38	<b>Footnotes:</b>																					
39	All amounts in this five-year budget summary table should correspond to the amounts in the Center's Single-Year Budget Workbook, detailed budget tables.																					
40	(1) Per the Federal Funding Opportunity Notice (FFO) or Notice of Federal Funding Opportunity (NOFO) that serve as the basis for the MEP State Awards, the Federal funding amount may be adjusted higher or lower than the center's annual full Federal Funds requested will be the amount entered into MEIS as the Center's denominator.																					
41	(2) NIST MEP Supplemental Funds will only be offered via a special announcement from the program. Supplemental Funding is not counted towards the Center's denominator in MEIS.																					
42	(3) The carryforward of Unexpended Federal Funds (UFF) <b>must be requested annually</b> and <b>may not</b> be projected as being carried forward in out years.																					
43	(4) The carryforward of Unexpended Program Income (UPI) <b>must be requested annually</b> , but <b>may not</b> be projected as being carried forward in out years.																					
44	(5) This row should reflect any UFF and/or UPI that will be requested to be carried forward into the next operating year.																					
45	(6) This column should reflect Additive Program Income that is not committed and is a cap of the total amount of income that can be generated for this budget.																					
45	When using the Additive Program Income approach the MEP Center must explain how the program income will used in the Revenue Page under Section H. Program Income. REMINDER: Excess program income above the cap amount shown in
