Public reporting burden for this collection of information is estimated to average one hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0744). Do not return the completed form to this address.

AFFILIATES

Will you have Affiliates as part of this Data Use Agreement? Affiliates are individuals within your institution, for whom access to Data is required to carry out the Research Plan. Affiliates are permitted to access and download data directly from NICHD DASH. *

Note: All listed affiliates must be registered DASH users.

Yes No

Please select your affiliates from the dropdown list and click the "Add an Affiliate" button. This list includes registered DASH users from your institution. If you are unable to find your affiliates in the list, please ask them to register and activate an account in DASH. When their accounts are active, you will be able to find them in the list and add them to your list of affiliates. Please do not proceed to the next step until you have added all of your affiliates who will have access to the requested data.*

ASSOCIATES

Will you have associates as part of this Data Use Agreement? Associates are individuals employed by other institutions that will be allowed to access data and will be covered under your institution's Data Use Agreement. They will not be permitted by the DASH system to access or download data directly; instead, they must access data only within your data platform and must not download data from your data platform to their own local data platform or devices. *

Generate Package

All of the documentation required for your data request will be automatically generated when you click on "Confirm and Generate Package." Please review your entries and make any necessary changes before you click on "Confirm and Generate Package."

You will receive the Data Request Package by email – please review all documents before you obtain the necessary signatures. The Requester is responsible for coordinating with all parties involved to collect the required signatures to complete the data request.

If you need to edit your data request after your Data Request Package has been generated, you must make these changes in the DASH System; you must not edit the content of the system generated Data Request Form or Data Use Agreement documents provided to you via email. If you need to edit any fields after receiving the Data Request Package, you must log back into the system, go to "My Cart," click on the "Edit Request" button of the particular request, make your edits, and then re-generate your request package again.

The following documents will be included in the package:

- Data Request Form
- Data Use Agreement

The Data Request Form and Data Use Agreement can be provided in a format that is easier for individuals with disabilities to access (508 Compliant). If you or your team need these documents to be made 508 Compliant for you to complete your data request, please email SupportDASH@mail.nih.gov.
