EXCEPTIONS TO RESTRICTED REPORTING

1. Command officials or law enforcement when you provide written authorization.
2. Command officials or law enforcement to prevent or lessen a serious and imminent threat. This may be a threat to the health or safety of you or another person. Multiple reports involving the same alleged suspect may also meet this criterion.

The report may be disclosed to these parties when it is required for fitness for duty or disability retirement determinations. Disclosure is limited to only that information necessary to make a determination for disability.
4. SARC, SAPR VA or healthcare personnel when required for the direct supervision of victim services.
5. Military or civilian courts when ordered, or if disclosure is required by Federal or state statute. Before disclosing any information, SARCs, SAPR VAs and healthcare personnel will first consult with the servicing legal office. The legal office will determine if any of the above exceptions apply, if there is a duty to disclose the information, and who will make the disclosure when required.

I can also report it to SVC/VLCs, my commander, law enforcement, Victim Witness Assistance Program, EO or EEO personnel, or the Inspector General.
