through [end of period of interest]? *Further information if needed: sexual contact includes things like*

oral, anal, and vaginal sex or touching the genitals (penis, testicles, labia, and vagina) or anus (butt) of

another person.

- Yes No → End of interview

If yes, can you provide some information about your sexual partners during that time period?

CDC estimates the average public reporting burden for this collection of information as 15 minutes per response, including the time for reviewing instructions, searching existing data/information sources, gathering and maintaining the data/information needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS H21-8, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

Yes No → End of interview

During the period of interest, how many different people did you have oral, vaginal or anal sex with?
