways to protect children from being exposed to harmful material found on the Internet.

SEC. 1403. REQUIREMENT TO RESTRICT ACCESS BY MINORS TO MATERIALS COMMERCIALY DISTRIBUTED BY MEANS OF THE WORLD WIDE WEB THAT ARE HARMFUL TO MINORS.

Part I of title II of the Communications Act of 1934 (47 U.S.C. 201 et seq.) is amended by adding at the end the following new section:

“SEC. 231. RESTRICTION OF ACCESS BY MINORS TO MATERIALS COMMERCIALY DISTRIBUTED BY MEANS OF WORLD WIDE WEB THAT ARE HARMFUL TO MINORS.

47 USC 231.

“(a) REQUIREMENT TO RESTRICT ACCESS.—

“(1) PROHIBITED CONDUCT.—Whoever knowingly and with knowledge of the character of the material, in interstate or foreign commerce by means of the World Wide Web, makes any communication for commercial purposes that is available to any minor and that includes any material that is harmful to minors shall be fined not more than \$50,000, imprisoned not more than 6 months, or both.

“(2) INTENTIONAL VIOLATIONS.—In addition to the penalties under paragraph (1), whoever intentionally violates such paragraph shall be subject to a fine of not more than \$50,000 for each violation. For purposes of this paragraph, each day of violation shall constitute a separate violation.

“(3) CIVIL PENALTY.—In addition to the penalties under paragraphs (1) and (2), whoever violates paragraph (1) shall be subject to a civil penalty of not more than \$50,000 for

each violation. For purposes of this paragraph, each day of violation shall constitute a separate violation.

“(b) INAPPLICABILITY OF CARRIERS AND OTHER SERVICE PROVIDERS.—For purposes of subsection (a), a person shall not be considered to make any communication for commercial purposes to the extent that such person is—

“(1) a telecommunications carrier engaged in the provision of a telecommunications service;

“(2) a person engaged in the business of providing an Internet access service;

“(3) a person engaged in the business of providing an Internet information location tool; or

“(4) similarly engaged in the transmission, storage, retrieval, hosting, formatting, or translation (or any combination thereof) of a communication made by another person, without selection or alteration of the content of the communication, except that such person’s deletion of a particular communication or material made by another person in a manner consistent with subsection (c) or section 230 shall not constitute such selection or alteration of the content of the communication.

“(c) AFFIRMATIVE DEFENSE.—

“(1) DEFENSE.—It is an affirmative defense to prosecution under this section that the defendant, in good faith, has restricted access by minors to material that is harmful to minors—

“(A) by requiring use of a credit card, debit account, adult access code, or adult personal identification number;

“(B) by accepting a digital certificate that verifies age;

or

“(C) by any other reasonable measures that are feasible under available technology.

“(2) PROTECTION FOR USE OF DEFENSES.—No cause of action may be brought in any court or administrative agency against any person on account of any activity that is not in violation of any law punishable by criminal or civil penalty, and that the person has taken in good faith to implement a defense authorized under this subsection or otherwise to restrict or prevent the transmission of, or access to, a communication specified in this section.

“(d) PRIVACY PROTECTION REQUIREMENTS.—

“(1) DISCLOSURE OF INFORMATION LIMITED.—A person making a communication described in subsection (a)—

“(A) shall not disclose any information collected for the purposes of restricting access to such communications to individuals 17 years of age or older without the prior written or electronic consent of—

“(i) the individual concerned, if the individual is an adult; or

“(ii) the individual’s parent or guardian, if the individual is under 17 years of age; and

“(B) shall take such actions as are necessary to prevent unauthorized access to such information by a person other than the person making such communication and the recipient of such communication.

A person may be considered to be engaged in the business of making, by means of the World Wide Web, communications for commercial purposes that include material that is harmful to minors, only if the person knowingly causes the material that is harmful to minors to be posted on the World Wide Web or knowingly solicits such material to be posted on the World Wide Web.

“(3) INTERNET.—The term ‘Internet’ means the combination of computer facilities and electromagnetic transmission media, and related equipment and software, comprising the interconnected worldwide network of computer networks that employ the Transmission Control Protocol/Internet Protocol or any successor protocol to transmit information.

TITLE II—STATEMENT OF NATIONAL ANTIDRUG POLICY

Subtitle A—Congressional Leadership in Community Coalitions

SEC. 201. SENSE OF CONGRESS.

(a) FINDINGS.—Congress finds the following:

(1) Illegal drug use is dangerous to the physical well-being of the Nation’s youth.

(2) Illegal drug use can destroy the lives of the Nation’s youth by diminishing their sense of morality and with it everything in life that is important and worthwhile.

(3) According to recently released national surveys, drug use among the Nation’s youth remains at alarmingly high levels.

(4) National leadership is critical to conveying to the Nation’s youth the message that drug use is dangerous and wrong.

(5) National leadership can help mobilize every sector of the community to support the implementation of comprehensive, sustainable, and effective programs to reduce drug abuse.

(6) As of September 1, 1998, 76 Members of the House of Representatives were establishing community-based antidrug coalitions in their congressional districts or were actively supporting such coalitions that already existed.

(7) The individual Members of the House of Representatives can best help their constituents prevent drug use among the Nation’s youth by establishing community-based antidrug coalitions in their congressional districts or by actively supporting such coalitions that already exist.

(b) SENSE OF CONGRESS.—It is the sense of Congress that the individual Members of the House of Representatives, including the Delegates and the Resident Commissioner, should establish community-based antidrug coalitions in their congressional districts or should actively support any such coalitions that have been established.

Subtitle B—Rejection of Legalization of Drugs

SEC. 211. SENSE OF CONGRESS.

(a) FINDINGS.—Congress finds the following:

(1) Illegal drug use is harmful and wrong.

(2) Illegal drug use can kill the individuals involved or cause the individuals to hurt or kill others, and such use strips the individuals of their moral sense.

(3) The greatest threat presented by such use is to the youth of the United States, who are illegally using drugs in increasingly greater numbers.

(4) The people of the United States are more concerned about illegal drug use and crimes associated with such use than with any other current social problem.

(5) Efforts to legalize or otherwise legitimize drug use present a message to the youth of the United States that drug use is acceptable.

(6) Article VI, clause 2 of the Constitution of the United States states that “[t]his Constitution, and the laws of the United States which shall be made in pursuance thereof; and all treaties made, or which shall be made, under the authority of the United States, shall be the supreme law of the land; and judges in every state shall be bound thereby, any thing in the Constitution or laws of any state to the contrary notwithstanding.”.

(7) The courts of the United States have repeatedly found that any State law that conflicts with a Federal law or treaty is preempted by such law or treaty.

(8) The Controlled Substances Act (21 U.S.C. 801 et seq.) strictly regulates the use and possession of drugs.

(9) The United Nations Convention Against Illicit Traffic in Narcotic Drugs and Psychotropic Substances Treaty similarly regulates the use and possession of drugs.

(10) Any attempt to authorize under State law an activity prohibited under such Treaty or the Controlled Substances Act would conflict with that Treaty or Act.

(b) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the several States, and the citizens of such States, should reject the legalization of drugs through legislation, ballot proposition, constitutional amendment, or any other means; and

(2) each State should make efforts to be a drug-free State.

Subtitle C—Report on Streamlining Federal Prevention and Treatment Efforts

SEC. 221. REPORT ON STREAMLINING FEDERAL PREVENTION AND TREATMENT EFFORTS.

21 USC 1703
note.

(a) SENSE OF CONGRESS.—It is the sense of Congress that—

(1) the efforts of the Federal Government to reduce the demand for illegal drugs in the United States are frustrated by the fragmentation of those efforts across multiple departments and agencies; and

(2) improvement of those efforts can best be achieved through consolidation and coordination.

(b) REPORT REQUIREMENT.—

(1) IN GENERAL.—Not later than 18 months after the date of enactment of this Act, the Director of the Office of National Drug Control Policy shall prepare and submit to the appropriate committees a report evaluating options for increasing the efficacy of drug prevention and treatment programs and activities by the Federal Government. Such option shall include the merits of a consolidation of programs into a single agency, transferring programs from 1 agency to another, and improving coordinating mechanisms and authorities. The report shall also include a thorough review of the activities and potential consolidation of existing Federal drug information clearinghouses.

(2) RECOMMENDATION AND EXPLANATORY STATEMENT.—The study submitted under paragraph (1) shall identify options that are determined by the Director to have merit, and an explanation which options should be implemented.

(3) AUTHORIZATION OF APPROPRIATIONS.—There is authorized to be appropriated to the Office of National Drug Control Policy to carry out this subsection \$1,000,000 for contracting, policy research, and related costs.

(c) APPROPRIATE COMMITTEES DEFINED.—In this section, the term “appropriate committees” means the Committee on Appropriations, the Committee on Commerce, and the Committee on Education and the Workforce of the House of Representatives, and the Committee on Appropriations, and Committee on Labor and Human Resources of the Senate.

and

(A) by striking “100 grams” and inserting “50 grams”;

and
(B) by striking “1 kilogram” and inserting “500 grams”;

and
(2) in paragraph (2)(H)—
(A) by striking “10 grams” and inserting “5 grams”;

and

**SEC. 3. ADDITIONAL REQUIREMENTS FOR THE USE OF FUNDS UNDER
THE VIOLENT OFFENDER INCARCERATION AND TRUTH-
IN-SENTENCING GRANTS PROGRAM.**

Section 20105(b) of the Violent Crime Control and Law Enforcement Act of 1994 is amended to read as follows:

42 USC 13705.

“(b) ADDITIONAL REQUIREMENTS.—

“(1) ELIGIBILITY FOR GRANT.—To be eligible to receive a grant under section 20103 or section 20104, a State shall—

“(A) provide assurances to the Attorney General that the State has implemented or will implement not later than 18 months after the date of the enactment of this subtitle, policies that provide for the recognition of the rights of crime victims; and

“(B) subject to the limitation of paragraph (2), no later than September 1, 2000, consider a program of drug testing and intervention for appropriate categories of convicted offenders during periods of incarceration and post-incarceration and criminal justice supervision, with sanctions including denial or revocation of release for positive drug tests, consistent with guidelines issued by the Attorney General.

“(2) USE OF FUNDS.—Beginning in fiscal year 1999, not more than 10 percent of the funds provided under section 20103 or section 20104 of this subtitle may be applied to the cost of offender drug testing and intervention programs during periods of incarceration and post-incarceration criminal justice supervision, consistent with guidelines issued by the Attorney General. Further, such funds may be used by the States to pay the costs of providing to the Attorney General a baseline study on their prison drug abuse problem. Such studies shall be consistent with guidelines issued by the Attorney General.”

**DIVISION F—NOT LEGALIZING MARIJUANA FOR
MEDICINAL USE**

It is the sense of the Congress that—

(1) certain drugs are listed on Schedule I of the Controlled Substances Act if they have a high potential for abuse, lack any currently accepted medical use in treatment, and are unsafe, even under medical supervision;

(2) the consequences of illegal use of Schedule I drugs are well documented, particularly with regard to physical health, highway safety, and criminal activity;

(3) pursuant to section 401 of the Controlled Substances Act, it is illegal to manufacture, distribute, or dispense marijuana, heroin, LSD, and more than 100 other Schedule I drugs;

(4) pursuant to section 505 of the Federal Food, Drug and Cosmetic Act, before any drug can be approved as a medication in the United States, it must meet extensive scientific and medical standards established by the Food and Drug Administration to ensure it is safe and effective;

(5) marijuana and other Schedule I drugs have not been approved by the Food and Drug Administration to treat any disease or condition;

(6) the Federal Food, Drug and Cosmetic Act already prohibits the sale of any unapproved drug, including marijuana, that

has not been proven safe and effective for medical purposes and grants the Food and Drug Administration the authority to enforce this prohibition through seizure and other civil action, as well as through criminal penalties;

(7) marijuana use by children in grades 8 through 12 declined steadily from 1980 to 1992, but, from 1992 to 1996, has dramatically increased by 253 percent among 8th graders, 151 percent among 10th graders, and 84 percent among 12th graders, and the average age of first-time use of marijuana is now younger than it has ever been;

(8) according to the 1997 survey by the Center on Addiction and Substance Abuse at Columbia University, 500,000 8th graders began using marijuana in the 6th and 7th grades;

(9) according to that same 1997 survey, youths between the ages of 12 and 17 who use marijuana are 85 times more likely to use cocaine than those who abstain from marijuana, and 60 percent of adolescents who use marijuana before the age of 15 will later use cocaine; and

(10) the rate of illegal drug use among youth is linked to their perceptions of the health and safety risks of those drugs, and the ambiguous cultural messages about marijuana use are contributing to a growing acceptance of marijuana use among children and teenagers;

(11) Congress continues to support the existing Federal legal process for determining the safety and efficacy of drugs and opposes efforts to circumvent this process by legalizing marijuana, and other Schedule I drugs, for medicinal use without valid scientific evidence and the approval of the Food and Drug Administration; and

(12) not later than 90 days after the date of the enactment of this Act—

Reports.

(A) the Attorney General shall submit to the Committees on the Judiciary of the House of Representatives and the Senate a report on—

(i) the total quantity of marijuana eradicated in the United States during the period from 1992 through 1997; and

(ii) the annual number of arrests and prosecutions for Federal marijuana offenses during the period described in clause (i); and

Reports.

(B) the Commissioner of Foods and Drugs shall submit to the Committee on Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate a report on the specific efforts underway to enforce sections 304 and 505 of the Federal Food, Drug and Cosmetic Act with respect to marijuana and other Schedule I drugs.

TITLE XXVII—EUROPEAN SECURITY ACT OF 1998

SEC. 2701. SHORT TITLE.

This title may be cited as the “European Security Act of 1998”.

SEC. 2702. STATEMENT OF POLICY.

(a) POLICY WITH RESPECT TO NATO ENLARGEMENT.—Congress urges the President to outline a clear and complete strategic rationale for the enlargement of the North Atlantic Treaty Organization (NATO), and declares that—

(1) Poland, Hungary, and the Czech Republic should not be the last emerging democracies in Central and Eastern Europe invited to join NATO;

(2) the United States should ensure that NATO continues a process whereby all other emerging democracies in Central and Eastern Europe that wish to join NATO will be considered

for membership in NATO as soon as they meet the criteria for such membership;

(3) the United States should ensure that no limitations are placed on the numbers of NATO troops or types of equipment, including tactical nuclear weapons, to be deployed on the territory of new member states;

(4) the United States should reject all efforts to condition NATO decisions on review or approval by the United Nations Security Council;

(5) the United States should clearly delineate those NATO deliberations, including but not limited to discussions on arms control, further Alliance enlargement, procurement matters, and strategic doctrine, that are not subject to review or discussion in the NATO-Russia Permanent Joint Council;

(6) the United States should work to ensure that countries invited to join the Alliance are provided an immediate seat in NATO discussions; and

(7) the United States already pays more than a proportionate share of the costs of the common defense of Europe and should obtain, in advance, agreement on an equitable distribution of the cost of NATO enlargement to ensure that the United States does not continue to bear a disproportionate burden.

(b) POLICY WITH RESPECT TO NEGOTIATIONS WITH RUSSIA.—

(1) IMPLEMENTATION.—NATO enlargement should be carried out in such a manner as to underscore the Alliance's defensive nature and demonstrate to Russia that NATO enlargement will enhance the security of all countries in Europe, including Russia. Accordingly, the United States and its NATO allies should make this intention clear in negotiations with Russia, including negotiations regarding adaptation of the Conventional Armed Forces in Europe (CFE) Treaty of November 19, 1990.

(2) LIMITATIONS ON COMMITMENTS TO RUSSIA.—In seeking to demonstrate to Russia NATO's defensive and security-enhancing intentions, it is essential that neither fundamental United States security interests in Europe nor the effectiveness and flexibility of NATO as a defensive alliance be jeopardized. In particular, no commitments should be made to Russia that would have the effect of—

(A) extending rights or imposing responsibilities on new NATO members different from those applicable to current NATO members, including rights or responsibilities with respect to the deployment of nuclear weapons and the stationing of troops and equipment from other NATO members;

(B) limiting the ability of NATO to defend the territory of new NATO members by, for example, restricting the construction of defense infrastructure or limiting the ability of NATO to deploy necessary reinforcements;

(C) providing any international organization, or any country that is not a member of NATO, with authority to delay, veto, or otherwise impede deliberations and decisions of the North Atlantic Council or the implementation of such decisions, including deliberations and decisions with respect to the deployment of NATO forces or the admission of additional members to NATO;

(D) impeding the development of enhanced relations between NATO and other European countries that do not belong to the Alliance;

(E) establishing a nuclear weapons-free zone in Central or Eastern Europe;

(F) requiring NATO to subsidize Russian arms sales, service, or support to the militaries of those former Warsaw Pact countries invited to join the Alliance; or

(G) legitimizing Russian efforts to link concessions in arms control negotiations to NATO enlargement.

(3) COMMITMENTS FROM RUSSIA.—In order to enhance security and stability in Europe, the United States should seek commitments from Russia—

(A) to demarcate and respect all its borders with neighboring states;

(B) to achieve the immediate and complete withdrawal of any armed forces and military equipment under the control of Russia that are deployed on the territories of the independent states of the former Soviet Union without the full and complete agreement of those states;

(C) to station its armed forces on the territory of other states only with the full and complete agreement of that state and in strict accordance with international law; and

(D) to take steps to reduce further its nuclear and conventional forces in Kaliningrad.

(4) CONSULTATIONS.—As negotiations on adaptation of the Treaty on Conventional Armed Forces in Europe proceed, the United States should engage in close and continuous consultations not only with its NATO allies, but also with the emerging democracies of Central and Eastern Europe, Ukraine, and the South Caucasus.

(c) POLICY WITH RESPECT TO BALLISTIC MISSILE DEFENSE COOPERATION.—

(1) IN GENERAL.—As the United States proceeds with efforts to develop defenses against ballistic missile attack, it should seek to foster a climate of cooperation with Russia on matters related to missile defense. In particular, the United States and its NATO allies should seek to cooperate with Russia in such areas as early warning.

(2) DISCUSSIONS WITH NATO ALLIES.—The United States should initiate discussions with its NATO allies for the purpose of examining the feasibility of deploying a ballistic missile defense capable of protecting NATO's southern and eastern flanks from a limited ballistic missile attack.

(3) CONSTITUTIONAL PREROGATIVES.—Even as the Congress seeks to promote ballistic missile defense cooperation with Russia, it must insist on its constitutional prerogatives regarding consideration of arms control agreements with Russia that bear on ballistic missile defense.

SEC. 2704. SENSE OF CONGRESS WITH RESPECT TO THE TREATY ON CONVENTIONAL ARMED FORCES IN EUROPE.

It is the sense of Congress that no revisions to the Treaty on Conventional Armed Forces in Europe will be approved for entry into force with respect to the United States that jeopardize fundamental United States security interests in Europe or the effectiveness and flexibility of NATO as a defensive alliance by—

(1) extending rights or imposing responsibilities on new NATO members different from those applicable to current NATO members, including rights or responsibilities with respect to the deployment of nuclear weapons and the stationing of troops and equipment from other NATO members;

(2) limiting the ability of NATO to defend the territory of new NATO members by, for example, restricting the construction of defense infrastructure or limiting the ability of NATO to deploy necessary reinforcements;

(3) The executive branch of Government has committed publicly to support Taiwan's bid to join the World Trade Organization and has declared that the United States will not oppose this bid solely on the grounds that the People's Republic of China, which also seeks membership in the World Trade Organization, is not yet eligible because of its unacceptable trade practices.

(4) The United States and Taiwan have concluded discussions on a variety of outstanding trade issues that remain unresolved with the People's Republic of China and that are necessary for the United States to support Taiwan's membership in the World Trade Organization.

(5) The reversion of control over Hong Kong—a member of the World Trade Organization—to the People's Republic of China in many respects affords to the People's Republic of China the practical benefit of membership in the World Trade Organization for a substantial portion of its trade in goods despite the fact that the trade practices of the People's Republic of China currently fall far short of what the United States expects for membership in the World Trade Organization.

(6) The executive branch of Government has announced its interest in the admission of the People's Republic of China to the World Trade Organization; the fundamental sense of fairness of the people of the United States warrants the United States Government's support for Taiwan's relatively more meritorious application for membership in the World Trade Organization.

(7) Despite having made significant progress in negotiations for its accession to the World Trade Organization, Taiwan has yet to offer acceptable terms of accession in agricultural and certain other market sectors.

(8) It is in the economic interest of United States consumers and exporters for Taiwan to complete those requirements for accession to the World Trade Organization at the earliest possible moment.

(b) CONGRESSIONAL STATEMENT.—The Congress favors public support by officials of the Department of State for the accession of Taiwan to the World Trade Organization.
