## Welcome to NOAA Fisheries Permits

The NOAA Fisheries Permits web site provides a common front door to a large variety of commercial and recreational fishing permits issued by the National Marine Fisheries Services.

Our ultimate goal is to provide a one-stop service portal for electronically available permits, as well as reference material to help you stay abreast of the latest laws, regulations, and requirements related to commercial and recreational fishing activities in federally managed waters.

While we work on making more permits available through this web site, links are provided to help you find permitting resources on other NOAA Fisheries Sites.
